AFFIDAVIT

I, NINA D. MILLER, being duly sworn, state as follows:

INTRODUCTION

1. I am a Special Agent with the Federal Bureau of Investigation and have been so employed since approximately August 2020.

2. As part of my duties as an FBI Special Agent, I investigate criminal violations relating to violent crimes, including, among others, kidnapping, bank robbery, cyberstalking, and the apprehension of violent fugitives. In addition, I currently serve in the violent crimes task force based out of West Resident Agency of the Chicago Field Office of the FBI.

3. This affidavit is submitted in support of a criminal complaint alleging that JUAN MANUEL GUEVARA LUEVANO has, with the intent to harass and intimidate another person, used an interactive computer service and electronic communication service or electronic communication system of interstate commerce to engage in a course of conduct that caused, attempted to cause, and would be reasonably expected to cause substantial emotional distress to a person, in violation of Title 18, United States Code, Sections 2261A(2)(B) (the "**Subject Offense**").

4. Because this affidavit is being submitted for the limited purpose of establishing probable cause in support of a criminal complaint charging LUEVANO with the **Subject Offense**, I have not included each and every fact known to me

concerning this investigation. I have set forth only the facts that I believe are necessary to establish probable cause to believe that LUEVANO committed the **Subject Offense** alleged in the complaint.

5. This affidavit is based on my personal knowledge, training and experience, information I have received from other law enforcement personnel, my review of certain electronic evidence and law enforcement reports, my review of records received from various electronic service providers, information provided by persons with knowledge regarding relevant facts, and my own interview of LUEVANO.

FACTS SUPPORTING PROBABLE CAUSE

6. As detailed below, the FBI is investigating the **Subject Offense**: namely a series of threatening, harassing, and stalking communications made to Victim A beginning no later than approximately February 2024 through approximately October 2026. LUEVANO has attempted to contact Victim A by email on approximately 373 occasions, and by phone on approximately 59 occasions. These email messages, as shown below, involve threats of stalking, threats of interstate travel to the victim's home for the purpose of contacting Victim A, and statements regarding fantasized sexual acts with Victim A. Many of the harassing and stalking communications have come from telephone numbers associated with cellular service providers, email addresses, and social media accounts capable of sending messages.

7. In summary, and as explained in more detail below, LUEVANO was advised by both the FBI as well as an attorney for Victim A that Victim A did not

want any further contact with him and that his attempted and actual contact with Victim A was considered harassing and stalking behavior and needed to cease immediately. In January 2025, I interviewed LUEVANO in-person and, in summary, LUEVANO admitted contact with Victim A. I advised him that his conduct was considered harassing and stalking behavior by Victim A and to cease contact. According to Individual B, Victim A's attorney, Individual B, issued LUEVANO a cease-and-desist letter and orally directed LUEVANO to cease any contact with Victim A in February 2025. According to Individual B, LUEVANO responded to oral pronouncement of the cease and desist with words to the effect of "I don't want any trouble. I won't call anymore."

8. During this investigation, in addition to interviews with Victim A, Individual B, and LUEVANO, I conducted additional witness interviews, and reviewed service provider records, including, Verizon, AT&T, Apple, and Poshmark records, among others. Based on these interviews and records, I determined LUEVANO harassed Victim A from no later than February 2024 through May 2025 and, from approximately June 2025 through May 2026, LUEVANO ceased contact, but restarted contact in June 2026. As detailed below, since that time, LUEVANO's harassing and stalking behavior continued through October 2026.

9. As explained in further detail below, according to Victim A, LUEVANO's ongoing harassment of Victim A has caused disturbances in Victim A's business and Victim A's personal life. Victim A has moved three times in the last few years, in part due to LUEVANO's harassment. Victim A finds the harassment upsetting and was

extremely disturbed when LEUVANO shared intimate photos of Victim A with Victim A's parents. Victim A is afraid LUEVANO will find Victim A and physically present himself at Victim A's home or other physical location. The continued harassment caused and continues to cause Victim A to feel helpless and afraid for Victim A's life.

10. As explained below, the investigation shows that there is probable cause that LUEVANO has committed the **Subject Offense**. Specifically, the phone numbers, email addresses, and/or social media accounts identified below used to send threats and harassing communications to Victim A come back to usernames or phone numbers registered to, subscribed to, or known to be used by LUEVANO. In addition, other evidence – including admission by LUEVANO that he has contacted Victim A, show that LUEVANO has committed the **Subject Offense**.

[3] As detailed below, LUEVANO uses the moniker "Supreme Master" in communications to Victim A.

[4] Issued by Magistrate Judge Holleb Hotaling on December 12, 2025.

24. According to Victim A, on or about September 14, 2023, LUEVANO utilizing Website 2 username "jmguevaralu", accessed Victim A's profile on Website 2 and paid Victim A approximately $100 for a "Q&A" video where Victim A answered questions posed by LUEVANO. According to Victim A, LUEVANO used CashApp Account 1 and Luevano Email 1.

25. According to Victim A, on or about September 15, 2023, LUEVANO purchased used underwear and a custom video from Victim A for approximately $300 on Website 2. 30. According to Victim A, on or about February 24, 2024, Victim A asked LUEVANO to stop contacting them, in summary, by email[5]. According to Victim A, since that time, LUEVANO has sent hundreds of harassing emails to Victim A and began indicating he knew Victim A's real first and last name, the city where Victim A resides, and, later, Victim A's specific residential address. Victim A does not share their true name or address online.

31. According to Victim A, LUEVANO's harassing comments, including disclosure of him stalking Victim A's physical location and residence, caused Victim A to be fearful and negatively affected Victim A's income. More specifically, according to Victim A, due to LUEVANO's unwanted contact, including harassing comments, Victim A had to close Victim A's business CashApp account which Victim A previously used to accept payment for Victim A's online video production. CashApp is the most preferred method of payment from Victim A's customers. Victim A switched to PayPal and is forced to pay transaction fees.

POSHMARK

32. According to Victim A, in or about April 2024 LUEVANO was able to locate a Poshmark account operated by Victim A. Based on my review of records and interview with Victim A, the Poshmark account is a separate business venture than

those affiliated with Website 1 and Website 2. Poshmark is an online clothing resale website, where individuals can sell their new or used clothing and other items to customers. According to Victim A, LUEVANO utilizing the usernames [redacted], [redacted] (LUEVANO Poshmark Accounts) repeatedly posted negative and harassing comments to Victim A's Poshmark account which caused Victim A to be fearful and delete the account which had been a source of income, approximately $2,292.

33. According to Poshmark records:

a. the LUEVANO Poshmark Accounts were all created on April 7, 2024;

I'm civilized. I control all my vices.

I am not here to confront you. I just want answers as to why you like playing cat and mouse.

Why do you like playing hard to get? Why do you like playing psychological mind games?

Why did you unenroll from [redacted] Why did you take the money?

Why are you a pathological liar? Why do you always end sentences with the phrase lol?

Why are you never serious? Why do you never see the consequences of your actions?

I don't care about your money or resources. I only care about your time.

You already know I'm your favorite. You told me I fulfill you.

That feeling never goes away. I only acted crazy to lower my myself to your level of lies.

This fiasco only happened because you got complacent. You started to take me for granted.

I'm not one of your minions who you can toss around. Your minions know nothing about the real you.

Only I know what moves you. I own your soul.

I can hear your thoughts. Your subconscious.

We're connected in totality. I've tried moving on.

I only think of you when I'm with other women. Our relationship was never a gimmick or charade.

I don't play games. I'm here to win at all cost whether you like it or not.

I will always put you in your place. I will always be ultra-dominant.

I will always take what's rightfully mine. You're my [redacted] now whether you like it or not.

I own you (even in the afterlife). You're my property and ultra-delicate princess.

You're my soon-to-be [redacted] Stop resisting me because you're only wasting your energy.

Thinking was what got you in trouble in the first place. Stop thinking.

Just withdraw and surrender. No sense in trying to fight me.

I can't negotiate the idea of abandoning you. I'm here to stay whether you like it or not.

You have no choice in the matter. No say.

Your caveats or stipulations don't amount to anything in our dynamic. I call the shots here whether you like it or not.

You know you like the attention I provide endlessly. You're addicted to our correspondence.

Block me one more time. I challenge you.

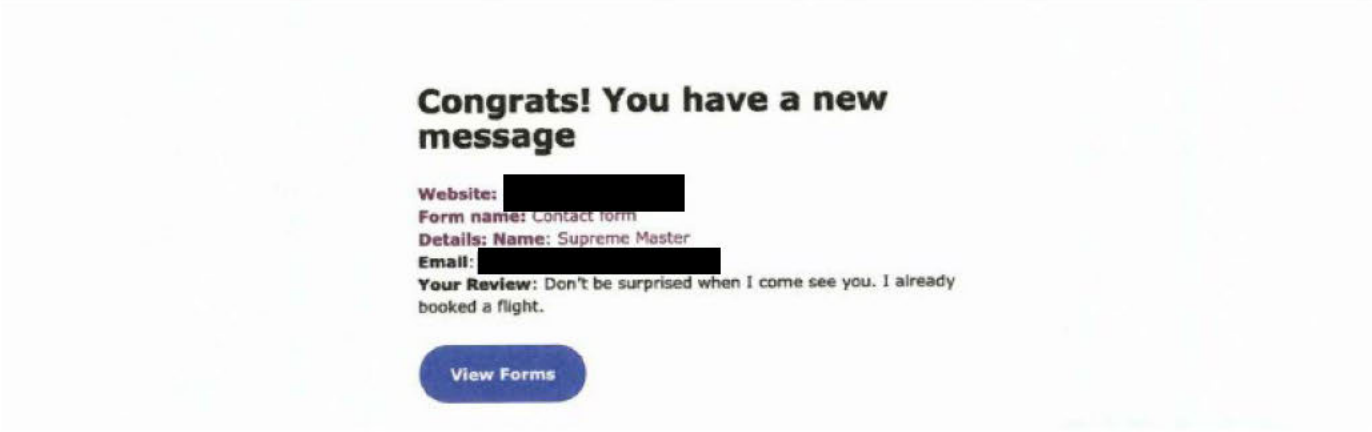

Listen to me carefully because I'm only going to say this once. Just between you and me. You can change your name. Renounce your citizenship. Move overseas. Do surgery to alter your appearance. Wear a wig in public. I don't care at all. I will track you down no matter where you go. I own you. You're my property and [redacted] Get very comfortable with me because I always get what I want. Don't be surprise when I come to serenade you with a Mariachi band outside your [redacted] Your neighbors aren't any of my concern. I know you better than you know yourself. I know what's best for you. We were meant for each other. I want to spoil you. Treat you. You can't deny me because I already won you. Your resistance only turns me on more and tempts me to go see you. Keep it up or I'm going to apologize in person if I have to. You're only one trip away.

You can change your name. Renounce your citizenship. Move overseas. Do surgery to alter your appearance. Wear a wig in public. I will track you down no matter what you do.
