 RALEIGH, NORTH CAROLINA 27601

PLEASE NOTE: This is the United States Attorney's Office, which is staffed by lawyers who represent the United States government and various federal agencies. This office does not provide legal advice to private individuals. While we prosecute violations of federal criminal law, this office does not conduct investigations independently of these agencies. We will be happy to forward the information you provide to the appropriate agency. Please legibly print a brief summary of your complaint or the information you wish to furnish on the back of this form. Be as specific as possible. Your information will be given to the appropriate state, local, or federal agency for review and possible investigation. If necessary, they will contact you. However, each agency makes its own independent judgment concerning which cases they investigate, based on their limited resources.
