Here's Barry's price, Mario – do you want to send (or call) the quote, or should I send it?

Karen called – new account. Need pricing for:
Triamcinolone acetonide 40mg/ml PF, 1ml vials, #100 per monthly order.

Mario, this will be a new client. I have sent order form and acct. app. Do you want me to send formal quote (from your cover), or do you prefer to do that yourself? She prefers e-mail, btw.
