

Our next Monthly Victim Webex information session will be held at **11:00 am (ET) on Wednesday, April 23, 2025**. If you would like to register for this Webex and you have not received the link via the DOJ VNS message, please email [USADC.PANAM103@USDOJ.GOV](mailto:USADC.PANAM103@USDOJ.GOV) or call 202.252.7045

This is a very important reminder that the information session is solely for the victims of the bombing of Pan Am Flight 103, and not for those external to the victim group. Please do not share the link with others who are not victims (e.g., the press corps, interested public representatives etc.). Our group space is a private space intended solely for victims in this case. It is an opportunity for you to learn about updates in the case that may (or not) affect you and your loved ones, for you to ask questions, and to hear from others. We would like for each of you to ask questions and make comments without any concerns that what you say will be made public. We look forward to another productive Webex information session and to hearing from you and your questions and concerns.

**THE WEBEX IS A CLOSED MEETING INTENDED FOR VICTIM NOTIFICATION ONLY. THIS IS NOT A MEDIA OR PUBLIC EVENT.**
