I'm literally working on it as we speak. Needed some input/updates from the guys. You will have it fairly shortly.

I should also add that we need to consider having the Governor place calls to those that have said yes that we have not publicly announced yet to show them some "love". I know his time is valuable, but I think it would go a long way and buy us some time until we can figure out a roll-out strategy. Additionally, we never got the endorsement form from Amanda that Bill asked for.

I'd like to get these guys to sign on the line, before we lose anyone. Just a thought...

Rich spoke to Mayor Gerbounka tonight - he is a "yes" for an endorsement for the Governor. We told him we would follow-up with him. He made it clear that the endorsement is for Gov only and wouldn't endorse any other republicans (probably better for us).

Chris & I met with Mayor Naughton and Councilman Drasheff. Very good meeting - stopped short of an endorsement, but they are very, very close to it. We will follow-up and see if we can pull it together shortly. They very much want a Governor visit to the boardwalk, etc... and we should work that out as soon as we can (although not something we need to do in order to secure an endorsement).

In addition, Mayor Blunt reached out to Case today and said he should get down to see Mayor Kelly of Bridgeton soon. I think Blunt has been working on him for us - John is working to get down there next week.

Per your request:

D Target Outreach Status & Plan:

D Targets - Confirmed & Public:

Ray McDonough & Council (Harrison)

D Targets - Confirmed & Not Public:

Michael Beck (Lower Twp)

** Deputy Mayor Norris Clark also agreed to endorse (Mayor thinks he can get his 4 independent Council members)

** Willing to do public event - we left it with the Mayor that we would be back in touch Michael Blunt (Chesilhurst)

** Willing to do public event - we left it with the Mayor that we would be back in touch

** He does have a trip to Africa scheduled for the end of the month into early March, so we should keep that in mind in terms of scheduling.

D Targets - Spoken To & Waiting for decision:

Mohammed Hameeduddin (Teaneck)

** Said we would have a decision early this week

D Targets - Upcoming Meeting Schedule:

Jennifer Naughton & Spring Lake Council

** Thursday, in Spring Lake - Pete Sheridan, Chris Stark, Jennifer Naughton & Bob Drasheff

Mark Sokolich (Fort Lee)

** Today in Ft. Lee - Matt Mowers

Yitz Stern (Teaneck Councilman) - (If he brings it up - this is after hours, but just a check-in meeting - There may be no action here)

** Today in Teaneck - Matt Mowers

D Targets - Left Messages:

Richard Gerbounka (Linden)

** Rich will be placing a follow-up call tomorrow evening

Joe Menza (Hillside)

** Rich will be placing a follow-up call tomorrow evening

D Targets - Waiting to Act:

Fred Tagliarini (Aberdeen)

** Pending confirmation of internship offer

D Target - May Have to Re-Think:

Anthony Davis (Council President in Paterson)

** Matt conducted a check in meeting with Davis last week - Anthony Davis will gladly stand with the Governor at a public event in Paterson (in fact, is begging the Gov to come up and visit), but Matt thinks that an endorsement is unlikely until we get the Gov up there (and even then, it's no sure thing). Davis remains very supportive of Gov and a good advocate for us in Paterson.

D Targets - Need to Schedule / Reach Out To:

Rich LaBarbiera (Paramus)

Bettina Bieri (West Milford)

Tony Barzellato (Tenafly)

Tana Raymond (Garfield)

Peter Hughes (Glen Ridge)

Bill LaForet (Mahwah)

Former Mayor Joe Kuehner (Egg Harbor City)

Robert Schroeder (Point Borough)

Randy Teague (Haddon Twp)

Albert Kelly (Bridgeton)

Adam Schneider (Long Branch)

** per new information received this week
