**Subject:** KPI tracker

Here is your KPI tracker. Please continue to focus on those areas where you are below your April target. Please also look into your MCB utilization as it is really low (.93). Please look over your DIFs/HPCPs calenders and review the importance of the 8 minute rule with those who are over-providing minutes.

<b>Brighton-Bellaire</b>	2009 Total	March	April	April Targets	Comments
MCB ADC	9.82	6.83	8.00	8.50	increase noted
Med A Group Minute %	9.82%	19.40%	21.80%	17.50%	good job - above target
PD Productivity	2.80%	5.10%	4.50%	5.00%	PD Group Mondays should help
Team Productivity w/ tech	89.00%	96.62%	96.64%	85.00%	Great job - above target
MCA Utilization	1.02%	1.01%	0.93%	1.00% to 1.20%	You are over-providing minutes on your MCA
