AFFIDAVIT

I, Fernando Garcia, a Task Force Officer with the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) being duly sworn, state as follows:

INTRODUCTION AND AFFIANT BACKGROUND

1. I am a Task Force Officer (TFO) with the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), where I have been employed as such since 2023. As such, I am an investigative or law enforcement officer of the United States, within the meaning of Section 2510(7) of Title 18, United States Code, and am empowered by law to conduct investigations of and make arrests for offenses enumerated in section 2516 of Title 18, United States Code. I am currently a Detective at the Dallas Police Department (DPD) assigned to the Special Investigations Unit and am an investigative law enforcement officer of the State of Texas. I have been employed by DPD for more than eleven years. Prior to being assigned to the Special Investigations Unit, I was assigned to the Violent Crime Unit for two years and the Gang Unit for five years.

2. I have been involved in numerous investigations of individuals and gang members involved in homicides, aggravated robberies, organized crime, and aggravated assaults. I have also investigated officer involved shootings and deaths in police custody. I have experience in the use of surveillance techniques, pen registers, undercover operations, electronic monitoring, and the drafting and execution of search and arrest warrants. As an ATF Task Force Officer, I have been assigned numerous investigations involving firearm activities and firearm offenses, which have resulted in the seizures of firearms, gun parts, and ammunition. I have also been assigned numerous investigations involving illegal

narcotics activities and narcotics offenses, which have resulted in the seizure of narcotics and narcotics associated items.

3. My investigations, as well as participation in investigations conducted by other law enforcement officers, have kept me in close contact with patterns and the methods of operation of individuals who violate federal firearm and narcotics laws. I have interviewed numerous investigation suspects, as well as conferred with other law enforcement officers about: slang, codes, symbols, graffiti, and the dress of gang members, as well as their use of telephones, e-mail, and other methods of communication to conduct criminal activities. Similarly, I know and have been informed about suspects' use of false and fictitious identities to thwart law enforcement's investigation of their activities including straw purchasing.

PURPOSE OF AFFIDAVIT

4. This affidavit is made in support of an application for a criminal complaint against Treyveion Dionte DEMBY.

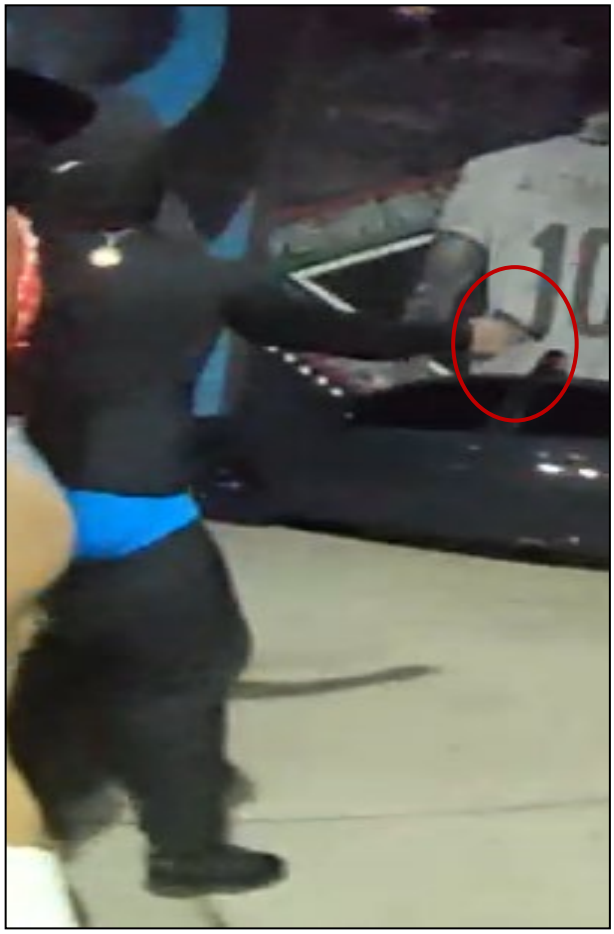

5. I have probable cause to believe that DEMBY violated 18 U.S.C. § 922(g)(1) for a person who has been convicted in any court of a crime punishable by imprisonment for a term exceeding one year possesses any firearm or ammunition which has been shipped or transported in or affected interstate or foreign commerce, and that this offense occurred within the Northern District of Texas, Dallas Division.

6. This affidavit is based upon my personal knowledge, training, and experience, as well as information received from other law enforcement officers involved

in this case. This affidavit is intended to merely show that there is sufficient probable cause for the requested warrant and does not set forth all my knowledge about this matter.

PROBABLE CAUSE

7. On November 1, 2026, at approximately 1:00 a.m., Dallas Police Officer M. Saldana, badge #12841, was responding to gunshots in the area of the 2600 block of Main St, Dallas, Texas. This area is an entertainment district known as Deep Ellum. While checking the area for the source of the gunfire, Officer Saldana ran through the parking lot and observed DEMBY, dressed in all black and wearing a black ski mask over his face, pointing a gun in the direction of the 2600 block of Main Street.

8. Officer Saldana gave loud verbal commands to DEMBY to drop the gun. DEMBY initially refused but then grabbed the firearm by the barrel and handed it to Officer Saldana.

9. At that point, DEMBY attempted to run from Officer Saldana, who discharged his taser at DEMBY. DEMBY fell to the ground, and once additional Dallas Police Officers arrived, he was safely placed under arrest.

10. Officer K. Johnson, badge #12882, safely cleared the firearm, which contained one live round in the chamber and a magazine, for a total of sixteen (16)

rounds. DEMBY was then transported to Dallas Police Headquarters, where he was interviewed by detectives regarding his possible involvement in the Deep Ellum shootings. DEMBY was then transported and booked into the Dallas County Jail for unlawful possession of firearm by a convicted felon.

11. The firearm recovered was a Taurus pistol, model PT111 G2, 9mm caliber, bearing serial number TJT26420, with one magazine and sixteen (16) live cartridges. An NCIC check showed the firearm had been listed as stolen by the Dallas Police Department since 2017.

12. A review of DEMBY's criminal history via NCIC/TCIC revealed that DEMBY was convicted of a first-degree felony for four (4) Aggravated Robberies and was sentenced on February 27, 2020, receiving ten (10) years confinement in the Texas Department of Criminal Justice, under cause #F-1941372 in Dallas County. DEMBY was paroled on September 29, 2025, and is currently on parole until September 5, 2029.

13. Special Agent Nathan Garber, a qualified interstate nexus expert with the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), was provided with the firearm information. Special Agent Garber determined that this firearm was not manufactured in the State of Texas and therefore must have traveled in, or otherwise affected, interstate commerce.

14. Based on the foregoing facts and circumstances, I respectfully submit that there is probable cause to believe that on or about November 1, 2026, within the Dallas Division of the Northern District of Texas, Treyveion Dionte DEMBY committed a

violation of 18 U.S.C. § 922(g)(1), that is, possession of firearm by a convicted felon, and

I accordingly request that a warrant be issued for his arrest.

.
