

FBI MONITOR CERTIFICATION FOR THE COURT

I, _____, am employed as a Special Agent of the Federal Bureau of Investigation. In the case of *United States v. - USAO Eastern District of New York (Brooklyn) _____
- USAO District of Massachusetts (Boston) _____
- USAO Northern District of Ohio (Toledo) _____
- Police Scotland, Dumfries (Scotland) _____

I am aware of the Court's Orders regarding security at these locations and have received training on that topic from the U.S. Attorney's Office. I am aware of the Court's requirement:

- To actively monitor access to the viewing site and ensure that access is restricted only to victims as defined by the Victim Access Act, Public Law 118-37, 138 Stat. 11 (2024), who have been verified by the government and appear on a list provided by the U.S. Attorney's Office.
- To enforce the Court's ban on all cell phones and other electronic devices inside the secured viewing area.
- To enforce the Court's ban on any audio- and/or video-recordings of court proceedings.

In fulfilling these obligations, I will:

- Check the identifications of all victims who appear at the viewing site and ensure that it matches a verified victim on the list provided by the U.S. Attorney's Office.
- Conduct appropriate checks to ensure that victims do not bring any cell phones or other electronic devices into the viewing room.
- Require victims to sign a sheet reaffirming their agreement to abide by the terms of the Court's Orders.
- Actively monitor the viewing room during court proceedings to ensure there are no violations of the Court's Orders.
- Promptly notify the Court of any violation of the Court's Orders.

I understand that I will be subject to the Court's contempt powers if I willfully violate the Court's Orders.

If any problems arise before or during the court proceedings, I will report them promptly to Special Assistant U.S. Attorney Jerome J. Teresinski, Victim Access Coordinator for this case at 216-633-1961; and/or Jerome.Teresinski2@usdoj.gov
