TALLAHASSEE MAN SENTENCED TO FORTY-FOUR MONTHS IN FEDERAL PRISON FOR COMMUNICATING THREATS OF VIOLENCE

TALLAHASSEE, FLORIDA – Daniel Alan Baker, 34, of Tallahassee, Florida was sentenced to forty-four months in federal prison for two counts of transmitting a communication in interstate commerce containing a threat to kidnap or injure another person. The sentence was announced by Jason R. Coody, Acting United States Attorney for the Northern District of Florida.

Baker's sentence was the result of a federal jury returning a guilty verdict on [May 6, 2021](#), finding Baker guilty of two counts of transmitting a communication in interstate commerce containing a threat to kidnap or injure another person.

Baker was arrested by agents of the Federal Bureau of Investigation on January 15, 2021, after he issued a "Call to Arms" for like-minded individuals to violently confront protestors that may gather at the Florida Capitol in the wake of the January 6 riots at the U.S. Capitol. He specifically called for others to join him in encircling any protestors and confining them at the state Capitol complex using firearms. Baker posted two such threatening communications on January 12 and 14, 2021.

"The free exercise of speech is central to our democracy," stated Acting U.S. Attorney Coody. "However, the defendant's threats of armed violence to inhibit expression of political views different than his own are both unlawful and dangerous. Today's sentence acknowledges the defendant's threats to incite violence and should serve as a significant deterrent to those who would solicit others to join them in conducting criminal acts rather than engage in lawful debate."

"This case proves that the FBI will not tolerate those who seek to wreak havoc in our communities," said Rachel L. Rojas, Special Agent in Charge of the FBI Jacksonville Division. "Violence designed to intimidate citizens and influence government is what the FBI's counterterrorism team was designed to combat, and our team remains laser focused on identifying, investigating, and disrupting individuals who cross the line from expressing beliefs to violating federal law by inciting violence or engaging in criminal activity. The communities of North Florida deserve nothing less than our full commitment to aggressively pursue these cases,

and we will continue to work alongside our federal, state, and local law enforcement partners. We are especially grateful for the work of the Florida Department of Law Enforcement, Leon County Sheriff's Office and Tallahassee Police Department in this case."

This case was the result of a collaborative investigation by the Federal Bureau of Investigation, Florida Department of Law Enforcement, Leon County Sheriff's Office, and the Tallahassee Police Department. Assistant United States Attorneys Stephen Kunz and Lazaro Fields prosecuted this case.
