

Regarding Omar Mateen's Activities I, Noor Salman want to provide the following information:

N.S. For the last 2 yrs Omar has been looking at N.S. Jihad websites on his computer almost everyday.

N.S. For the last 2 yrs Omar has been angry and vocal about what happens to Muslims in the Middle East. Saying things like "why is it ok for Muslims to die but when a Muslim kills people in America they are attacked?"

N.S. Omar would make statements in front of me regarding "where N.S. would be next & attack terrorist) make a big splash."

N.Y.  
Omar sometimes watched violent Jihad videos on a computer in front of my son, Zakaniaya and I would remove my son because I didn't want him watching those videos. I would tell Omar to turn off the computer but he refused.

N.Y. Omar purchased a rifle about 4 days ago and placed it in the trunk of the car and that is where I saw it. When I ask him "what is that" he became upset, covered and told me not to say anything to anybody. He then stated that it was for work.

OMAR put me as a  
beneficiary on his  
checking and savings  
account 2 or 3 weeks  
ago (PNC BANK). He said  
he was doing this in  
case something happened  
to him.

ON Saturday, June 12,  
2016 at about 5 pm  
OMAR took his handgun  
from the closet, put it ~~in~~<sup>in</sup>  
in his holster, cover it  
with his shirt and said  
he was going to see  
his friend "Nemo". This  
is the last time I saw  
him. OMAR also took  
a black ~~in~~<sup>in</sup> back pack  
full of ammunition with  
him. While leaving, OMAR  
SAID "I will be home  
after prayer."

N.Y.

Over the past two years,  
when Oman would watch  
a lot of Jihad videos  
on the computer, talked  
about Jihad and violence,  
talked about Muslims  
not being to retaliate  
against American I often  
worry that he was  
going to commit an  
act of violence or  
terrorism.

Oman looked at Isis  
recruitment videos on  
YouTube and "livetink".  
He looked at videos  
of beheadings.

About a week ago, Oman  
SAID he wanted to go  
look at "City Place" in  
Palm Beach, Florida. We  
left my sisterinlaw's  
residence at about 12 AM  
and got to City Place.

N at about 1 AM. We drove around City Place with the car windows down about 45 minutes. Omar was driving slowly looking at the clubs located at City Place. While driving around City Place he said "how bad would it be if a li Club got attacked." N

V A few days later, we drove to Orlando for 3 hours. We visited Downtown Disney and an Asian Restaurant. While at Downtown Disney, he left me and my son for 20 minutes, but I don't know what he was doing. When leaving downtown Disney, Omar said "What would make people more upset an attack on Downtown Disney or a Club." N

N.S. The past few days Omar  
was going to the  
shooting range a lot.  
He would tell me it was  
for his job. N.S.

N.S. I asked agent Enriquez to write  
my statement I was too nervous. N.S.  
The information I have provided  
is true and accurate. I provided  
this information willingly. Agent  
Enriquez and other agents  
treated me fairly, offered me  
food and water and allowed me  
to go to the bathroom. No threats  
or promises were made for me  
to provide this information. I spoke  
to them freely and willingly. I  
am sorry for what happened I  
wish i'd go back and tell  
his family and the police  
what he was going to do.
