INTRODUCTION

1. The following is true to the best of my knowledge and belief.

4. I am a Special Agent with the FBI and have been since October 2023. I am currently assigned to FBI's San Francisco Field Division. My current assignment includes investigating individuals engaging in domestic terrorism to include violations regarding weapons of mass destruction.

I have participated in the execution of arrest and search warrants, including on residences and vehicles, as well as searches of digital devices and email accounts. Through my training and experience, I am familiar with the methods used to investigate criminal violations of federal law.

STATEMENT OF PROBABLE CAUSE

9. There is probable cause to believe that MORENO-GAMA traveled from the state of Texas to California (CA) and, on or about April 10, 2026 in the Northern District of California, MORENO-GAMA threw a destructive device at two neighboring residences in San Francisco, both owned by Victim-1, and then attempted to set fire to the San Francisco-based headquarters of Company-1. Victim-1 is the Chief Executive Officer of Company-1. Company-1 is a research company that deploys and develops artificial intelligence (AI) and operates in interstate and foreign commerce.

10. On or about April 10, 2026, MORENO-GAMA traveled to two neighboring residences in San Francisco, CA both owned by Victim-1 (“RESIDENCE 1” and “RESIDENCE 2,” collectively referred to as “LOCATION 1”). At approximately 3:37 a.m.,

MORENO-GAMA threw a lit Molotov cocktail-style¹ incendiary device at LOCATION 1.

The incendiary device caused a fire to the top of the driveway gate of RESIDENCE 2.

11. Video surveillance from LOCATION 1 captured MORENO-GAMA's actions.

Still images are reproduced below:

12. MORENO-GAMA then fled from LOCATION 1. No injuries were reported.

MORENO-GAMA brings incendiary devices to Company-1 Headquarters

13. On April 10, 2026, at approximately 5:00 a.m., MORENO-GAMA arrived at the headquarters of Company-1 (LOCATION 2) located on Third Street in San Francisco, CA. At LOCATION 2, MORENO-GAMA retrieved a chair and used it to strike the glass doors, and according to security personnel on site, stated in sum and substance that MORENO-GAMA came to LOCATION 2 to burn it down and kill anyone inside. San

Francisco Police Department (SFPD) Officers responded to LOCATION 2 and detained and arrested MORENO-GAMA.

14. Officers recovered incendiary devices, a jug of kerosene, a blue lighter, and a document from MORENO-GAMA's possession. Video surveillance captured MORENO-GAMA's actions at LOCATION 2. Still images are reproduced below:

Anti-AI document authored by MORENO-GAMA

16. As noted above, SFPD officers recovered a document from MORENO-GAMA. MORENO-GAMA appears to have sent a similar version of the document via email to individuals at his former college in Texas on April 10, 2026. The document was a three-part series that MORENO-GAMA apparently authored, which identified views opposed to Artificial Intelligence (AI) and the executives of various AI companies, including Victim-1.

17. The first part of the document was titled “Your Last Warning” followed by “Daniel Moreno-Gama.” In this part of the document, MORENO-GAMA stated he “killed /attempted to kill” Victim-1. MORENO-GAMA also wrote, “Also if I am going to advocate for others to kill and commit crimes, then I must lead by example and show that I am fully sincere in my message.” MORENO-GAMA further listed the names and addresses of apparent board members and chief executive officers of AI companies and investors.

18. The second part of the document was titled “Some more words on the matter of our impending extinction.” In this part, MORENO-GAMA discussed the purported risk AI poses to humanity.

19. The third part of the document was a letter to Victim-1 addressed as: “To [Victim-1’s name] if you make it” in which MORENO-GAMA states “If by some miracle you live, then I would take this as a sign from the divine to redeem yourself...”

No registration of firearms possessed by MORENO-GAMA

20. A representative from the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) provided confirmation that no firearms or explosives were registered to MORENO-GAMA in the National Firearms Registration and Transfer Record.

CONCLUSION

21. Based on the information above, there is probable cause to believe that on or about April 10, 2026, Daniel MORENO-GAMA violated 18 U.S.C. § 844(i), Attempted Damage and Destruction of Property by Means of Explosives, and 26 U.S.C. § 5861(d), Possession of an Unregistered Firearm, and, in the Northern District of California. Accordingly, I respectfully request that the Court issue a criminal complaint and warrant for his arrest.

I declare under penalty of perjury
that the above is true and correct to
the best of my knowledge and belief.
