D Target Outreach Status & Plan:  
*D Targets - Confirmed & Public:*

*D Targets - Confirmed & Not Public:*

**Michael Beck (Lower Twp)**

\*\* Deputy Mayor Norris Clark also agreed to endorse (Mayor thinks he can get his 4 independent Council members)

\*\* Willing to do public event - we left it with the Mayor that we would be back in touch

Richard Gerbounka (Linden)

**Spring Lake Mayor / Council**

\*\* Chris Stark & Pete Sheridan met with Mayor Naughton and Councilman Drasheff. The Mayor and Council are ready to go. They want to wait until they have secured their ballot position (as two Council seats are up) before an announcement. We continue to work / talk to them.

**Tana Raymond (Garfield)**

\*\* She is ready to go

*D Targets - Spoken To & Waiting for decision:*

**Yitz Stern (Teaneck)**

\*\* Hasn't confirmed, but is close.

**Mark Sokolich (Ft. Lee)**

\*\* We think this is a "no-go" for now, but something we should continue to evaluate moving forward (post-filing deadlines, primary, etc...) We continue to have a very positive relationship with him.

**Adam Schneider (Long Branch)**

\*\* Told Chris that he would be voting for the Governor and is not afraid of going public to support Republicans. Chris & I are awaiting guidance on how to proceed here.

**Mayor McCarthy (Bloomfield)**

\*\* Mowers met with Bloomfield Mayor today and had a great meeting (not about endorsing, but it came up). Said he loves the Governor and will think about going public with an endorsement. Said he would get back to us next week.

**Anthony Davis (Council President in Paterson)**
