

how Muhammad (saw) wanted it to be however,
the Ummah is beginning to rise/awake
has awoken the Mujahideen, know you are
fighting men who look into the barrel of your
gun and see heaven, now how can you compete
with that. We are promised victory and we
will surely get it. Now I don't like killing
innocent people it is forbidden in Islam
but you to save the world is allowed.
All other goes + is allowed.
