UNITED STATES OF AMERICA

v.

CASE NO. 8:18-cr-545-SDM-SPF

ALEXANDRU HABASESCU
_____ /

ORDER

The defendant allegedly developed a marketplace that offered more than 700,000 compromised credentials for sale. Because the United States demonstrates that the number of alleged victims “makes it impracticable to accord all of the crime victims the rights described in” 18 U.S.C. § 3771(a), the United States moves (Doc. 34) under 18 U.S.C. § 3771(d)(2) for authorization to notify the alleged victims by alternative means. The motion (Doc. 34) is **GRANTED**. The United States is authorized to notify the victims in accord with the procedure detailed in pages two and three of the motion.

ORDERED in Tampa, Florida, on December 29, 2022.
