

SETTLEMENT AGREEMENT

This Settlement Agreement (“Agreement”) is entered into among the United States of America, acting through the United States Department of Justice and on behalf of the Office of Inspector General (“OIG-HHS”) of the Department of Health and Human Services (“HHS”); the Commonwealth of Massachusetts, acting through the Massachusetts Attorney General’s Office and on behalf of the Executive Office of Health and Human Services; the state of Georgia, acting through the Georgia Attorney General’s Office and on behalf of the Georgia Department of Community Health, Walgreen Co. (“Walgreens”), together with its current and former parent corporations (including Walgreens Boots Alliance, Inc. (“WBA”)), direct and indirect subsidiaries, brother or sister corporations, divisions, current or former corporate owners, and the corporate successors and assigns of any of them, and including all pharmacies owned and operated by Walgreens; and relators Donna Chambers and Irene Gendel (“Relators” and, together with the aforementioned parties, hereafter collectively referred to as “the Parties”), through their authorized representatives.

RECITALS

A. Walgreens is an Illinois corporation with its principal place of business in Illinois, and a wholly owned subsidiary of WBA. Walgreens directly owns and operates retail pharmacies throughout the United States that provide pharmacy services to individuals, including beneficiaries of various federal and state health care programs.

B. On April 17, 2019, Relators filed a qui tam action in the United States District Court for the District of Massachusetts, captioned *United States et al. ex rel. Donna Chambers and Irene Gendel v. Walgreens Boots Alliance, Inc.*, 19-cv-10740-LTS, pursuant to the qui tam provisions of the False Claims Act, 31 U.S.C. § 3730(b), and state law False Claims Act corollary statutes. Relators filed a first amended qui tam complaint in this action on November

14, 2019, and a second amended qui tam complaint in this action on October 26, 2020 (the “Civil Action”). The United States, the state of Georgia, and the Commonwealth of Massachusetts intervened for settlement purposes in the Civil Action on March 12, 2025.

C. The United States, the state of Georgia, and the Commonwealth of Massachusetts contend that Walgreens submitted or caused to be submitted claims for payment to the Massachusetts and Georgia Medicaid Programs, 42 U.S.C. §§ 1396-1396w-5 (“Medicaid”).

D. Walgreens admits and acknowledges the following facts:

1. Walgreens submits claims to the Massachusetts Medicaid program (“MassHealth”) and the Georgia Medicaid program seeking reimbursement for certain generic over the counter (“OTC”) and non-OTC drugs. Some of these claims submitted in the time period of January 1, 2008, through May 31, 2023, contained Usual and Customary (“U&C”) prices that reflected the “gross amount due” instead of the standard retail price, when for certain drugs the standard retail price was lower than the “gross amount due” price.

2. For the instances in which Walgreens submitted claims with U&C prices that reflected the “gross amount due” instead of the standard retail price, in certain limited instances, Walgreens received more money in reimbursement from MassHealth and the Georgia Medicaid program than Walgreens would have received if it had submitted the standard retail price as the U&C price for these claims.

3. The claims described in Paragraph 2 and submitted to MassHealth and Georgia Medicaid by Walgreens between January 1, 2008, through December 31, 2017, relate to over-the-counter (“OTC”) and non-OTC drugs unavailable through Walgreens’ Prescription Savings Club (“PSC”). These drugs are identified in Exhibit A attached to this Agreement. The claims described in Paragraph 2 and submitted to MassHealth and Georgia Medicaid by Walgreens between January 1, 2018, through May 31, 2023, relate to all OTC and non-OTC

drugs, including those available through PSC. These drugs involved in these claims are identified in Exhibit B attached to this Agreement.

E. The United States, the state of Georgia, and the Commonwealth of Massachusetts contend they have certain civil claims against Walgreens for engaging in the conduct described in Recital D (hereinafter referred to as the “Covered Conduct”).

F. Relators claim entitlement under 31 U.S.C. § 3730(d), O.C.G.A. § 49-4-168.2(i)(1), and M.G.L. c. 12, §5F(1) to a share of the proceeds of this Agreement and to Relators’ reasonable attorneys’ fees, costs, and expenses pursuant to 31 U.S.C. § 3730(d) (1) and comparable state law sections for intervened claims, and pursuant to 31 U.S.C. § 3730(d) (2) and comparable state law sections for non-intervened claims that are released herein.

G. Relators have assigned their claims for reasonable attorneys’ fees and costs to their counsel pursuant to Assignments dated February 11, 2019 as to Relator Donna Chambers and February 13, 2019, as to Relator Irene Gendel.

In consideration of the mutual promises and obligations of this Agreement, the Parties agree and covenant as follows:

7. Subject to the exceptions in Paragraph 11 (concerning reserved claims) below, and upon the Commonwealth of Massachusetts' receipt of the Massachusetts Settlement Amount, the Commonwealth of Massachusetts releases Walgreens from any civil or administrative monetary claim the Commonwealth of Massachusetts has for the Covered Conduct under the Massachusetts False Claims Act, M.G.L. c. 12, §5A-O; the Medicaid False Claims Act, M.G.L. c. 118E, §§ 40 and 44; 130 C.M.R. §§ 450.237, 450.260(A), and 450.260(I); or the common law theories of breach of contract and unjust enrichment.

8. Subject to the exceptions in Paragraphs 11 and 15 below, and upon the United States' receipt of the Federal Settlement Amount, Relators, for themselves and for their heirs, successors, attorneys, agents, and assigns, release Walgreens from any civil monetary claim the Relators have on behalf of the United States for all conduct described in the Civil Action under the False Claims Act, 31 U.S.C. §§ 3729-3733.

10. Subject to the exceptions in Paragraphs 11 and 15 below, and upon the Commonwealth of Massachusetts' receipt of the Massachusetts Settlement Amount, Relators, for themselves and for their heirs, successors, attorneys, agents, and assigns, release Walgreens from any civil monetary claim the Relators have on behalf of the Commonwealth of Massachusetts for all conduct described in the Civil Action under the Massachusetts False Claims Act, M.G.L. c. 12, §§ 5A-O.

11. Notwithstanding the releases given in Paragraph 5, 6, 7 of this Agreement, or any other term of this Agreement, the following claims and rights of the United States, the state of Georgia, and the Commonwealth of Massachusetts are specifically reserved and are not released:

- a. Any liability arising under Title 26, U.S. Code (Internal Revenue Code) or state revenue codes;
- b. Any criminal liability;
- c. Except as explicitly stated in this Agreement, any administrative liability or enforcement right, including mandatory or permissive exclusion from Federal health care programs;
- d. Any liability to the United States, the state of Georgia, the Commonwealth of Massachusetts (or their agencies) for any conduct other than the Covered Conduct;
- e. Any civil or administrative liability that any person or entity, including any released entities, has or may have to the State of Georgia or to individual consumers or state program payors under any statute, regulation, or rule not expressly covered by releases above, including but not limited to, any and all of the following claims: (i) State of Georgia or

federal antitrust violations; (ii) claims involving unfair and/or deceptive acts and practices and/or violations of consumer protection laws;

f. Any liability based upon obligations created by this Agreement; and

g. Any liability of individuals.

12. Relators and their heirs, successors, attorneys, agents, and assigns shall not object to this Agreement but agree and confirm that this Agreement is fair, adequate, and reasonable under all the circumstances, pursuant to 31 U.S.C. § 3730(c)(2)(B). Conditioned upon Relators' receipt of the Relators' Share from the United States, Relators and their heirs, successors, attorneys, agents, and assigns fully and finally release, waive, and forever discharge the United States, its agencies, officers, agents, employees, and servants, from any claims arising from the filing of the Civil Action or under 31 U.S.C. § 3730, and from any claims to a share of the proceeds of this Agreement and/or the Civil Action.

13. Relators and their heirs, successors, attorneys, agents, and assigns shall not object to this Agreement but agree and confirm that this Agreement is fair, adequate, and reasonable under all the circumstances, pursuant to O.C.G.A. § 49-4-168.2. Conditioned upon Relators' receipt of the Relators' Share from the state of Georgia, Relators and their heirs, successors, attorneys, agents, and assigns fully and finally release, waive, and forever discharge the state of Georgia, its agencies, officers, agents, employees, and servants, from any claims arising from the filing of the Civil Action or under O.C.G.A. § 49-4-168.2, and from any claims to a share of the proceeds of this Agreement and/or the Civil Action.

14. Relators and their heirs, successors, attorneys, agents, and assigns shall not object to this Agreement but agree and confirm that this Agreement is fair, adequate, and reasonable under all the circumstances, pursuant to M.G.L. c. 12, § 5(D)(3). Conditioned upon Relators' receipt of the Relators' Share from the Commonwealth of Massachusetts, Relators and their

heirs, successors, attorneys, agents, and assigns fully and finally release, waive, and forever discharge the Commonwealth of Massachusetts, its agencies, officers, agents, employees, and servants, from any claims arising from the filing of the Civil Action or under M.G.L. c. 12, §§ 5A-O, and from any claims to a share of the proceeds of this Agreement and/or the Civil Action.

15. Upon payment of their reasonable attorneys' fees, costs, and expenses pursuant to 31 U.S.C. § 3730(d) (1) and comparable state law sections for intervened claims, and pursuant to 31 U.S.C. § 3730(d) (2) and comparable state law sections for non-intervened claims, Relators and their counsel, for themselves, and for their heirs, successors, attorneys, agents, and assigns, shall release Walgreens, and its officers, agents, and employees, from any liability to Relators arising from the filing of the Civil Action, or under 31 U.S.C. § 3730(d), O.C.G.A. § 49-4-168.2, and M.G.L. c. 12, §5B for expenses or attorneys' fees, costs, and expenses. The amount of Relators' attorneys' fees, costs, and expenses will be addressed in a separate agreement or resolved by the Court if the parties are unable to reach agreement. Relators expressly reserve the right to pursue a claim for attorneys' fees, costs, and expenses pursuant to 31 U.S.C. § 3730(d) (1) and comparable state law sections for intervened claims, and pursuant to 31 U.S.C. § 3730(d) (2) and comparable state law sections for non-intervened claims, which claims have been assigned to Relators' counsel. Walgreens expressly reserves the right to contest Relators' claim for attorneys' fees, costs, and expenses pursuant to 31 U.S.C. § 3730(d) (1) and comparable state law sections for intervened claims, and to contest Relators' claim for attorneys' fees and costs pursuant to 31 U.S.C. § 3730(d) (2) and comparable state law sections for non-intervened claims.

16. Walgreens waives and shall not assert any defenses Walgreens may have to any criminal prosecution or administrative action relating to the Covered Conduct that may be based in whole or in part on a contention that, under the Double Jeopardy Clause in the Fifth Amendment of the Constitution, or under the Excessive Fines Clause in the Eighth Amendment

of the Constitution, this Agreement bars a remedy sought in such criminal prosecution or administrative action.

17. Walgreens fully and finally releases the United States, the state of Georgia, the Commonwealth of Massachusetts and their respective agencies, officers, agents, employees, and servants, from any claims (including attorneys' fees, costs, and expenses of every kind and however denominated) that Walgreens has asserted, could have asserted, or may assert in the future against the United States, the state of Georgia, the Commonwealth of Massachusetts and their respective agencies, officers, agents, employees, and servants, related to the Covered Conduct or the United States' investigation or prosecution thereof.

18. Walgreens fully and finally releases the Relators from any claims (including attorneys' fees, costs, and expenses of every kind and however denominated) that Walgreens has asserted, could have asserted, or may assert in the future against the Relators, related to the Covered Conduct and the Relators' investigation and prosecution thereof.

19. The Settlement Amount shall not be decreased as a result of the denial of claims for payment now being withheld from payment by any Medicare contractor (e.g., Medicare Administrative Contractor, fiscal intermediary, carrier), Georgia Medicaid, MassHealth, or any state payer, related to the Covered Conduct; and Walgreens agrees not to resubmit to any Medicare contractor, Georgia Medicaid, MassHealth, or any state payer any previously denied claims related to the Covered Conduct, agrees not to appeal any such denials of claims, and agrees to withdraw any such pending appeals.

20. Walgreens agrees to the following:

a. Unallowable Costs Defined: All costs (as defined in the Federal Acquisition Regulation, 48 C.F.R. § 31.205-47; and in Titles XVIII and XIX of the Social Security Act, 42 U.S.C. §§ 1395-1395lll and 1396-1396w-5; and the regulations and official

program directives promulgated thereunder) incurred by or on behalf of Walgreens, its present or former officers, directors, employees, shareholders, and agents in connection with:

- (1) the matters covered by this Agreement;
- (2) the United States', the state of Georgia's, and the Commonwealth of Massachusetts' audit(s) and civil investigation(s) of the matters covered by this Agreement;
- (3) Walgreens' investigation, defense, and corrective actions undertaken in response to the United States', the state of Georgia's, and the Commonwealth of Massachusetts' audit(s) and civil investigation(s) in connection with the matters covered by this Agreement (including attorneys' fees);
- (4) the negotiation and performance of this Agreement; and
- (5) the payments Walgreens makes to the United States, the state of Georgia, and the Commonwealth of Massachusetts pursuant to this Agreement and any payments that Walgreens may make to Relators, including costs and attorneys fees are unallowable costs for government contracting purposes and under the Medicare Program, Medicaid Program, TRICARE Program, and Federal Employees Health Benefits Program (FEHBP) (hereinafter referred to as Unallowable Costs).

b. Future Treatment of Unallowable Costs: Unallowable Costs shall be separately determined and accounted for by Walgreens, and Walgreens shall not charge such Unallowable Costs directly or indirectly to any contracts with the United States or any State Medicaid program, or seek payment for such Unallowable Costs through any cost report, cost

statement, information statement, or payment request submitted by Walgreens or any of its subsidiaries or affiliates to the Medicare, Medicaid, TRICARE, or FEHBP Programs.

c. Treatment of Unallowable Costs Previously Submitted for Payment:

Walgreens further agrees that within 90 days of the Effective Date of this Agreement it shall identify to applicable Medicare and TRICARE fiscal intermediaries, carriers, and/or contractors, and Medicaid and FEHBP fiscal agents, any Unallowable Costs (as defined in this paragraph) included in payments previously sought from the United States, or any State Medicaid program, including, but not limited to, payments sought in any cost reports, cost statements, information reports, or payment requests already submitted by Walgreens or any of its subsidiaries or affiliates, and shall request, and agree, that such cost reports, cost statements, information reports, or payment requests, even if already settled, be adjusted to account for the effect of the inclusion of the Unallowable Costs. Walgreens agrees that the United States, the state of Georgia, and/or the Commonwealth of Massachusetts, at a minimum, shall be entitled to recoup from Walgreens any overpayment plus applicable interest and penalties as a result of the inclusion of such Unallowable Costs on previously submitted cost reports, information reports, cost statements, or requests for payment.

Any payments due after the adjustments have been made shall be paid to the United States, the state of Georgia, and/or the Commonwealth of Massachusetts pursuant to the direction of the Department of Justice, the Georgia Attorney General's Office, the Massachusetts Attorney General's Office and/or the affected agencies. The United States, the state of Georgia, and the Commonwealth of Massachusetts reserve their right to disagree with any calculations submitted by Walgreens or any of its subsidiaries or affiliates on the effect of inclusion of Unallowable Costs (as defined in this paragraph) on Walgreens or any of its subsidiaries or affiliates' cost reports, cost statements, or information reports.

d. Nothing in this Agreement shall constitute a waiver of the rights of the United States, the state of Georgia, and/or the Commonwealth of Massachusetts to audit, examine, or re-examine Walgreens' books and records to determine that no Unallowable Costs have been claimed in accordance with the provisions of this paragraph.

21. This Agreement is intended to be for the benefit of the Parties only. The Parties do not release any claims against any other person or entity, except to the extent provided for in Paragraph 22 (waiver for beneficiaries paragraph), below.

22. Walgreens agrees that it waives and shall not seek payment for any of the health care billings covered by this Agreement from any health care beneficiaries or their parents, sponsors, legally responsible individuals, or third-party payors based upon the claims defined as Covered Conduct.

23. Upon receipt of the payments described in Paragraph 1, above, the United States, the state of Georgia, the Commonwealth of Massachusetts, and Relators shall promptly sign and file in the Civil Action a Joint Stipulation of Dismissal of the Civil Action pursuant to Federal Rule of Civil Procedure 41(a)(1). The Joint Stipulation of Dismissal shall state that: (1) all claims based on allegations described in the Covered Conduct are dismissed with prejudice as to the United States, the state of Georgia, and the Commonwealth of Massachusetts; (2) all other claims in the Civil Action against Walgreens shall be dismissed without prejudice as to the United States, the state of Georgia, and the Commonwealth of Massachusetts; (3) all claims in the Civil Action against Walgreens, shall be dismissed with prejudice as to the Relators, except for claims relating to Relators' attorneys' costs, fees, and expenses under 31 U.S.C. §§ 3730(d)(1) and (d)(2), which are reserved. Walgreens agrees that, as ordered by the Court or as agreed upon by the parties, it shall pay the reasonable attorneys' fees, costs, and expenses of Relator's counsel.

24. Except as will be otherwise agreed to by the separate agreement referenced in Paragraph 15 above, each Party shall bear its own legal and other costs incurred in connection with this matter, including the preparation and performance of this Agreement.

25. Each party and signatory to this Agreement represents that it freely and voluntarily enters into this Agreement without any degree of duress or compulsion.

26. This Agreement is governed by the laws of the United States. The exclusive jurisdiction and venue for any dispute relating to this Agreement is the United States District Court for the District of Massachusetts. For purposes of construing this Agreement, this Agreement shall be deemed to have been drafted by all Parties to this Agreement and shall not, therefore, be construed against any Party for that reason in any subsequent dispute.

27. This Agreement constitutes the complete agreement between the Parties. This Agreement may not be amended except by written consent of the Parties.

28. The undersigned counsel represent and warrant that they are fully authorized to execute this Agreement on behalf of the persons and entities indicated below.

29. This Agreement may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same Agreement.

30. This Agreement is binding on Walgreens' successors, transferees, heirs, and assigns.

31. This Agreement is binding on Relators' successors, transferees, heirs, and assigns.

32. All Parties consent to the United States', the state of Georgia's, and the Commonwealth of Massachusetts' disclosure of this Agreement, and information about this Agreement, to the public.

33. This Agreement is effective on the date of signature of the last signatory to the Agreement ("Effective Date of this Agreement"). Facsimiles and electronic transmissions of signatures shall constitute acceptable, binding signatures for purposes of this Agreement.
