PLEA AGREEMENT

Pursuant to Fed. R. Crim. P. 11(c), the United States of America, by Roger B. Handberg, United States Attorney for the Middle District of Florida, and the defendant, ALEJANDRO CARMONA a/k/a "Alexandro" and the attorney for the defendant, John Rockwell, Esquire, mutually agree as follows:

A. Particularized Terms

1. Count(s) Pleading To

The defendant shall enter a plea of guilty to Count Four of the Indictment. Count Four charges the defendant with attempted online enticement of a minor to engage in illegal sexual activity, in violation of 18 U.S.C. § 2422(b).

2. Minimum and Maximum Penalties

Count Four is punishable by a mandatory minimum term of imprisonment of not less than 10 years and up to life, a fine of \$250,000, or both a term of supervised release of any term of years not less than 5 up to life, and a special assessment of \$100, said special assessment to be due on the date of sentencing.

Defendant's Initials 

AF Approval 

Pursuant to Title 18, United States Code, Section 3583(k), if the defendant is required to register under the Sex Offender Registration and Notification Act and commits any criminal felony offense under Title 18, United States Code, Chapter 109A, 110 or 117, or Sections 1201 or 1591, the Court shall revoke the term of supervised release and require the defendant to serve a term of imprisonment of not less than 5 years and up to life. Any other violation of the terms and conditions of supervised release is punishable by a term of imprisonment of up to 5 years.

With respect to this offense and pursuant to Title 18, United States Code, Sections 2259, 3663A and/or 3664, the Court shall order the defendant to make restitution to any victim of the offense(s), and with respect to other offenses, the Court may order the defendant to make restitution to any victim of the offense(s), or to the community, as set forth below.

Additionally, pursuant to 18 U.S.C. § 3014, the Court shall impose a \$5,000 special assessment on any non-indigent defendant convicted of an offense in violation of certain enumerated statutes involving: (1) peonage, slavery, and trafficking in persons; (2) sexual abuse; (3) sexual exploitation and other abuse of children; (4) transportation for illegal sexual activity; or (5) human smuggling in violation of the Immigration and Nationality Act (exempting any individual involved in the smuggling of an alien who is the alien's spouse, parent, son or daughter).

3. Elements of the Offense(s)

The defendant acknowledges understanding the nature and elements of the offense(s) with which defendant has been charged and to which defendant is pleading guilty. The elements of Count Four are:

- First: That the defendant knowingly and willfully attempted to persuade, induce, entice or coerce an individual to engage in sexual activity, as charged;
- Second: That the defendant used a facility of interstate commerce, that is, a computer via the internet, to do so;
- Third: That when the defendant did these acts, the defendant believed that such individual was less than eighteen (18) years old;
- Fourth: That if the sexual activity had occurred, the defendant could have been charged with a criminal offense under the laws of the United States, that is, the production of child pornography, in violation of 18 U.S.C. § 2251(a); and
- Fifth: That the defendant engaged in conduct that constituted substantial steps toward the commission of the crime and that strongly corroborates the defendant's criminal intent.

4. Counts Dismissed

At the time of sentencing, the remaining counts against the defendant, charged by Indictment, Counts One, Two and Three, will be dismissed as to this defendant pursuant to Fed. R. Crim. P. 11(c)(1)(A).

5. No Further Charges

If the Court accepts this plea agreement, the United States Attorney's Office for the Middle District of Florida agrees not to charge defendant with

Defendant's Initials 

committing any other federal criminal offenses known to the United States Attorney's Office at the time of the execution of this agreement, related to the conduct giving rise to this plea agreement.

6. Restitution to Any Minor Victims of Offenses Committed by Defendant, Whether Charged or Uncharged

The defendant agrees to pay restitution to any of his minor victims, for the entire scope of his criminal conduct, including but not limited to all matters included as relevant conduct. The defendant acknowledges and agrees that this criminal conduct (or relevant conduct) includes any minor victim of any child pornography offenses, charged or uncharged, under Chapter 110, United States Code, and any minor victim of any violation of federal and/or state law committed by the defendant, including any contact sexual offense. Further, pursuant to 18 U.S.C. § 3664(d)(5), the defendant agrees not to oppose bifurcation of the sentencing hearing if the victims' losses are not ascertainable prior to sentencing.

7. Sex Offender Registration and Notification

The defendant has been advised and understands, that under the Sex Offender Registration and Notification Act, a federal law, the defendant must register and keep the registration current in each of the following jurisdictions: the location of the defendant's residence, the location of the defendant's employment; and, if the defendant is a student, the location of the defendant's school. Registration will require that the defendant provide information that includes name, residence address, and the names and addresses of any places at which the defendant is or will be an employee or

a student. The defendant understands that he must update his registrations not later than three business days after any change of name, residence, employment, or student status. The defendant understands that failure to comply with these obligations subjects the defendant to prosecution for failure to register under federal law, 18 U.S.C. § 2250, which is punishable by a fine or imprisonment, or both.

8. Acceptance of Responsibility - Three Levels

At the time of sentencing, and in the event that no adverse information is received suggesting such a recommendation to be unwarranted, the United States will recommend to the Court that the defendant receive a two-level downward adjustment for acceptance of responsibility, pursuant to USSG §3E1.1(a). The defendant understands that this recommendation or request is not binding on the Court, and if not accepted by the Court, the defendant will not be allowed to withdraw from the plea.

Further, at the time of sentencing, if the defendant's offense level prior to operation of subsection (a) is level 16 or greater, and if the defendant complies with the provisions of USSG §3E1.1(b) and all terms of this Plea Agreement, including but not limited to, the timely submission of the financial affidavit referenced in Paragraph B.5., the United States agrees to file a motion pursuant to USSG §3E1.1(b) for a downward adjustment of one additional level. The defendant understands that the determination as to whether the defendant has qualified for a downward adjustment of a third level for acceptance of responsibility rests solely with the United States Attorney for the Middle District of Florida, and the defendant agrees that the

Defendant's Initials 

defendant cannot and will not challenge that determination, whether by appeal, collateral attack, or otherwise.

9. Forfeiture of Assets

The defendant agrees to forfeit to the United States immediately and voluntarily any and all assets and property, or portions thereof, subject to forfeiture, pursuant to 18 U.S.C. § 2253, whether in the possession or control of the United States, the defendant or defendant's nominees.

The defendant agrees and consents to the forfeiture of these assets pursuant to any federal criminal, civil judicial or administrative forfeiture action. The defendant also agrees to waive all constitutional, statutory and procedural challenges (including direct appeal, habeas corpus, or any other means) to any forfeiture carried out in accordance with this Plea Agreement on any grounds, including that the forfeiture described herein constitutes an excessive fine, was not properly noticed in the charging instrument, addressed by the Court at the time of the guilty plea, announced at sentencing, or incorporated into the judgment.

If the United States seeks the forfeiture of specific assets pursuant to Rule 32.2(b)(4), the defendant agrees that the preliminary order of forfeiture will satisfy the notice requirement and will be final as to the defendant at the time it is entered. In the event the forfeiture is omitted from the judgment, the defendant agrees that the forfeiture order may be incorporated into the written judgment at any time pursuant to Rule 36.

Defendant's Initials 

The defendant agrees to take all steps necessary to identify and locate all property subject to forfeiture and to transfer custody of such property to the United States before the defendant's sentencing. To that end, the defendant agrees to make a full and complete disclosure of all assets over which defendant exercises control directly or indirectly, including all assets held by nominees, to execute any documents requested by the United States to obtain from any other parties by lawful means any records of assets owned by the defendant, and to consent to the release of the defendant's tax returns for the previous five years. The defendant further agrees to be interviewed by the government, prior to and after sentencing, regarding such assets and their connection to criminal conduct. The defendant further agrees to be polygraphed on the issue of assets, if it is deemed necessary by the United States. The defendant agrees that Federal Rule of Criminal Procedure 11 and USSG § 1B1.8 will not protect from forfeiture assets disclosed by the defendant as part of the defendant's cooperation.

The defendant agrees to take all steps necessary to assist the government in obtaining clear title to the forfeitable assets before the defendant's sentencing. In addition to providing full and complete information about forfeitable assets, these steps include, but are not limited to, the surrender of title, the signing of a consent decree of forfeiture, and signing of any other documents necessary to effectuate such transfers.

Forfeiture of the defendant's assets shall not be treated as satisfaction of any fine, restitution, cost of imprisonment, or any other penalty the Court may impose upon the defendant in addition to forfeiture.

Defendant's Initials 

The defendant agrees that, in the event the Court determines that the defendant has breached this section of the Plea Agreement, the defendant may be found ineligible for a reduction in the Guidelines calculation for acceptance of responsibility and substantial assistance, and may be eligible for an obstruction of justice enhancement.

The defendant agrees that the forfeiture provisions of this plea agreement are intended to, and will, survive the defendant, notwithstanding the abatement of any underlying criminal conviction after the execution of this agreement. The forfeitability of any particular property pursuant to this agreement shall be determined as if the defendant had survived, and that determination shall be binding upon defendant's heirs, successors and assigns until the agreed forfeiture, including any agreed forfeiture amount, is collected in full.

B. Standard Terms and Conditions

1. Restitution, Special Assessment and Fine

The defendant understands and agrees that the Court, in addition to or in lieu of any other penalty, shall order the defendant to make restitution to any victim of the offense(s), pursuant to 18 U.S.C. § 3663A, for all offenses described in 18 U.S.C. § 3663A(c)(1); and the Court may order the defendant to make restitution to any victim of the offense(s), pursuant to 18 U.S.C. § 3663, including restitution as to all counts charged, whether or not the defendant enters a plea of guilty to such counts, and whether or not such counts are dismissed pursuant to this agreement. The defendant further understands that compliance with any restitution payment plan imposed by the

Defendant's Initials  _____

Court in no way precludes the United States from simultaneously pursuing other statutory remedies for collecting restitution (18 U.S.C. § 3003(b)(2)), including, but not limited to, garnishment and execution, pursuant to the Mandatory Victims Restitution Act, in order to ensure that the defendant's restitution obligation is satisfied.

On each count to which a plea of guilty is entered, the Court shall impose a special assessment pursuant to 18 U.S.C. § 3013. The special assessment is due on the date of sentencing. The defendant understands that this agreement imposes no limitation as to fine.

2. Supervised Release

The defendant understands that the offense(s) to which the defendant is pleading provide(s) for imposition of a term of supervised release upon release from imprisonment, and that, if the defendant should violate the conditions of release, the defendant would be subject to a further term of imprisonment.

3. Immigration Consequences of Pleading Guilty

The defendant has been advised and understands that, upon conviction, a defendant who is not a United States citizen may be removed from the United States, denied citizenship, and denied admission to the United States in the future.

4. Sentencing Information

The United States reserves its right and obligation to report to the Court and the United States Probation Office all information concerning the background, character, and conduct of the defendant, to provide relevant factual information,

Defendant's Initials 

including the totality of the defendant's criminal activities, if any, not limited to the count(s) to which defendant pleads, to respond to comments made by the defendant or defendant's counsel, and to correct any misstatements or inaccuracies. The United States further reserves its right to make any recommendations it deems appropriate regarding the disposition of this case, subject to any limitations set forth herein, if any.

5. Financial Disclosures

Pursuant to 18 U.S.C. § 3664(d)(3) and Fed. R. Crim. P. 32(d)(2)(A)(ii), the defendant agrees to complete and submit to the United States Attorney's Office within 30 days of execution of this agreement an affidavit reflecting the defendant's financial condition. The defendant promises that his financial statement and disclosures will be complete, accurate and truthful and will include all assets in which he has any interest or over which the defendant exercises control, directly or indirectly, including those held by a spouse, dependent, nominee or other third party. The defendant further agrees to execute any documents requested by the United States needed to obtain from any third parties any records of assets owned by the defendant, directly or through a nominee, and, by the execution of this Plea Agreement, consents to the release of the defendant's tax returns for the previous five years. The defendant similarly agrees and authorizes the United States Attorney's Office to provide to, and obtain from, the United States Probation Office, the financial affidavit, any of the defendant's federal, state, and local tax returns, bank records and any other financial information concerning the defendant, for the purpose of making any recommendations to the Court and for collecting any assessments, fines, restitution,

Defendant's Initials 

or forfeiture ordered by the Court. The defendant expressly authorizes the United States Attorney's Office to obtain current credit reports in order to evaluate the defendant's ability to satisfy any financial obligation imposed by the Court.

6. Sentencing Recommendations

It is understood by the parties that the Court is neither a party to nor bound by this agreement. The Court may accept or reject the agreement, or defer a decision until it has had an opportunity to consider the presentence report prepared by the United States Probation Office. The defendant understands and acknowledges that, although the parties are permitted to make recommendations and present arguments to the Court, the sentence will be determined solely by the Court, with the assistance of the United States Probation Office. Defendant further understands and acknowledges that any discussions between defendant or defendant's attorney and the attorney or other agents for the government regarding any recommendations by the government are not binding on the Court and that, should any recommendations be rejected, defendant will not be permitted to withdraw defendant's plea pursuant to this plea agreement. The government expressly reserves the right to support and defend any decision that the Court may make with regard to the defendant's sentence, whether or not such decision is consistent with the government's recommendations contained herein.

7. Defendant's Waiver of Right to Appeal the Sentence

The defendant agrees that this Court has jurisdiction and authority to impose any sentence up to the statutory maximum and expressly waives the right to

Defendant's Initials 

appeal defendant's sentence on any ground, including the ground that the Court erred in determining the applicable guidelines range pursuant to the United States Sentencing Guidelines, except (a) the ground that the sentence exceeds the defendant's applicable guidelines range as determined by the Court pursuant to the United States Sentencing Guidelines; (b) the ground that the sentence exceeds the statutory maximum penalty; or (c) the ground that the sentence violates the Eighth Amendment to the Constitution; provided, however, that if the government exercises its right to appeal the sentence imposed, as authorized by 18 U.S.C. § 3742(b), then the defendant is released from his waiver and may appeal the sentence as authorized by 18 U.S.C. § 3742(a).

8. Middle District of Florida Agreement

It is further understood that this agreement is limited to the Office of the United States Attorney for the Middle District of Florida and cannot bind other federal, state, or local prosecuting authorities, although this office will bring defendant's cooperation, if any, to the attention of other prosecuting officers or others, if requested.

9. Filing of Agreement

This agreement shall be presented to the Court, in open court or in camera, in whole or in part, upon a showing of good cause, and filed in this cause, at the time of defendant's entry of a plea of guilty pursuant hereto.

10. Voluntariness

The defendant acknowledges that defendant is entering into this agreement and is pleading guilty freely and voluntarily without reliance upon any discussions between the attorney for the government and the defendant and defendant's attorney and without promise of benefit of any kind (other than the concessions contained herein), and without threats, force, intimidation, or coercion of any kind. The defendant further acknowledges defendant's understanding of the nature of the offense or offenses to which defendant is pleading guilty and the elements thereof, including the penalties provided by law, and defendant's complete satisfaction with the representation and advice received from defendant's undersigned counsel (if any). The defendant also understands that defendant has the right to plead not guilty or to persist in that plea if it has already been made, and that defendant has the right to be tried by a jury with the assistance of counsel, the right to confront and cross-examine the witnesses against defendant, the right against compulsory self-incrimination, and the right to compulsory process for the attendance of witnesses to testify in defendant's defense; but, by pleading guilty, defendant waives or gives up those rights and there will be no trial. The defendant further understands that if defendant pleads guilty, the Court may ask defendant questions about the offense or offenses to which defendant pleaded, and if defendant answers those questions under oath, on the record, and in the presence of counsel (if any), defendant's answers may later be used against defendant in a prosecution for perjury or false statement. The defendant also understands that defendant will be adjudicated guilty of the offenses to

Defendant's Initials

which defendant has pleaded and, if any of such offenses are felonies, may thereby be deprived of certain rights, such as the right to vote, to hold public office, to serve on a jury, or to have possession of firearms.

11. Factual Basis

Defendant is pleading guilty because defendant is in fact guilty. The defendant certifies that defendant does hereby admit that the facts set forth in the attached "Factual Basis," which is incorporated herein by reference, are true, and were this case to go to trial, the United States would be able to prove those specific facts and others beyond a reasonable doubt.

12. Entire Agreement

This plea agreement constitutes the entire agreement between the government and the defendant with respect to the aforementioned guilty plea and no other promises, agreements, or representations exist or have been made to the defendant or defendant's attorney with regard to such guilty plea.

13. Certification

The defendant and defendant's counsel certify that this plea agreement has been read in its entirety by (or has been read to) the defendant and that defendant fully understands its terms.

CASE NO. 3:22-cr-69-TJC-LLL

FACTUAL BASIS

On February 22, 2022, the Clay County Sheriff's Office (CCSO) received a report from an employee at My Time Fitness about a gym member who received a nude photo from another member. The gym member who received the picture was later identified as MV1, who was 17 at the time CCSO made contact. The member who sent the picture was later identified as the defendant, Alejandro Carmona-Fonseca, an officer with the Jacksonville Sheriff's Office (JSO). The gym employee provided contact information for MV1's parents to CCSO.

On February 25, 2022, MV1 was interviewed. MV1 reported receiving inappropriate messages from a guy known to him as "Alexandria," whom he positively identified as the defendant. MV1 met him about one year ago. The defendant asked MV1 for his Snapchat and MV1 provided it. MV1 thought he would receive workout advice, but he said the defendant started acting weird and asking MV1 to send him a Snapchat with his shirt off. The defendant sent MV1 a Snapchat with

Defendant's Initials

his penis exposed. The defendant also sent MV1 a picture in his police uniform and wrote “you can call me your police daddy.”

The defendant gave MV1 advice on working out. On MV1’s birthday, the defendant sent a message saying, “Happy Birthday” “what is your Venmo I’ll send you money” or “dick pics” and MV1 told the defendant he did not have to. MV1 said that all the communication with the defendant was through Snapchat and the messages would disappear after they were opened.

MV1 said that after the defendant sent the awkward messages, he (MV1) changed the times he went to the gym to avoid the defendant. The defendant then sent MV1 messages asking if he quit working out, so MV1 said he had to change his time because of work. The defendant then replied that MV1 would have to send pictures with his shirt off. MV1 said he ignored the message. MV1 said he did not ask the defendant to stop because he thought it would be awkward if he saw him in the gym. MV1 said he just wanted to avoid him.

MV1 described one of the Snapchat pictures sent by the defendant, which was of the defendant standing in front of a mirror, flipping off the camera and his penis was hanging out of his shorts. MV1 also described a video sent by the defendant where the defendant was fully naked with a black ball cap covering his groin area, then the defendant removed the hat, revealing his penis. MV1 said he responded, “dude WTF” and the defendant responded, “dude sorry not sorry” with laughing emoji’s.

MV1 said he told the defendant that he was in high school, and the defendant replied that he had gone to the same high school. MV1 also told the defendant he was 16 years old. MV1 also reported that the defendant sent him several pictures in his JSO uniform.

MV1 and his mother consented to CCSO assuming MV1's identity over Snapchat with the defendant. On March 3, 2022, Homeland Security Investigations Task Force Officer/CCSO Detective Ellis began communicating with the defendant using MV1's Snapchat account. TFO Ellis observed the defendant was friends with MV1 and confirmed the defendant's identity based on pictures on his account compared to his driver's license. TFO Ellis also observed the defendant's location services turned on and was able to observe his location numerous times during the chats. The defendant's location showed him next to a JSO substation on numerous occasions and various places around the Brentwood area of Jacksonville, which is the area the defendant worked as a patrol officer. The defendant's location after his shift showed him in the area of Clay County near his residence and the gym he frequented. TFO Ellis was able to initiate a conversation by making a Snapchat voice call to the defendant and quickly hanging up to apologize and pretend the call was an accident. The defendant then engaged in conversation with "MV1."

The following messages were exchanged over Snapchat between the defendant, using the username "Alexandro" and TFO Ellis using the identity of MV1 on March 3, 2022:
