Seems like a lot of dough, but if you think we can use it appropriately, I'm all for it

Baroni met with Sokolich today on GW Bridge related issues. Mayor's ask is that PA fund four shuttle buses, 2 now and 2 when their road project is completed next year, at a cost of \$80k per bus (\$320k total). PA has done this before, Fort Lee uses buses to shuttle local residents to ferry and to the bus terminal on the Bronx side of the bridge. Bank funds are available for this. Sokolich has a 2/27 meeting and would like to announce then. Baroni recommends doing this.
