In partnership with the United States Attorney's Offices for the Eastern, Middle and Western Districts of North Carolina, the Victim Services Interagency Council of North Carolina, North Carolina State University Police Department, and the West Johnston High School Mental Health Awareness Club, we are encouraging youth and young adults to post their own Anti-Gun Violence videos under the hashtag, **#stopgunviolenceNCVRW2024**. Our goal is to give the opportunity for youth and young adults to speak their opinions, thoughts, beliefs, and values in short videos to show their support to end gun violence. This is a generation that grew up with mass violence events, and it's time for change.
