This afternoon, Evan received a call from Mayor Sokolich. It came from a number he was not familiar with that was actually a secretary who patched the Mayor through to Evan.

The Mayor is extremely upset about the reduction of toll lanes from 3 to 1. Not only is it causing a horrendous traffic back up in town, First Responders are having a terrible time maneuvering the traffic because the back up is so severe.

The Mayor told Evan that he has no idea why Port Authority decided to do this, but there is a feeling in town that it is government retribution for something. He simply can't understand why that would be the case however, because he has always been so supportive of the Governor.

Sokolich explained that the Council wants to organize a press conference with picketers at the foot of the bridge. The Mayor feels he is about to lose control of the situation and that he looks like a "fucking idiot."

Evan told the fine Mayor he was unaware that the toll lanes were closed, but he would see what he could find out.
