

We write to provide you with an update in the case of *United States v. Abu Agila Mohammad Mas'ud Kheir Al-Marimi*, No. 22-cr-392 (DLF). The court has set a status conference, which is scheduled to take place on March 12, 2025, at 3:00 p.m. Eastern U.S. time, in Courtroom 26A of the United States District Court for the District of Columbia. We expect that the majority of the discussion at the hearing will take place under seal, and that those portions of the hearing will not be available to the public. We are still in the process of working out the implementation procedures for remote access with the Court, and therefore the public portions of the hearing will not be available via remote access. We will provide an update through VNS as soon as possible after the hearing, and we will be available to answer any questions about the public portions of the hearing at the next scheduled WebEx meeting on March 26, 2025.
