Subject: RE: Media inquiries -- Fort Lee toll booths

Steve, we are good with the following:

“The Port Authority has conducted a week of study at the George Washington Bridge of traffic safety patterns. We will now review those results and determine the best traffic patterns at the GWB. We will continue to work with our local law enforcement partners.”

Subject: Media inquiries -- Fort Lee toll booths

All:

We received inquiries today from the Bergen Record, WCBS Radio and the Fort Lee Patch about the three GWB toll booths in Fort Lee that were taken out of service earlier this week and reinstated today. The media representatives have all asked us to confirm that the booths have in fact been reinstated and also have asked why we made the change.

In addition, John Cichowski of the Bergen Record has several additional questions, including what safety goal we tried to achieve and whether the booths will continue to remain open for the foreseeable future.

Please provide me whatever guidance you can on how we can address these inquiries. Thanks.
