Subject: Medicare Numbers

Hi Denise –

I hope you had a fantastic holiday! As you requested, see below for updated numbers.

Current copay assisted patients at ACS: 3230 (broken down below)

Full Copay	3100
Partial Copay	130
Free Drug	720
(Potential LIS)	20

The number of approvals that were filling at other SPP's: 550 (latest number is unavailable at this time, I am attempting to get update, will let you know when I get an updated number)

Let me know if you need anything further or clarification.

Regards,

David Blanc | Director, Patient Assistance Programs | ACS, Inc.
