I'm getting an idea.....(for those of you who have read the book or seen the movie!)

The Hunger Games

Rules:

1. <!--[if !supportLists]--><!--[endif]-->Each DO will select 3 facilities (tributes) from their area to compete
2. <!--[if !supportLists]--><!--[endif]-->RGW/TCMT on first May projection will be used as the baseline
3. <!--[if !supportLists]--><!--[endif]-->Week one- all tributes will be eliminated if overall PCR is not 80%
4. <!--[if !supportLists]--><!--[endif]-->Week two- all tributes will be eliminated if overall PD PCR is not greater than April

5. <!--[if !supportLists]--><!--[endif]-->Week three- all tributes will be eliminated if their MCB ADC is not greater than April
6. <!--[if !supportLists]--><!--[endif]-->Week four- all tributes will be eliminated if their MCA utilization is not at 1.0 or greater

Winning facility team is treated to lunch or dinner at a restaurant of their choice

It's an idea in progress....thoughts?
