PROTECT OUR CHILDREN
Midwest Area Conference
September 12, 13, & 14, 2012
Omaha, Nebraska***

The 9th annual Protect Our Children Midwest Area Conference will continue its fine tradition, and will focus on a wide range of topics dealing with child sexual abuse, on-line enticement, and child pornography; featuring national and local experts in these areas. This conference is an excellent opportunity for the various disciplines to build partnerships to benefit child victims, and contribute to a more effective investigation and prosecution.

This conference is designed to address the needs of law enforcement, prosecutors, victim service providers, probation/parole/correctional officers, judges, social workers, child advocates, and health care providers. Specific breakouts will be featured for the various disciplines engaged in assisting children victimized by sexual abuse.
