Or if there was no formal statement (I don't think there was one), Mr. Nunziato has responded to questions on the GWB toll lane issue. We refer you to his previous response.

Suggested response to Boburg.

I think it's best the comment comes from me, Paul not available.

"Mr. Nunziato issued a statement regarding this issue. That statement referred to comments he made to the Port Authority in 2011 concerning traffic and car pooling issues at the George Washington Bridge."
