The Body Worn Camera Small Agency Policy and Implementation program (SA-BWC PIP) provides funding to limited public agencies (i.e., states, units of local government, (including tribal government, recognized by the Secretary of the Interior), combinations of such states or units, or any department, agency, or instrumentality of the foregoing), that perform criminal justice functions.

The SA-BWC PIP, funded under the 2016 Department of Justice Appropriations Act (P.L. 114-113), will support the implementation of body-worn camera programs for small (25 or fewer officers) law enforcement agencies across the country. Elements of such an approach include; Implementation of a BWC program developed in a planned and phased approach; Collaboration that leverages partnerships with cross-agency criminal justice stakeholders including prosecutors and advocacy organizations; Implementation of appropriate privacy policies; Implementation of operational procedures and tracking mechanisms; Training of officers, administrators, and associated agencies requiring access to digital multimedia evidence (DME); Adoption of practices and deployment of BWC programs appropriately addressing operational requirements.
