

SETTLEMENT AGREEMENT

This Settlement Agreement (“Agreement”) is entered into among the United States of America, acting through the United States Department of Justice and on behalf of the Office of Inspector General (OIG-HHS) of the Department of Health and Human Services (HHS) and the United States Department of Veterans Affairs (VA) (collectively, the “United States”), and Lundbeck LLC (hereafter collectively referred to as “the Parties”), through their authorized representatives.

RECITALS

A. Lundbeck LLC (“Lundbeck”) is a Delaware corporation with principal executive offices located in Deerfield, Illinois. Lundbeck manufactures and markets pharmaceutical products, including Xenazine. Xenazine is indicated only for treatment of chorea associated with Huntington’s Disease and, until a generic version became available in 2015, was the only drug specifically indicated to treat that disease.

B. The United States contends that Lundbeck caused to be submitted claims for payment for Xenazine to the Medicare Program, Title XVIII of the Social Security Act, 42 U.S.C. §§ 1395-1395lll (“Medicare”) and the Civilian Health and Medical Program of the Department of Veterans Affairs, 38 U.S.C. §§ 1781-1787 (“ChampVA”).

C. When a patient obtains a prescription drug covered by Medicare Part D or ChampVA, the patient may be required to make a payment, which may take the form of a “copayment,” “coinsurance,” or “deductible” (collectively “copays”). The Anti-Kickback Statute, 42 U.S.C. § 1320a-7b, prohibits pharmaceutical companies from paying remuneration to induce Medicare or ChampVA beneficiaries to purchase, or their physicians to prescribe, drugs that are reimbursed by Medicare.

D. Caring Voice Coalition (“CVC”), an entity claiming 501(c)(3) status for tax purposes, operated funds that paid the copays of certain patients, including Medicare patients.

E. The United States contends that it has certain civil claims, as specified in Paragraph 2 below, against Lundbeck for engaging in the conduct below during the period from October 1, 2011, through December 31, 2016 (hereinafter referred to as the “Covered Conduct”). Specifically, the United States alleges:

Lundbeck made donations to CVC and knowingly and willfully used CVC as a conduit to pay the copay obligations of Medicare and ChampVA patients taking Xenazine for unapproved uses. Lundbeck was the sole donor contributing millions of dollars to a “Huntington’s Disease” fund at CVC. Although this fund ostensibly provided financial support only for patients with Huntington’s Disease, Lundbeck, through its hub, the Xenazine Information Center (“XIC”), referred Xenazine patients with many other conditions to CVC. Until June 2014, CVC used money from Lundbeck to pay the Xenazine copays of these other patients through the Huntington’s Disease fund, which did not pay the copays of any drug other than Xenazine. In May 2014, HHS-OIG published a document entitled “Supplemental Special Advisory Bulletin: Independent Charity Assistance Programs.” After June 2014, and in response to HHS-OIG’s May 2014 bulletin, CVC determined that its Huntington’s Disease fund no longer would pay the copays of patients taking Xenazine for treatment of diseases other than chorea associated with Huntington’s Disease. At the same time, however, Lundbeck and CVC agreed that CVC would continue to pay the Xenazine copays for non-Huntington’s Disease patients out of a “general fund” that CVC could use for this purpose. In response to Lundbeck asking CVC whether there was a “risk” that HHS-OIG would not view this practice as compliant with CVC’s Advisory Opinion or the AKS, CVC replied “[t]hey don’t know what we use the general fund for.”

Lundbeck agreed that some funds it had already donated to the Huntington's Disease fund could be transitioned to this "general fund" for the purposes of paying Xenazine patients' copays.

Lundbeck also made subsequent "unrestricted" donations to CVC with the understanding that CVC would use those funds to pay for non-Huntington's Disease Xenazine patients copays.

Meanwhile, Lundbeck had a policy of not permitting Medicare or ChampVA patients to participate in its free drug program for Xenazine, which was open to other financially needy patients, even if those Medicare or ChampVA patients could not afford their copays for Xenazine. Instead, in order to generate revenue from Medicare and ChampVA and to induce purchases of Xenazine, Lundbeck, via XIC, referred financially needy non-Huntington's Disease Xenazine patients to CVC, which resulted in claims to Medicare and ChampVA to cover the cost of the drug.

As a result of the foregoing conduct, the United States contends that Lundbeck caused false claims to be submitted to Medicare and ChampVA.

F. In consideration of the mutual promises and obligations of this Settlement Agreement, the Parties agree and covenant as follows:

TERMS AND CONDITIONS

1. Lundbeck shall pay to the United States fifty two million six hundred thousand dollars (\$52,600,000), plus interest at a rate of 2.875% from June 6, 2018, through the day before full payment (the "Settlement Amount") no later than ten days after the Effective Date of this Agreement by electronic funds transfer pursuant to written instructions to be provided by the Office of the United States Attorney for District of Massachusetts. Of the Settlement Amount, \$26,300,000 is restitution to the United States.

2. Subject to the exceptions in Paragraph 4 (concerning excluded claims) below, and conditioned upon Lundbeck's full payment of the Settlement Amount, the United States releases Lundbeck, together with its predecessors, and its current and former divisions, parents, subsidiaries, successors and assigns, from any civil or administrative monetary claim the United States has for the Covered Conduct under the False Claims Act, 31 U.S.C. §§ 3729-33, the Civil Monetary Penalties Law, 42 U.S.C. § 1320a-7a, the Program Fraud Civil Remedies Act, 31 U.S.C. §§ 3801-12, or the common law theories of payment by mistake, unjust enrichment, and fraud.

3. In consideration of the obligations of Lundbeck in this Agreement and the Corporate Integrity Agreement ("CIA") entered into between OIG-HHS and Lundbeck, and conditioned upon Lundbeck's full payment of the Settlement Amount, the OIG-HHS agrees to release and refrain from instituting, directing, or maintaining any administrative action seeking exclusion from Medicare, Medicaid, and other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) against Lundbeck under 42 U.S.C. § 1320a-7a (Civil Monetary Penalties Law) or 42 U.S.C. § 1320a-7(b)(7) (permissive exclusion for fraud, kickbacks, and other prohibited activities) for the Covered Conduct, except as reserved in this Paragraph and in Paragraph 4 (concerning excluded claims), below. The OIG-HHS expressly reserves all rights to comply with any statutory obligations to exclude Lundbeck from Medicare, Medicaid, and other Federal health care programs under 42 U.S.C. § 1320a-7(a) (mandatory exclusion) based upon the Covered Conduct. Nothing in this Paragraph precludes the OIG-HHS from taking action against entities or persons, or for conduct and practices, for which claims have been reserved in Paragraph 4, below.

4. Notwithstanding the releases given in paragraphs 2 and 3 of this Agreement, or any other term of this Agreement, the following claims of the United States are specifically reserved and are not released:

- a. Any liability arising under Title 26, U.S. Code (Internal Revenue Code);
- b. Any criminal liability;
- c. Except as explicitly stated in this Agreement, any administrative liability, including mandatory exclusion from Federal health care programs;
- d. Any liability to the United States (or its agencies) for any conduct other than the Covered Conduct;
- e. Any liability based upon obligations created by this Agreement;
- f. Any liability of individuals;
- g. Any liability for express or implied warranty claims or other claims for defective or deficient products or services, including quality of goods and services;
- h. Any liability for failure to deliver goods or services due; and
- i. Any liability for personal injury or property damage or for other consequential damages arising from the Covered Conduct.

5. Lundbeck waives and shall not assert any defenses Lundbeck may have to any criminal prosecution or administrative action relating to the Covered Conduct that may be based in whole or in part on a contention that, under the Double Jeopardy Clause in the Fifth Amendment of the Constitution, or under the Excessive Fines Clause in the Eighth Amendment of the Constitution, this Agreement bars a remedy sought in such criminal prosecution or administrative action.

6. Lundbeck fully and finally releases the United States, its agencies, officers, agents, employees, and servants, from any claims (including for attorney's fees, costs, and expenses of every kind and however denominated) that Lundbeck has asserted, could have asserted, or may assert in the future against the United States, and its agencies, officers, agents, employees, and servants related to the Covered Conduct and the United States' investigation and prosecution thereof.

7. The Settlement Amount shall not be decreased as a result of the denial of claims for payment now being withheld from payment by any Medicare contractor (*e.g.*, Medicare Administrative Contractor, fiscal intermediary, carrier) or any state payer, related to the Covered Conduct; and Lundbeck agrees not to resubmit to any Medicare contractor or any state payer any previously denied claims related to the Covered Conduct, agrees not to appeal any such denials of claims, and agrees to withdraw any such pending appeals.

8. Lundbeck agrees to the following:

a. Unallowable Costs Defined: All costs (as defined in the Federal Acquisition Regulation, 48 C.F.R. § 31.205-47; and in Titles XVIII and XIX of the Social Security Act, 42 U.S.C. §§ 1395-1395kkk-1 and 1396-1396w-5; and the regulations and official program directives promulgated thereunder) incurred by or on behalf of Lundbeck, its present or former officers, directors, employees, shareholders, and agents in connection with:

- (1) the matters covered by this Agreement;
- (2) the United States' audit(s), and any civil or criminal investigations of the matters covered by this Agreement;
- (3) Lundbeck's investigation, defense, and corrective actions undertaken in response to the United States' audit(s) and any civil or

criminal investigation(s) in connection with the matters covered by this Agreement (including attorney's fees);

(4) the negotiation and performance of this Agreement;

(5) the payment Lundbeck makes to the United States pursuant to this Agreement; and

(6) the negotiation of, and obligations undertaken pursuant to the CIA to: (i) retain an independent review organization to perform annual reviews as described in Section III of the CIA; and (ii) prepare and submit reports to the OIG-HHS,

are unallowable costs for government contracting purposes and under the Medicare Program, Medicaid Program, TRICARE Program, and Federal Employees Health Benefits Program ("FEHBP") (hereinafter referred to as "Unallowable Costs"). However, nothing in paragraph 8.a.(6) that may apply to the obligations undertaken pursuant to the CIA affects the status of costs that are not allowable based on any other authority applicable to Lundbeck.

b. Future Treatment of Unallowable Costs: Unallowable Costs shall be separately determined and accounted for by Lundbeck, and Lundbeck shall not charge such Unallowable Costs directly or indirectly to any contracts with the United States or any State Medicaid program, or seek payment for such Unallowable Costs through any cost report, cost statement, information statement, or payment request submitted by Lundbeck or any of its subsidiaries or affiliates to the Medicare, Medicaid, TRICARE, or FEHBP Programs.

c. Treatment of Unallowable Costs Previously Submitted for Payment: Lundbeck further agrees that, within 90 days of the Effective Date of this Agreement, it shall identify to applicable Medicare and TRICARE fiscal intermediaries, carriers, and/or contractors,

and Medicaid and FEHBP fiscal agents, any Unallowable Costs (as defined in this Paragraph) included in payments previously sought from the United States, or any State Medicaid program, including, but not limited to, payments sought in any cost reports, cost statements, information reports, or payment requests already submitted by Lundbeck or any of its subsidiaries or affiliates, and shall request, and agree, that such cost reports, cost statements, information reports, or payment requests, even if already settled, be adjusted to account for the effect of the inclusion of the Unallowable Costs. Lundbeck agrees that the United States, at a minimum, shall be entitled to recoup from Lundbeck any overpayment plus applicable interest and penalties as a result of the inclusion of such Unallowable Costs on previously-submitted cost reports, information reports, cost statements, or requests for payment.

Any payments due after the adjustments have been made shall be paid to the United States pursuant to the direction of the Department of Justice and/or the affected agencies. The United States reserves its rights to disagree with any calculations submitted by Lundbeck or any of its subsidiaries or affiliates on the effect of inclusion of Unallowable Costs (as defined in this Paragraph) on Lundbeck or any of its subsidiaries or affiliates' cost reports, cost statements, or information reports.

d. Nothing in this Agreement shall constitute a waiver of the rights of the United States to audit, examine, or re-examine Lundbeck's books and records to determine that no Unallowable Costs have been claimed in accordance with the provisions of this Paragraph.

9. This Agreement is intended to be for the benefit of the Parties only. The Parties do not release any claims against any other person or entity, except to the extent provided for in Paragraph 10 (waiver for beneficiaries paragraph), below.

10. Lundbeck agrees that it waives and shall not seek payment for any of the health care billings covered by this Agreement from any health care beneficiaries or their parents, sponsors, legally responsible individuals, or third party payors based upon the claims defined as Covered Conduct.

11. Each Party shall bear its own legal and other costs incurred in connection with this matter, including the preparation and performance of this Agreement.

12. Each Party and signatory to this Agreement represents that it freely and voluntarily enters in to this Agreement without any degree of duress or compulsion.

13. This Agreement is governed by the laws of the United States. The exclusive jurisdiction and venue for any dispute relating to this Agreement is the United States District Court for the District of Massachusetts. For purposes of construing this Agreement, this Agreement shall be deemed to have been drafted by all Parties to this Agreement and shall not, therefore, be construed against any Party for that reason in any subsequent dispute.

14. This Agreement constitutes the complete agreement between the Parties. This Agreement may not be amended except by written consent of the Parties.

15. The undersigned counsel represent and warrant that they are fully authorized to execute this Agreement on behalf of the persons and entities indicated below.

16. This Agreement may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same Agreement.

17. This Agreement is binding on Lundbeck's successors, transferees, heirs, and assigns.

18. All Parties consent to the United States' disclosure of this Agreement, and information about this Agreement, to the public.

19. This Agreement is effective on the date of signature of the last signatory to the Agreement (Effective Date of this Agreement). Facsimiles and electronic transmissions of signatures shall constitute acceptable, binding signatures for purposes of this Agreement.
