Total Fees & Costs	\$546,263,341	34.7%									

¹Total generated gross receipts are disbursed in two categories: distributions, and fees and costs. Due to data entry error and rounding, total disbursements do not equal total receipts.

²Percent of the total receipts paid to a subcategory

³The number of cases that disbursed funds to the corresponding category

⁴Percent of cases that disbursed funds to the corresponding subcategory

⁵Funds disbursed can be as low \$.01 for some cases; rounding these figures causes the minimum to be zero.
