

PER-229-1

The **National Center for Biomedical Research and Training (NCBRT)** at **Louisiana State University** invites you to join us for a unique training opportunity. The NCBRT is offering the following Department of Homeland Security (DHS) certified course:

Introduction to Computer-Aided Management of Emergency Operations (CAMEO) Suite (PER-229-1) *Train-the-Trainer*

This course provides training on the fundamental elements of the CAMEO Suite of programs as they relate to emergency situations. As such, it includes detailed technical information and hands-on practice of critical elements in the CAMEO system and its associated programs (CAMEO Chemicals, CAMEOfm, ALOHA and MARPLOT). To better understand how the programs interface, participants are provided opportunities to practice key procedures that allow users to enhance planning and response activities associated with community risks. These exercises clarify the connections between the programs and how they can enhance emergency planning and response activities.

Professional Disciplines: Emergency Management Agency, Emergency Medical Services, Fire Service, Healthcare, Law Enforcement, Public Health, Public Safety Communications, Public Works

The target audience for the **Train-the-Trainer** version of this course is established trainers/instructors in academies, agencies or departments who are seeking to train participants by teaching the Indirect version of this course using materials provided by NCBRT.

NCBRT
National Center for Biomedical
Research and Training
Academy of Counter-Terrorist Education
at Louisiana State University

Date: October 12-15, 2015

Time: 8:30 AM - 4:30 PM Daily
