Subject: Introducing Your New Regional Director

Good afternoon –

I would like to take this opportunity to introduce myself as your new point of contact here in Governor Christie's office. As most of you are aware, Matt Mowers will no longer be serving in the capacity as your regional director.

Our hope is to make the transition is as seamless as possible for you. That said, please do not hesitate to contact me via phone, email or text message going forward.

I am excited to meet you in the near future. Until then, if I may be of assistance, please feel free to reach out at anytime.

Warmest Regards,
Evan J. Ridley
Regional Director
Office of Legislative and Intergovernmental Affairs
Office of the Governor
