AFFIDAVIT IN SUPPORT OF APPLICATION FOR CRIMINAL COMPLAINT

I, Special Agent Eric D. Poalino, having been sworn, state:

INTRODUCTION AND AGENT BACKGROUND

1. I am a Special Agent with the Federal Bureau of Investigation ("FBI") and have been since June 2021. I am currently assigned to the Boston Field Office, North Shore Gang Task Force ("FBI Task Force" or "NSGTF"). The primary mission of the FBI Task Force is to identify, investigate, disrupt, and dismantle violent criminal organizations operating in cities north of Boston. My responsibilities include the investigation of possible violations of federal law, including illegal possession/transfer of firearms, firearms trafficking, narcotics trafficking, and violent crimes involving firearms and narcotics trafficking. I have received training and experience in various aspects of criminal law and procedure, including electronic and physical surveillance, interrogations, stops, searches, seizures, and arrests for a variety of criminal offenses. Through my training, knowledge, and experience, I have become familiar with the habits, methods, routines, practices, and procedures commonly employed by persons engaged in the use and trafficking of illegal firearms and narcotics, including persons involved in criminal organizations. My investigations have included the use of surveillance techniques and the execution of search, seizure, and arrest warrants.

2. All dates, time and amounts set forth in this affidavit are approximate. Because this affidavit is being submitted for the limited purpose of securing the requested criminal complaint, I have not included each and every fact known to me concerning this investigation.

I. PURPOSE OF AFFIDAVIT

3. I make this affidavit in support of a criminal complaint charging KEITH HARLOW, A/K/A "LORD SAVAGE" (dob: xx/xx/1986) (hereinafter referred to as "HARLOW"), JONATHAN PERRY, A/K/A "PEAZY" (dob: xx/xx/2000) (hereinafter referred to

as "PERRY"), ANDREW POOR (dob: xx/xx/1995) (hereinafter referred to as "POOR"), and DANTE MACHUCA (dob: xx/xx/2000) (hereinafter referred to as "MACHUCA"), with the following criminal offenses.

4. For HARLOW, the following offenses:

   b. Count Two, Conspiracy to Distribute Controlled Substances, in violation of 21 U.S.C. § 846.

   c. Count Three, Conspiracy to Interfere with Commerce by Robbery on January 13, 2025, in violation of 18 U.S.C. § 1951(a); and

7. For MACHUCA, the following offense:

   a. Count Three, Conspiracy to Interfere with Commerce by Robbery on January 13, 2025, in violation of 18 U.S.C. § 1951(a).

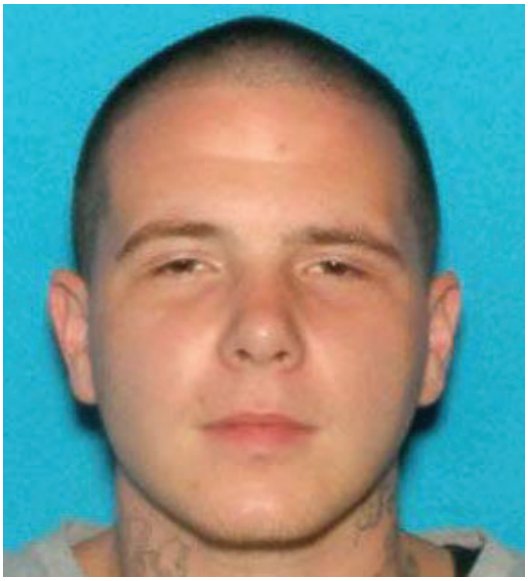

8. I know that under federal law, the term "firearm" "means (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device." *See* 18 USC § 921(a)(3).

II. PROBABLE CAUSE

A. KEITH HARLOW

9. I am familiar with KEITH HARLOW, A/K/A "LORD SAVAGE," who has a date of birth XX/XX/1986. I have reviewed Massachusetts Department of Corrections (DOC) records where he was formerly a prisoner. According to these documents, HARLOW is a suspected member of the Boyo Boys, Gangster Disciples, Almighty Vice Lord Nation ("Vice Lords"), and a formerly validated member of the Tiny Rascals Gang. I believe that HARLOW is now most significantly affiliated with the Vice Lords, and is known by his Vice Lord honorific, "Lord Savage." In particular, I believe that HARLOW is a member of the 4 Corner Hustlerz set of the Vice Lords based in the area of Worcester, Massachusetts.

10. A photograph of HARLOW from the Mass. RMV follows:

11. According to DOC records, HARLOW is currently on parole until February 1, 2027, for armed robbery related charges. I have reviewed HARLOW's criminal record. HARLOW has numerous felony convictions, and therefore, cannot legally possess a firearm, firearm muffler or firearm silencer. Furthermore, based on his record of felony convictions, HARLOW is not capable of holding a federal firearms license ("FFL"). I have further queried the

list of active FFLs in Massachusetts on the ATF website, and none were held by an individual named KEITH HARLOW, and none were listed as being located at HARLOW's residence on Unity Avenue in Athol, Massachusetts.

12. HARLOW is currently subject to a pending arrest warrant in relation to a criminal complaint issued in Orange District Court, Docket No. 2542CR000209, charging HARLOW with home invasion, armed assault in a dwelling, armed assault to rob, and other felony offenses related to a January 2025 home invasion taking place in Athol, Massachusetts. HARLOW is also subject to an active arrest warrant for violating the terms of his parole from state prison.

13. HARLOW's lengthy criminal history, includes but is not limited to, the following:

A. Middlesex Superior Court, Docket No. 1881CR00554, charging HARLOW with Armed Robbery, and Unarmed Robbery. HARLOW was convicted on 7/11/19 and sentenced to a term of 6 to 10 years in state prison.

B. Middlesex Superior Court, Docket No. 1881CR00526 charging HARLOW with Armed Robbery, Masked, Armed Assault with Intent to Rob, and Witness Intimidation. HARLOW was convicted on 7/11/19 and sentenced to a term of 6 to 10 years in state prison.

C. Westborough District Court, Docket No. 1867CR001135 charging HARLOW with Possession of a Class B Controlled Substance, to wit: Crack Cocaine. HARLOW was convicted on 12/7/18 and sentenced to 30 days.

D. Clinton District Court, Docket No. 1768CR000864 charging HARLOW with Possession of a Class A Controlled Substance. HARLOW was convicted on 12/7/18 and sentenced to 45 days.

E. Clinton District Court, Docket No. 1768CR000694 charging HARLOW with Resisting Arrest. HARLOW was convicted on 12/7/18 and sentenced to 45 days.

14. HARLOW also has a lengthy juvenile criminal record for which he was sentenced to state prison terms. The offenses and counts were A&B with a dangerous weapon (knife), armed assault to rob, to wit: a 60+ year old victim, armed robbery, armed robbery, armed assault to rob, and A&B with a dangerous weapon, to wit: knife resulting in serious bodily injury, respectively.

HARLOW was convicted and adjudicated a youthful offender on 11/9/04 and sentenced to a term of 8 to 10 years in state prison.

B. JONATHAN PERRY

15. I am familiar with JONATHAN PERRY, a/k/a "Peazy," who has a date of birth XX/XX/2000. A photograph of PERRY from the Mass. RMV follows:

16. I have reviewed PERRY's criminal record. PERRY has numerous felony convictions, and therefore, cannot legally possess a firearm. PERRY's lengthy criminal history, includes, but is not limited to, the following:

a. Middlesex Juvenile Court, Docket No. 17YO0006, charging PERRY with Manslaughter. PERRY was convicted and found to be a youthful offender on 6/22/2020 and sentenced to 2 years suspended, with 6 months to serve. On 10/25/22, PERRY was found in violation of his probation and sentenced to 6 months.

b. Peabody District Court, Docket No. 1886CR00197, charging PERRY with Assault and Battery. PERRY was found guilty on 12/21/18, and sentenced to 1 year, with 90 days to serve.

c. Lowell District Court, Docket No. 2211CR003495, charging PERRY with Assault and Battery (Domestic). PERRY was found guilty on 12/7/23 and

placed on probation. PERRY violated probation and on 6/28/2024, was sentenced to 18 months.

d. Quincy District Court, Docket No. 2456CR00738, charging PERRY with Stalking and Assault Dangerous Weapon, to wit: motor vehicle. PERRY was found guilty on 8/5/24 and sentenced to 9 months.

e. Quincy District Court, Docket No. 2456CR00693, charging PERRY with Assault and Battery by Means of a Dangerous Weapon, and Assault and Battery (Domestic). PERRY was found guilty on 8/5/24, and sentenced to probation until 1/20/2026.

f. Lowell District Court, Docket No. 2456CR02466, charging PERRY with Assault and Battery by Means of a Dangerous Weapon, and Assault and Battery. It appears that PERRY was found guilty at arraignment on 8/20/24, and the conviction was placed on file.

17. PERRY was recently arrested on May 29, 2025, in relation to a probation violation warrant for Docket No. 2456CR000693 and is believed to currently be in state custody.

C. ANDREW POOR

18. I am also familiar with Andrew POOR who has a date of birth XX/XX/1995. I do not know POOR to be in a gang nor does he have a criminal record. In fact, POOR was the holder of a License to Carry (LTC) in the State of Massachusetts that allowed him to legally purchase and possess handguns.

19. POOR was arrested on May 29, 2025, in relation to the January 2025 home invasion described below and is believed to be in state custody.

D. DANTE MACHUCA

20. I am also familiar with Dante MACHUCA, who has a date of birth XX/XX/2000. I do not know MACHUCA to be in a gang nor does he have a criminal record.

21. MACHUCA was arrested on May 29, 2025, in relation to the January 2025 home invasion described below and is believed to be in state custody.

E. APRIL 16, 2025, CONTROLLED PURCHASE OF FIREARMS AND A SILENCER

22. On April 16, 2025, investigators came into possession of two semiautomatic pistols, a suspected 3D printed suppressor, and a suspected 3D printed "selector switch." I know based on the investigation that the firearms, suppressor and selector switch were in fact possessed by HARLOW, and sold by HARLOW, prior to their recovery by FBI. HARLOW was captured on audio and video recording possessing the firearms, suppressor, and selector switch prior to transferring possession of them. The controlled purchase was subject to digital surveillance by investigators who monitored the recording as it was being generated and physical surveillance.

23. Prior to the transaction, an associate of HARLOW, whose identity is known to me and who I will refer to as CC-1, made contact with HARLOW in order to arrange the sale of firearms. CC-1 obtained photographs from HARLOW that depicted firearms and 3D printed “silencers” and machine gun conversion devices referred to as “switches” that HARLOW intended to sell. Those photographs of the firearms were ultimately provided to investigators. The photographs follow:

24. Investigators learned that HARLOW planned to sell the firearms, silencer and machinegun conversion device at a location in Arlington, MA, on April 16, 2025. Investigators set up surveillance.

25. At approximately 5:54 PM, on April 16, 2025, investigators observed a vehicle park at the location in Arlington, MA, with two occupants. Several minutes later, CC-1 exited a nearby residence and entered the vehicle. Shortly thereafter, a gray Kia Forte arrived that was observed by investigators to be driven by HARLOW. HARLOW parked the vehicle, exited, and then HARLOW entered the vehicle with CC-1 and two other occupants. A recording device was present in the vehicle and captured the conversation.

26. HARLOW proceeded to discuss the firearms he intended to sell and the 3D printed parts that he had made. HARLOW proceeded to explain how the "switch" fits into the gun. HARLOW also stated that if the "switch" was not long enough to work effectively, he could make a longer one, implying he personally manufactures them. During the conversation, HARLOW exchanged the firearms, selector switch, magazines and suppressor for an amount of U.S. currency

with the occupants of the vehicle. HARLOW explained in detail the process by which a selector switch can be installed into a firearm turning it into a firearm.

27. A photo of HARLOW providing instructions and pointing to the location on the firearm where the selector switch is to be installed, follows:

28. HARLOW mentioned that at least one of the guns was registered and directed that the serial number be obliterated. HARLOW also provided instructions on how to order a threaded barrel to accommodate the suppressor he had just sold.

29. At approximately 6:20 PM, HARLOW and CC-1 departed in HARLOW's vehicle. The vehicle and was followed under surveillance, stopped and the firearms obtained by the occupants were seized. A photograph of the seized items sold by HARLOW follow, which

includes two pistols, a 3D printed suppressor, and 3D printed machine gun conversion device (top right corner) follows:

30. Of note, the suspected suppressor/silencer was embossed with the words "TAXATION IS THEFT!"

31. I examined the firearms which had intact serial numbers on the receivers. The serial numbers were PBD8205 for one firearm and FXJ0645 for the second firearm.

a. The firearm bearing serial number PBD8205 was registered to ANDREW POOR, who purchased it on 3/11/2025 from Black Label Guns in Fall River, MA. The gun was not reported stolen.

b. According to the E-Trace report, the firearm bearing serial number FXJ0645 was originally purchased in Brattleboro, VT originally and would have traveled across state lines to reach the location where HARLOW possessed it in Arlington, Massachusetts.

32. I am aware that "selector switches" are machinegun conversion devices and can be affixed to certain firearms in order to convert those firearms into a machinegun, that is they become capable of firing multiple rounds through the single function of a trigger. As a result, a "selector switch" or machinegun conversion device is encompassed by the legal definition of "machinegun" because it is a "part designed and intended solely and exclusively, or combination of parts designed and intended, for use in converting a weapon into a machinegun." 28 U.S.C. § 5845(b).

33. I am also aware that as a felon, HARLOW is prohibited from possessing firearms and machineguns and also is incapable of holding a license to deal or manufacture firearms.

F. JANUARY 13, 2025, HOME INVASION IN ATHOL, MASSACHUSETTS

34. As noted above, one of the firearms purchased from HARLOW on April 16, 2025, was purchased by ANDREW POOR. Investigators reviewed historical information concerning ANDREW POOR and determined that POOR was identified in an Athol Police Report in connection with a home invasion taking place on January 13, 2025.

35. In particular, I have obtained and reviewed Athol Police Department (APD) incident report 25-22-OF from January 13, 2025. On that date officers responded to a reported home invasion. I have replaced the names of witnesses and victims with pseudonyms in CAPIAL in order to protect their identities. The report can be summarized as follows:

a. *On Monday, January 13, 2025, I, Athol Police Officer Paul Forand was working uniformed patrol from 3pm to 11pm assigned to marked cruiser 22-1 on the downtown (A3) beat. The following is a summary of the incident.*

b. *At approximately 8:53pm, Athol Dispatch received an E911 call from WITNESS-1 reporting a disturbance at 263 South Street. WITNESS-1 reported there was a fight between his neighbors. WITNESS-1 also reported that a firearm was shown and parties were running down the road towards Freedom Street. Officer Cody Vitols, Officer Steve Adams, Sergeant Randal Stange and I responded.*

c. *Upon arrival, Officer Vitols was met by VICTIM-1 who was standing in South Street and Freedom Street intersection. VICTIM-1 was out of breath and yelling that the parties involved drove down the road. VICTIM-1 was pointing down South Street towards Pine Street. When asked, VICTIM-1 stated it was a newer model large black SUV. As Officer Vitols was approaching the scene, he saw a newer model black Chevrolet Tahoe driving on South Street towards Pine Street. I radioed to Officer Adams and Sgt. Stange to check the area for the vehicle.*

d. *Officer Vitols and I went to VICTIM-1 's residence. It should be noted that the residence is a duplex with 265 South Street on the left side and 263 South Street on the right side. After briefly speaking with VICTIM-1, he stated three (3) men (1 hispanic and 2 white men) broke into his house with guns and fired rounds. After learning this information, I requested dispatch issue a regional broadcast BOLO.*

e. *Officer Vitols and I approached the residence and made contact with JN who had already entered. VICTIM-1 was standing in the entry way at the bottom of the stairs holding his left side area. I also observed WITNESS-2 sitting on the living room couch and WITNESS-3 standing on the stairs. WITNESS-3 was standing at the top of the stairs. The parties inside the residence stated the men that broke in shot bullets in the apartment. Upon further questioning, the parties stated one of the men shot one around in the entry way near the bottom of the stairs. I then located a a spent brass casing on one of stairs a few up from the bottom. I also located a small hole in the wood floor at the bottom of the stairs that appeared to have entered at an angle. It also appeared to have occurred recently as there were wood splinters around it. After finding the casing and the hole in the floor, an officer was in that area the entire time ensuring it was not disturbed.*

f. *I asked if anyone was injured to which everyone stated no except for VICTIM-1. VICTIM-1 lifted his shirt showing a red circular mark on his left side (see image). I also observed a round imprint on the outside of his white shirt in the same area as the red mark. Within the round imprint, there was another round black mark. The combinations of the imprints are consistent with the barrel of a gun being pushing into VICTIM-1's side after being fired. There was no hole in the shirt so the red mark is consistent with a burn wound. It should be noted that after a firearm is fired, the barrel becomes very hot due to the explosion of the round. It should also be noted that after a firearm is fired, there is normally a discharged of black powder that is pushed out the barrel. During this reaction, it is normal for some of the black powder to remain on the end of the barrel. Due to the observations I made and the knowledge of how firearms work, VICTIM-1's injuries are consistent with having a barrel of a fired firearm pressed into him.*

g. When asked if there was anyone else in the apartment, WITNESS-4 stated her son, WITNESS-5 was upstairs. Due to the report of shots being fired, officers proceeded upstairs to check on WITNESS-5 to ensure he was not injured. WITNESS-5 was unable to be located but the window in the bedroom was open, as if someone jumped out the window. WITNESS-5 was later located walking on South Street. I asked him why he jumped out of the window and he stated he though the residence was being raided by the police. WITNESS-5 walked back to the scene and spoke with Officer Vitols. WITNESS-5 stated he did not hear any of the disturbance as he jumped out of the window as soon as the suspect men started knocking on the door.

h. I made contact with Detective Sergeant Doug Kaczmarczyk and briefed him on the incident. Det. Sgt. Kaczmarczyk stated he would be responding to the scene. I then made contact with State Police Troop C Duty Lieutenant and requested Crime Scene Services and Ballistics. At approximately 8:30pm State Police Ballistics Troopers Christopher Lopilato and Blake Bearden arrived on scene. At approximately 8:38pm, State Police Crime Scene Services Trooper Jeff Sheldon arrived on scene. The scene was photographed and examined by the Troopers. The brass shell casing was photographed and collected. A small section of the wood floor at the base of the stairs was cut open. Troopers located a bullet which was photographed and collected. Both the casing and the bullet were secured by the Troopers and taken to the ballistics lab for further testing. I collected VICTIM-1's shirt and entered it into evidence.

i. Det. Sgt. Kaczmarczyk and I briefly interviewed VICTIM-1 in the kitchen of the residence. VICTIM-1 stated he and his girlfriend, VICTIM-2, were in their room on the second floor when they heard knocking on the front door. VICTIM-2 went downstairs to find three (3) men opening the front door. VICTIM-2 was pushed onto the stairs and was being pushed and hit by the suspect men. JN heard the commotion and ran down the stairs. VICTIM-1 stated he grabbed VICTIM-2 and pushed her up the stairs and away from three suspect men. I asked VICTIM-1 to describe the male parties.

j. JN then described the first male, who will be referred to as Suspect 1. Suspect 1 was as a hispanic male with brown eyes and a wide nose. VICTIM-1 described him to have a "chubby" face and an imprints on his nose as if he normally wears glasses. VICTIM-1 also stated he knows who this party was but could not think of his name. VICTIM-1 stated if he had his phone, which FS previously took, he could provide the name. VICTIM-1 went on to further state that Suspect 1 was close friends with Mr. ANDREW POOR and that they live near the high school in Athol. VICTIM-1 stated he thought the black SUV the males fled in was POOR's girlfriend's SUV. VICTIM-1 did not know POOR's girlfriend's name. VICTIM-1 stated the gun that Suspect 1 was holding had a black slide with gray under it.

k. VICTIM-1 then described the second male, who will be referred to as Suspect 2. Suspect 2 was a white male, shorter, with blue eyes and a "chubby" face. VICTIM-1 stated he though Suspect 2 was the "leader" as he was doing most of the talking and decision making.

l. VICTIM-1 only could describe the third male, referred to as Suspect 3, as a white male.

m. VICTIM-1 described all three males to be wearing black masks, black jackets, black pants, black boots, and black gloves. VICTIM-1 also stated all three males were holding handguns.

n. VICTIM-1 stated the men were yelling "Where's Steve" repeatedly. VICTIM-1 yelled back that no one named Steve lived at the residence. VICTIM-1 stated the three men began yelling that they had the wrong house repeatedly. JN then grabbed onto Suspect 1's gun and tried to turn it around on him. VICTIM-1 stated he could tell it was a real gun by how heavy it was. At that time, Suspect 2, who VICTIM-1 stated appeared to be the "one in charge," pointed his gun at the ground and fired a round. VICTIM-1 stated the three males ran out of the house and he chased them to their vehicle. VICTIM-1 stated they got into a newer model large black SUV that was parked on Freedom Street near the South Street intersection.

o. After all police units cleared the residence, officers returned to the police station to further conduct an investigation. A check of in-house records showed that Mr. DANTE MACHUCA was likely the hispanic male (Suspect 1) that was friends with POOR. On January 3, 2025, Officers made contact with MACHUCA at POOR's residence[,] in Athol in reference to a missing persons complaint. Officers also observed a 2021 black Chevy Tahoe, bearing at the residence that POOR stated he drove regularly.

p. On Tuesday, January 14, 2025, I was assisted by the Northwestern District Attorney's Anti-Crime Task Force (NDATF) with the investigation. A canvas was conducted around the incident location and suspect's residence. Numerous security cameras were checked. A security camera on Freedom Street shows the suspect vehicle parking at the intersection of Freedom Street and South Street at approximately 8:47pm the night of the incident. No other security camera video shows the suspects or suspect vehicle during or prior to the incident.

q. I then reviewed security camera video from a residence on Carbon Street showing a newer model black SUV turning from Carbon Street onto Tunnel Street at a high rate of speed with no lights on. The video sent by the homeowner is not time stamped but it was consistent with the time line of just after the incident when I reviewed it. I then reviewed a security camera video from a residence on Sanders Street which shows a newer model black SUV

traveling at a high rate of speed with its lights on. No other security camera videos were able to be obtained or located of the vehicle after that. It is suspected, based on the investigation and video, that the suspect vehicle passed Officer Vitols on South Street, turned right onto Pine Street, turned left on Carbon Street, turned right on Tunnel Street, then continued down Sanders Street.

r. A security camera video shows the suspect vehicle leaving Mcgregor Street just after 8 pm on the night of the incident. No security cameras in the area show the suspect vehicle returning that night.

s. On January 15, 2025 hours, VICTIM-1 arrived at the station at my request for a photo lineup. It should be noted that the State Police Fusion Center previously complied photos of both POOR and MACHUCA for photo lineup purposes. I complied eight (8) photos and placed each photo in a separate folder. Following State Police recommendations, two (2) black folders were added to the back of the pile. The purpose of the blank folders allows for the folders to be shuffled upon a request of the subject to view the photos a second time. This procedure allows for the subject to pick the same person twice by their actual photo rather than by remembering the original order of the photos.

t. I explained to Officer Zachary Duguay (who was not working the night of the incident and has no involvement in the investigation) how the photo lineup was to be conducted. Officer Duguay was unaware of the suspects, the order of the photos, or any other information pertaining to the suspects. Officer Duguay read the instructions to VICTIM-1 and conducted the photo lineup. VICTIM-1 was given one (1) folder at a time and due to the positioning of the room, Officer Duguay was unaware of what photo VICTIM-1was viewing. VICTIM-1requested to see the images again. Officer Duguay shuffled the stack of folders and again provided one (1) at a time. VICTIM-1 identified MACHUCA's photo as one of the potential suspects. VICTIM-1wrote the following on MACHUCA's photo after signing it: "This might be a potential suspect, but I cannot say for sure 100%." The same procedure was done for Poor's photo lineup. VICTIM-1 identified POOR's photo but stated he was not present in his residence during the incident.

36. Investigators have interviewed multiple witnesses to this home invasion, including CW-1 and CW-2, who were percipient witnesses to the home invasion.

a. CW-1 and CW-2 stated that HARLOW, MACHUCA and POOR were the three suspects who conducted the home invasion of VICTIM-1 on January 13, 2025.

b. CW-1 and CW-2 informed investigators that HARLOW handed out masks and firearms to POOR and MACHUCA prior to the January 13, 2025, home

invasion. CW-1 and CW-2 stated that HARLOW provided the three guns used by HARLOW, MACHUCA and POOR during the home invasion on January 13, 2025.

c. CW-1 and CW-2 also informed investigators that HARLOW is the individual who discharged the firearm during the struggle with VICTIM-1 inside of VICTIM-1's residence.

d. According to CW-1 and CW-2, the January 13, 2025, home invasion was undertaken in order to rob VICTIM-1 and VICTIM-1's associates of drugs and drug proceeds.

G. SEARCHES ON MAY 29, 2025

37. On May 29, 2025, investigators executed a series of search warrants related to this investigation. In particular, investigators searched the residence of KEITH HARLOW on Unity Avenue in Athol, Massachusetts. HARLOW was not present at the time of search and as of the submission of this affidavit remains in warrant status.

38. During the search, investigators discovered a weapons manufacturing facility and located numerous items and paraphernalia associated with the manufacture of firearms and firearms accessories. Among the items recovered during the search were the following:

a. Multiple 3D Printers and rolls of printer filament;

b. Numerous firearm receivers, suppressors, and parts;

c. Multiple machinegun conversion devices, commonly known as "selector switches";

d. Records and receipts for the purchase of filament and other supplies used in the 3D printing of firearms; and

e. Approximately 100 grams of a white substance that field tested positive for cocaine.

39. Following the search, ATF agents conducted an initial examination of the seized items from Unity Ave and determined at least 10 of the receivers qualified as firearms. Further inspection by investigators determined that HARLOW was manufacturing numerous different

types of firearms to include rifle parts, Polymer 80 receivers which are similar to Glock pistols, FN Five-SeveN receivers, and both the upper and lower receiver for an FGC-9. FGC-9 stands for "Fuck Gun Control" and the "9" refers to its 9mm caliber. The FGC-9 was designed to be a fully 3D printable firearm so that builders of the gun could circumvent the purchase of controlled firearms parts.

40. Photographs depicting some of the items seized from HARLOW's residence on Unity Avenue in Athol, Massachusetts follow:

H. SEARCH OF PERRY'S PHONE

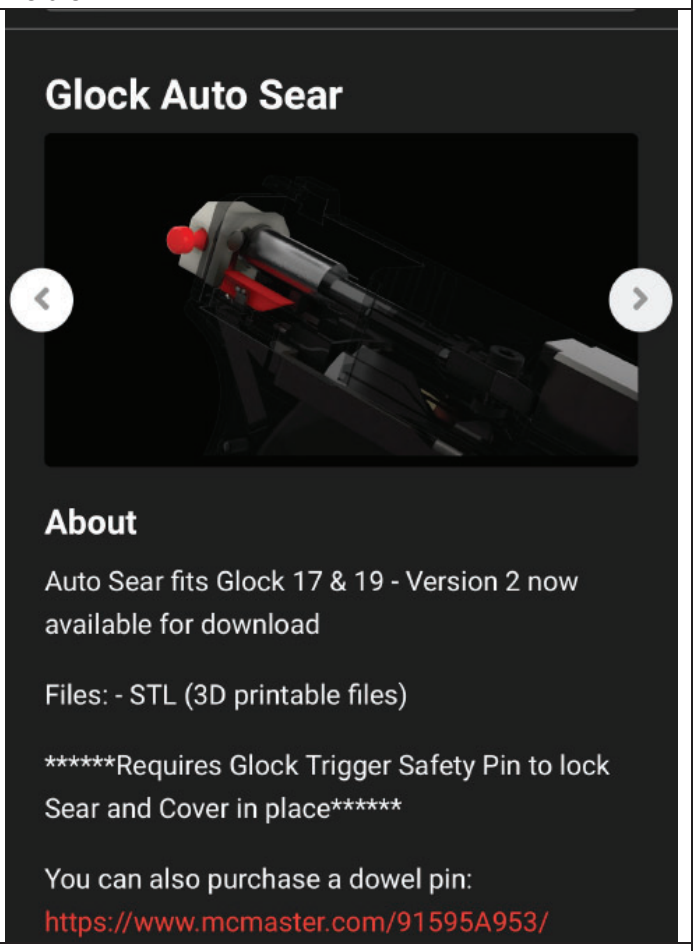

41. On May 29, 2025, PERRY was arrested on state offenses and a federal search warrant was executed to seize and search his cellular phone. The search of PERRY's cellular phone revealed extensive evidence of drug trafficking, and firearm possession and use.

1. Text Messages

42. One set of text messages recovered from PERRY's phone were standard text messages between PERRY and HARLOW. Pertinent portions of those text messages follow:

a. During one portion of the text message conversation on February 7, 2025, HARLOW asks PERRY how much a machinegun conversion device would sell for ("I forgot to ask you what switches go for"). HARLOW then sends an image depicting a "Glock Auto Sear" 3D printer file, which is set forth below. HARLOW then tells PERRY that he 3D prints machinegun conversion

devices and lower receivers for firearms ("I print them and lower receivers"). HARLOW then sends a series of images depicting body armor plates, and firearm receivers.

b. Another portion of the conversation on March 1, 2025, involved controlled substances. HARLOW tells PERRY that he is getting $250 for an amount of drugs that he refers to as a "basket" and then sends a picture of fingers holding a white substance in a small bag, which is consistent with cocaine or cocaine base. PERRY responds that he is not sure if that is a good price ("Idk if that's good numbers"). HARLOW responds that he pays $70 for an eight-ball of cocaine, which equates to 3.5 grams and sells that amount for $250 ("I pay $70 a ball sell it for 250").

c. In another portion of the text message conversation on March 3, 2025, HARLOW and PERRY discuss firearms. Specifically, HARLOW tells PERRY that he needs PERRY to sell a firearm for him ("I need you to get rid of a hammer for me today"). PERRY asks how much HARLOW is trying to sell it for ("Hm u tryna jug it for") and asks what the minimum price HARLOW will take, so that PERRY can add a small amount to the price and earn some for himself during the deal ("What's least u want for it ima obviously tax more if I can and get u more but what do I not go under for numbers"). HARLOW asks PERRY which firearm PERRY wants ("What's that one you want"), and HARLOW responds that he wants a Fabrique National 5.7 firearm ("Fn 5.7"). HARLOW responds that PERRY should inform him when PERRY has the money and HARLOW will get one of those

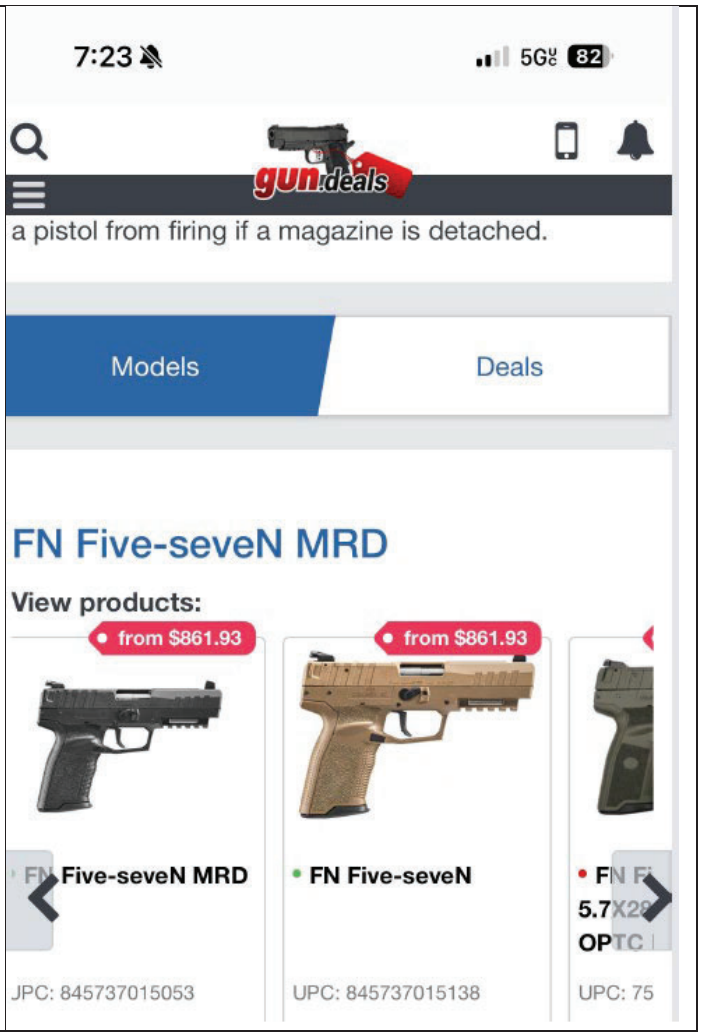

firearms as well ("Let me know when you get the bread for it I'm gonna get one to").

d. A few hours later, HARLOW sends PERRY a screen capture of what appears to be website listing the 3D printer download file that is used to 3D print a magazine for a Fabrique National 5.7 forearm. HARLOW then sent a series of screen captures of FN 5.7 firearms for sale. PERRY responds that the amount of bullets that the magazine can carry will matter in Massachusetts, because of the high-capacity laws apply to magazines that contain over 10 rounds ("Yea they got the standard 10 cause anything in mass over 10 is high high capacity that's when charges getting bumped from 18-2.5 months to 2.5-10 I just beat that shit like 2 years ago for my other gun charge I beat").

e. Shortly after the exchange about the FN magazine, PERRY and HARLOW discuss assaulting someone. Specifically, HARLOW tells PERRY that he is still looking for an individual and waiting for information about the individual's address ("I'm still looking for this nigga I'm waiting for a addy"). HARLOW asks PERRY if he will accompany him to confront the individual ("your gonna ride out with me when the time comes"). PERRY responds that he feels like the individual in fact slapped him as well and that the individual has no idea what is in store ("I feel like that nigga just slapped me nbs he don't even realize what he did"). PERRY explains that once he obtains some money, he will get some controlled substances and sell them ("once my shit drop ima grab mad twerk once I flip the shit like 1 time and got the motion together") and then obtain a residence, a firearm, and vehicle ("ima grab crib pipe new car"). HARLOW responds that he needs to obtain some money and obtain more drugs ("working on it I just need to come up worth the bread", "need to figure up my re up I'll have most of it but might be a little short"). PERRY replies that if he is provided with the FN firearm that they have been discussing that PERRY will conduct the shooting of the individual himself ("Get them 5.7 I'll do it myself"). HARLOW asks PERRY if he had money right now, whether PERRY could obtain pills immediately ("If you had the bread you could pick up the ps right now"). PERRY replies that he could obtain them immediately, specifically stating that he will pay less per pill the larger the amount he obtains: if 100 pills then $100; if 1,000 then $800 to $750; if 10,000 or more pills then .60 cents per pill and less ("Yes I can get any amount less I buy more I'll pay though like on 100[0] ps I'll probably pay 100 on 100 I'll probably pay like 800 or 750 10k plus I can get it like .60 n under").

f. A few days later, the conversation continued on March 12, 2025. During this portion of the conversation, HARLOW asks PERRY for the price of counterfeit Adderall pills containing methamphetamine ("I need to know the price on Addie's that are pressed asa0"), specifically if he were to get 100 pills ("How much a piece for them if I get 100"). PERRY responds that the price would be $200 or $2 per pill ("200", "$2 a piece"). PERRY indicates that if HARLOW gets a larger amount the prices goes down ("Yea but if you grab bigger packs it's less ofc") and that he get them as low as .75 cents ("I can get it for .75 if we grab enough"). HARLOW then states that his source of supply is able to obtain them for .50 cents per pill if the amount if sufficient, and HARLOW has ordered 1,000 ("This nigga said he can get them at .50 a piece if we get a lot I said I'll take 1000 right now"). PERRY then indicates the quality can vary and that they will get what they pay for – he indicates a source is selling high-quality pills for .90 cents each ("The ones I grab are good I can get you then for .10 but they won't be good I can get them for .90 and they be the best around"). HARLOW responds that he wants some of the .90 cent pills and asks if it is obvious the pills contain methamphetamine ("So I'll grab some for .90", "Can you tell if there meth or they can't tell"). PERRY responds that his source will not sell 100 pills for .90 cents each ("Yea but my

plug ain't serving 100 for .90"). HARLOW then states he will buy approximately 500 to 1,000 pills and asks if the customers will know they are counterfeit ("I'm not talking about a 100 I'll take 500-1000 but I need to know if I give them out will the people know it's meth and not the real Addie's"). The conversation continues, and HARLOW indicates that he has a customer who may not know the pills are counterfeit and contain methamphetamine ("I don't think they know"). PERRY then indicates that he will obtain counterfeit Percocet pills containing fentanyl ("blues") and will also obtain some counterfeit Adderall pills as well ("bouta grab some blues rn too and just get back on that game instead but I'll grab Addie's too n shit", "And I forget I think so the 20 or 30 I forget the circle orange ones"). HARLOW confirms that he wants to purchase 500 pills and has the cash, and that he is on his way with an eight-ball of cocaine ("I want to grab 500", "I got the bread", "I also brought a ball").

g. In another portion of the conversation on March 17, 2025, HARLOW and PERRY discuss drug distribution. HARLOW tells PERRY that he will bring him an ounce of cocaine but will need to meet in the area of Arlington, where their grandmother lives ("I'll bring you a zip but you're gonna have to meet me around grams somewhere."). PERRY asks if the price of $520 ("Like 520 around there?") and HARLOW responds that the price for the ounce of cocaine will be $550 ("I was saying about price but we said 550"). It appears that they did not make the delivery, as PERRY fell asleep ("fault bro I accidentally knocked out"). HARLOW then states he had the drugs on him ("I had it on me") and sends a picture of a white substance in a bag, which is consistent with cocaine or cocaine base.

k. In another part of the conversation, HARLOW and PERRY discuss committing violence against an individual who gave HARLOW 100 counterfeit pills. In particular HARLOW states that he will shoot the individual's residence ("That nigga gave me a fake 100 now I gotta shoot his crib up."). PERRY indicates that HARLOW should just integrate the fake pills with an amount real ones ("mix the 100 in with re mix it in between other 100 and you be smooth"). HARLOW then tells PERRY that if he is no longer available as a result of the shooting ("if something happens to me") that PERRY will deal with his wife and PERRY will receive drugs at the same price ("your gonna deal with my wife same numbers and everything nothing will change"). PERRY advises HARLOW to not even tell the individual that HARLOW knows about the counterfeit pills ("Don't even tell him you know", "Pretend you don't know"). HARLOW responds that it is too late for that, and HARLOW wants the individual to know that HARLOW is coming for him and will find him ("It's to late for all that he knows and I want him to know there's no where for him to go out here I'm gonna find him").

During one portion, they discuss having a drug customer steal the motorcycles and ATVs and paying him in drugs ("Have bro hit the bikes I grab that", "I'll give him 1g or maybe 2", ".3 for every bike he grab", "I want a raptor 700r"). They then discuss the amount of drugs to provide per motorcycle: 7 grams of cocaine base per motorcycle ("I'll give him 7 grams for it", "Snm gang he like hard already so if you give hard 7 bro will be gassed soft 7 good too that's what I do is soft he cook it up himself ", "Ima go text him that shit rn we needa hit that within 3 days nbs ima go in tomorrow act normal wed ima hit it"). HARLOW indicates he has some high-quality cocaine base that they can offer to the customer to conduct the thefts ("I got some fire hard right now got my old work back"). PERRY then explains the process for converting a stolen motorcycle into a street legal motorcycle by obtaining a new VIN that is used to obtain a rebuilt title through a contact who he has paid with drugs ("I gave him 200 and 1g he was happy", "call rmv u bought new bike with this and there's no title they'll set u up with new title cause a new vin number is on it feel me you got a stolen bike to a brand new bike not stolen for 1k most really like 600 most"). PERRY indicates that his contact can assist with getting a new VIN to rebuild the title and discusses how it was done with a stolen Jeep Trackhawk for $2,000 ("got a track hawk that stolen but we swapped the vins gets pulled all the time tho cause no inspection sticker cause the reader thing that plug into car still say old vin that say stolen once he switch that he said 2k to switch just that one nvm other ones then he green asf can sell it got title n everything").

A few days later, PERRY responds asking for the exact make and model firearm so that he can buy an untraceable barrel and firing pin ("Ima buy untraceable barrel n fire pin"). PERRY also asks if HARLOW can get a 30 round magazine for the firearm ("Can you get a 30 clip for it). PERRY then indicates that he has a buyer and quoted them a price of $1,100. They continue to discuss the terms that PERRY has arranged and HARLOW responds that he needs to manufacture the firearm ("I'll have to make it bro all I have to do is get a spring"). PERRY responds that he is "ready" and agrees that they will rob a particular individual ("Let's hit him", "Word let's do it"). PERRY then states that if they can rob the target of 5,000 counterfeit Adderall pills that they can quickly sell those pills the following day for $3,000 ("Plus if we get 5k Addie's I got a jug tm for 3k", "$3k"). HARLOW agrees and they confirm a date for that Sunday, which was April 20, 2025 ("Aight let's do it Sunday"). PERRY then confirms that HARLOW can gather 5,000 counterfeit Adderall pills, he has a buyer who will pay $3,000 per week ("Aight save the Addie's 5k every week is the jug").

PERRY then tells HARLOW that he will come see HARLOW at approximately 8:30 PM the following day to get another 200 to 400 worth of drugs ("ima slide that way later like 8:30 pick up another like 2-400"). PERRY then explains how he intends to repay the debt he owes HARLOW: he will provide HARLOW with all of his money and he understands that HARLOW will provide less drugs, but PERRY will require some amount of drugs to keep the money coming ("ima just give you every single thing in my pocket and give me less work like I'll slide you the zip bread give me only qtr and half so bread keeps getting taken off that too cuz I don't like to owe bro"). PERRY then explains that if he obtains $400 worth of drugs, then he will have $700 to pay to HARLOW the following day ("If it's 400 ima have 700 for you tm").

f. The conversation continues on April 21, 2025. PERRY states that he needs to see HARLOW and asks HARLOW to open a CashApp so PERRY can send HARLOW money. PERRY states that he is going to adulterate ("break whatever I get down") and sell .2 grams of cocaine for $60 and .40 grams for $100 (".2 for 60 .40 for 100"). PERRY then indicates that a drug customer has money, and he is trying to complete a sale ("she saying she got 100"). As they discuss logistics, PERRY sends HARLOW a photograph of a white substance, suspected to be cocaine, on a scale showing that it weighs 21 grams.

PERRY asks HARLOW to borrow a firearm immediately so that he can use it during the robbery that he expects will take place that day ("Lmk if you got any pipes I can use ima set some shit up today nbs"). HARLOW states he has already sold all the firearms he has and needs to buy more ("I sold them all I got a BB gun left till I can buy more"). PERRY then indicates that he is ready to set up someone and potentially kill them ("im ready to set up someone appt with god at this point"). PERRY then explains that he had drug sales the night before for cocaine, but could not complete them without the drugs ("had jugs last night for soft but couldn't hit it without the twerk"). PERRY also indicates that he had a pill customer as well, but the customer wanted counterfeit Adderall pills more than cocaine ("he said he fw the Addie's more then the soft").

PERRY states he needs more practice, and HARLOW replies that it is "eas[y]" and requires only a small sequence of touching certain wires ("5 wires two go together and then the 3 go together"). HARLOW tells PERRY that with a stolen motorcycle they can commit robberies together ("If you get a bike we can do some good licks"). PERRY then asks HARLOW to head over to where he is because he has a customer waiting on a 200 dollar sale ("you could head this way when you thinking just cause this nigga posted up with me waiting on you or the V", "Those 200 for this kid he over here posted waiting lmfaoooo").

j. On May 2, 2025, PERRY asks HARLOW for a firearm as soon as possible ("Lmk for that joint asap tho"). HARLOW replies that he is working on a couple firearms right now ("working on a couple right now I need to get"). HARLOW agrees that he will provide PERRY with a firearm and then reiterates that he needs to hit a robbery ("I got you I need to hit a decent one"). PERRY replies that he only will need a firearm ("pipe") and gloves ("gloves" "like thin mittens") and he will give HARLOW $50,000 in proceeds in one week ("I'll bring you 50k in one week"). PERRY reiterates that he is already wanted on a warrant and has every incentive to do more crimes ("I'm on some do or die already got a W I'm ready to go crazy"). HARLOW replies that PERRY should calm down because he is only wanted on a warrant for a minor offense ("All that's gonna do is make shit way worse", "You have a light W"). PERRY responds that he will commit the robberies with skill, but needs a specific type of glove to cover his hand tattoos and not get caught ("ima do it smooth need mittens for my hand tat I won't get caught"). PERRY states he will steal a fast car, remove the plates, commit multiple robberies in distant locations, and then dump the stolen car ("Plates off hit mad shit far apart fast and then ditch the car"). PERRY then will steal another car with switched plates, and ditch that vehicle near his residence ("another stolen V with different plates then ditch that at crib"). PERRY goes on to state that if he is going to fire the gun if he has to, and will need a 9mm firearm or .40 caliber, because he struggles with recoil ("If I gotta blow I'm gunna idc nbs so I need 9 most 40 too much recoil for me"). PERRY then describes his preference for a Glock 35 over other models.

PERRY tells HARLOW that he should install a laser aiming attachment in order to strike fear in the people he is aiming at ("Put lil beam on the front not even to be on point just so niggas know you aiming at them when you start blowing"). HARLOW responds that the firearm is large and required four hours to print ("That shit is big only took like 4 and some change hours"). PERRY responds that it needs to be big in order to hold the large 5.7 x 28 mm cartridges ("Gotta hold them 5.7 rounds gotta be big"). PERRY also suggests that HARLOW use superior quality filament ("Need the best plastic for it tho try to get official polymer"). HARLOW replies that the filament he uses is for pistols ("The one I got is for pistals").
