Re: Case Number 2012R00483 and Court Docket Number 18-CR-03143

Dear [REDACTED]:

The enclosed information is provided by the United States Department of Justice Victim Notification System (VNS). As a victim witness professional, my role is to assist you with information and services during the prosecution of this case. I am contacting you because you were identified by law enforcement as a victim or potential victim during the investigation of the above criminal case.

**This notice is to provide you a status update in US v. Voight, Frederick.**

**First, the trial in the Voight case has been moved to September 16, 2022. It is still anticipated that the government's case will take 2 weeks and the trial, in all, will take 3 weeks.**

**The cause of the continuance is the health of the presiding judge. He has had a number of health complications and entered an order that he would not be able to preside over a 3 week trial in July. Although this is disappointing for many reasons, please understand that this continuance was outside of the government's control.**

**Second, you may have received word of another hearing set for June 24th. The Pretrial Services Office has filed a petition that Mr. Voight has violated terms of his supervised release. The defense has indicated that there is a conflict with the 24th and would like the hearing held during the week of June 27th. If the Court determines that the conditions of release have been violated, the remedy could be a change in conditions of release for Mr. Voight or he could be detained (jailed) pending trial in September. We will let you know the result of the hearing after it is held.**

**As always, if you have any questions regarding this matter, please do not hesitate to contact this office.**

**Thank you for your continued patience and cooperation in this matter.**

**Reminder: Please contact our office prior to appearing for this proceeding.** It is not uncommon for the court schedule to change before we can notify you of the change in a timely manner. Your contact may save you an unnecessary trip to court. Email notification is a way to eliminate the delay in time of waiting for regular mail service. Through the Victim Notification System (VNS) we will continue to provide you with updated scheduling and event information as the case proceeds through the criminal justice system. You may obtain current information about this case on the VNS website at <https://www.notify.usdoj.gov> or from the VNS Call

You can provide VNS an email address by accessing the VNS Internet Web page using the login information provided below. By entering your email as part of the VNS registration process future notifications will be delivered by email, except in rare circumstances when you might also receive a letter from VNS. Sincerely,

Steven A. Russell
