Thanks. When does contract expire? Jim D and Jeff P are with Clay now. Golfing.

I was training Meredith on Excel this morning

Americare came up

Meredith thinks we are going to lose this business when the contract is up

She knows we are being told everything is rosy

But she is getting a different feeling that they want to go in-house, do a joint venture etc

She said you two have talked in depth already on this topic

I just wanted to be sure you also had a heads up on the back story that they are telling us one thing and telling Meredith something else
