Ok, so, my group has dwindled in size. Do I let them bring a guest? I hate to waste BB's time.

About 75 minutes. Best way to get to WTC is PATH since we have no parking at construction site. If you need to drive, I will have Diane send you the location of a parking garage when she gets in

Bridget,

Baroni and World Trade Center Construction staff will meet your group of 8 on Saturday, May 21 at 10 AM at the WTC PATH station, at the top of the escalators. Since there are three tours on Saturday (and the coordination of the construction elevator to take you to the top floor), we need to begin promptly at 10. Your group should dress for an active construction site, including work boots (not sneakers). Our staff will bring hard hats, safety glasses and vests.
