

SETTLEMENT AGREEMENT

This Settlement Agreement (“Agreement”) is entered into among (i) the United States of America, acting through the United States Department of Justice and on behalf of General Services Administration (“GSA”), National Aeronautics and Space Administration (“NASA”), and Small Business Administration (“SBA”) (collectively the “United States”); (ii) Enterprise Technology Solutions, Inc., Stratus, Inc., Zahid (“Donny”) Sheikh, and Shameela (“Meena”) Sheikh (collectively “ETS”); and (iii) Kyle Harris (“Relator”) (the United States, ETS, and Relator each a “Party” and collectively the “Parties”), through their authorized representatives arising from the civil action captioned, *United States ex rel. Kyle Harris v. Enterprise Technology Solutions, Inc.*, Civ. A. No. 21-3220 (DLF) (“Civil Action”).

RECITALS

A. Relator commenced the Civil Action against ETS under the qui tam provisions of the False Claims Act, 31 U.S.C. §§ 3729–33.

B. The United States contends that it has certain civil and administrative claims against ETS arising from the following alleged conduct. The actions, transactions, occurrences, and alleged wrongdoing set forth in this Paragraph B are herein collectively referred to as the “Covered Conduct.”

i. ETS made false statements to participate in the SBA’s Historically Underutilized Business Zone or HUBZone small business program and maintain its status in the program, which provides federal contracting preferences for businesses located in economically disadvantaged areas.

ii. To qualify for the HUBZone program, a company must, among other requirements, have its principal office in a HUBZone and must have 35 percent of its employees residing in a HUBZone. 13 C.F.R. § 126.200(c) and (d).

iii. To qualify for HUBZone contracting preferences, by August 2020, ETS had signed a lease for office space in College Park, Maryland, and hired two part-time employees, which ETS executives referred to as “interns,” to work in that new office.

iv. ETS executives’ subsequent certifications and representations that its principal office and 35% of its employees resided in a HUBZone were false because from 2020 through at least mid-2023, ETS had over 50 employees working out of its principal location in Pakistan (doing business as ETS Devices, Ltd.) and at least 5 employees working in the United Kingdom (doing business as Digital Devices, Ltd.).

v. As a result of its false and fraudulent statements related to the HUBZone Program, ETS obtained 72 awards under NASA’s Solutions for Enterprise-Wide Procurement (“SEWP”) contract number NNG15SD76B, worth more than \$21 million in total value, which had been set aside for legitimate HUBZone concerns to which ETS was not entitled. Those awards are listed in Exhibit A to the Agreement.

vi. ETS also made false statements to qualify itself as a Women Owned Small Business (“WOSB”), which made ETS eligible for WOSB set-aside awards.

vii. To qualify as a WOSB, management and daily operations of the business must be controlled by one or more women, among other requirements. Despite assertions that Meena Sheikh led ETS, company documents demonstrate that Donny Sheikh exercised both day-to-day and strategic control of ETS and effectively operated as its President and Chief Executive Officer.

viii. As a result of its false and fraudulent statements related to being a WOSB, ETS obtained 75 awards under NASA’s SEWP, worth more than \$20 million in total value,

which had been set aside for legitimate WOSB concerns to which ETS was not entitled. Those awards are listed in Exhibit A to the Agreement.

ix. Lastly, in addition to falsely and fraudulently obtaining HUBZone and WOSB set-aside contracts under NASA's SEWP, ETS also obtained 16 more HUBZone and WOSB set asides totaling \$745,000 under other Government contracting vehicles. Those awards are listed in Exhibit A to the Agreement.

x. ETS also knowingly sold products under GSA Multiple Award Schedule contracts GS-35F-0329X, 47QSEA19D001M, and 47QTCA21D0045, which required ETS to deliver only products that were either made in the United States or certain designated countries in accordance with the Trade Agreements Act ("TAA"), 19 U.S.C. § 2501 *et seq.*

xi. From June 28, 2018 through November 21, 2023, ETS knowingly re-sold over \$1.3 million worth of products from Logitech, Jabra (also known as GN Netcom), StarTech, and Western Digital that did not comply with the requirements of the TAA.

C. Relator claims entitlement under 31 U.S.C. § 3730(d) to a share of the proceeds of this Settlement Agreement and to Relator's reasonable expenses, attorneys' fees, and costs.

D. This Agreement is made in compromise of disputed claims. This Agreement is not an admission of facts or liability by ETS nor a concession by the United States that its claims are not well founded.

To avoid the delay, uncertainty, inconvenience, and expense of protracted litigation of the above claims, and in consideration of the mutual promises and obligations of this Agreement, the Parties agree and covenant as follows.

TERMS AND CONDITIONS

1. ETS shall pay to the United States the total sum of two million two hundred fifty thousand dollars (\$2,250,000), of which five hundred thousand dollars (\$500,000) is restitution (the "Settlement Amount"). The Settlement Amount shall be paid to the United States according to the following schedule:

- a. \$1,150,000 due by October 1, 2026;
- b. \$550,000 due by December 31, 2026; and
- c. \$550,000 due by June 30, 2027.

Simple interest will be accrued on outstanding amounts at the rate of 4.25% per annum from October 2, 2026, and continuing until and including the day final payment is made under this Agreement. ETS shall pay the Settlement Amount by electronic funds transfer pursuant to written instructions to be provided by the United States. The abovementioned payments may be prepaid, in whole or in part, without penalty or premium.

2. Conditioned upon the United States receiving the Settlement Amount and as soon as feasible after receipt, the United States shall pay three hundred thirty-seven thousand five hundred dollars (\$337,500) to Relator by electronic funds transfer ("Relator's Share") pursuant to instructions to be provided by the undersigned Relator's counsel. In addition, Relator will receive a commensurate amount of the accrued simple interest on any payments received by the United States from ETS after October 2, 2026.

3. Within 45 days after the Effective Date of this Agreement, ETS shall pay to Relator one hundred thirty-five thousand dollars (\$135,000) ("Fees Payment") using instructions to be provided by Relator's counsel as full and complete payment of Relator's attorneys' fees, costs, and expenses pursuant to 31 U.S.C. § 3730(d). ETS shall pay the Fees Payment by electronic funds

transfer pursuant to written instructions to be provided by Relator's attorneys. Interest shall not accrue on the Fees Payment if made in accordance with this deadline.

4. Subject to the exception in Paragraph 6(e) below, and upon the Relator's receipt of the Relator's Share, Relator, for themselves and for their heirs, successors, attorneys, agents, and assigns, release ETS and its current and former owners, directors, officers, employees, agents, and assigns from any civil monetary claim Relator has on behalf of the United States for the Covered Conduct under the False Claims Act, 31 U.S.C. §§ 3729–33.

5. Subject to the exceptions in Paragraph 6 below (concerning excluded claims), and conditioned upon ETS's full payment of the Settlement Amount, the United States releases ETS from any civil or administrative monetary claim the United States has for the Covered Conduct under the False Claims Act, 31 U.S.C. §§ 3729–33; the Program Fraud Civil Remedies Act, 31 U.S.C. §§ 3801–12; the Contract Disputes Act, 41 U.S.C. §§ 7101–09; or common law theories of breach of contract, payment by mistake, unjust enrichment, negligent misrepresentation, and fraud.

6. Notwithstanding the releases given in Paragraphs 4 and 5 above, or any other term of this Agreement, the following claims of the United States are specifically reserved and are not released:

- a. Any liability arising under Title 26, U.S. Code (Internal Revenue Code);
- b. Any criminal liability;
- c. Any administrative liability (except administrative monetary claims noted in Paragraph 5 above), including the suspension and debarment rights of any federal agency;
- d. Any liability to the United States (or its agencies) for any conduct other than the Covered Conduct;

- e. Any liability based upon obligations created by this Agreement;
- f. Any liability of individuals other than Zahid (“Donny”) Sheikh and Shameela (“Meena”) Sheikh;
- g. Any liability for express or implied warranty claims or other claims for defective or deficient products or services, including quality of goods and services;
- h. Any liability for failure to deliver goods or services due; and
- i. Any liability for personal injury or property damage or for other consequential damages arising from the Covered Conduct.

7. Relator and their heirs, successors, attorneys, agents, and assigns shall not object to this Agreement but agree and confirm that this Agreement is fair, adequate, and reasonable under all the circumstances, pursuant to 31 U.S.C. § 3730(c)(2)(B). Conditioned upon Relator’s receipt of the Relator’s Share, Relator and their heirs, successors, attorneys, agents, and assigns fully and finally release, waive, and forever discharge the United States, its agencies, officers, agents, employees, and servants, from any claims arising from the filing of the Civil Action or under 31 U.S.C. § 3730, and from any claims to a share of the proceeds of this Agreement and/or the Civil Action.

8. Conditioned on Relator’s receipt of the Fees Payment, Relator, for themselves, and for their heirs, successors, attorneys, agents, and assigns, release ETS, and any current or former owners, officers, agents, and employees, from any liability to Relator arising from the filing of the Civil Action, or under 31 U.S.C. § 3730(d) for expenses or attorneys’ fees and costs.

9. ETS waives and shall not assert any defenses ETS may have to any criminal prosecution or administrative action relating to the Covered Conduct that may be based in whole or in part on a contention that, under the Double Jeopardy Clause in the Fifth Amendment of the

Constitution, or under the Excessive Fines Clause in the Eighth Amendment of the Constitution, this Agreement bars a remedy sought in such criminal prosecution, or administrative action.

10. ETS fully and finally releases the United States, its agencies, officers, agents, employees, and servants, from any claims (including attorneys' fees, costs, and expenses of every kind and however denominated) that ETS has asserted, could have asserted, or may assert in the future against the United States, its agencies, officers, agents, employees, and servants, related to the Covered Conduct and the United States' investigation and prosecution thereof.

11. ETS fully and finally release Relator, their attorneys, and their respective heirs, successors, assigns and agents, for all time and to the fullest extent allowed by law, from any claims (including attorneys' fees, costs, and expenses of every kind and however denominated) that ETS has asserted, could have asserted, or may assert in the future against Relator related to the Covered Conduct or the investigation and prosecution of the Civil Action.

12. ETS agrees to the following:

- a. Unallowable Costs Defined: All costs (as defined in the Federal Acquisition Regulation, 48 C.F.R. § 31.205-47) incurred by or on behalf of ETS, and its present or former officers, directors, employees, shareholders, and agents in connection with:
 - (1) the matters covered by this Agreement;
 - (2) the United States' audit(s) and civil and any criminal investigation(s) of the matters covered by this Agreement;
 - (3) ETS's investigation, defense, and corrective actions undertaken in response to the United States' audit(s) and civil and any criminal investigation(s) in

connection with the matters covered by this Agreement (including attorneys' fees);

(4) the negotiation and performance of this Agreement; and/or

(5) the payments ETS makes to the United States pursuant to this Agreement, are unallowable costs for government contracting purposes (hereinafter referred to as "Unallowable Costs").

- b. Future Treatment of Unallowable Costs: Unallowable Costs will be separately determined and accounted for by ETS, and ETS shall not charge such Unallowable Costs directly or indirectly to any contract with the United States.
- c. Treatment of Unallowable Costs Previously Submitted for Payment: Within 90 days of the Effective Date of this Agreement, ETS shall identify and repay by adjustment to future claims for payment or otherwise any Unallowable Costs included in payments previously sought by ETS or any of its subsidiaries or affiliates from the United States. ETS agrees that the United States, at a minimum, shall be entitled to recoup from ETS any overpayment plus applicable interest and penalties as a result of the inclusion of such Unallowable Costs on previously submitted requests for payment. The United States, including the Department of Justice and/or the affected agencies, reserves its rights to audit, examine, or re-examine ETS's books and records and to disagree with any calculations submitted by ETS or any of its subsidiaries or affiliates regarding any Unallowable Costs included in payments previously sought by ETS, or the effect of any such Unallowable Costs on the amount of such payments.

13. This Agreement is intended to be for the benefit of the Parties only. The Parties do not release any claims against any other person or entity.

14. Upon the United States' receipt of the first payment of the Settlement Amount described in Paragraph 1 above, the United States with Relator's consent shall promptly sign and file in the Civil Action a notice dismissing, subject to the terms of the Settlement Agreement, the Civil Action under Federal Rule of Civil Procedure 41(a)(1)(A) and 31 U.S.C. § 3730(c)(2)(A) and (B), with prejudice as to ETS. The parties agree that the Court retains jurisdiction to enforce the terms of the Settlement Agreement.

15. Each Party shall bear its own legal and other costs incurred in connection with this matter, including the preparation and performance of this Agreement, except as otherwise expressly provided herein.

16. Each Party and signatory to this Agreement represents that it freely and voluntarily enters into this Agreement without any degree of duress or compulsion.

17. This Agreement is governed by the laws of the United States.

18. The exclusive jurisdiction and venue for any dispute relating to this Agreement is the United States District Court for the District of Columbia unless that Court determines that venue or jurisdiction is lacking over any such dispute.

19. For purposes of construing this Agreement, this Agreement shall be deemed to have been drafted by all Parties to this Agreement and shall not, therefore, be construed against any Party for that reason in any subsequent dispute.

20. This Agreement constitutes the complete agreement between the Parties.

21. This Agreement may not be amended except by written consent of the Parties.

22. The undersigned signatories represent and warrant that they are fully authorized to execute this Agreement on behalf of the persons and entities indicated below.

23. This Agreement is binding on ETS's successors, transferees, heirs, and assigns.

24. This Agreement is binding on Relator's successors, transferees, heirs, and assigns.

25. All Parties consent to the United States' disclosure of this Agreement, and information about this Agreement, to the public.

26. This Agreement is effective on the date of signature of the last signatory to the Agreement (the "Effective Date" of this Agreement).

27. This Agreement may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same Agreement.

28. Facsimiles of signatures and electronic signatures shall constitute acceptable, binding signatures for purposes of this Agreement.
