## **AVOID CORONAVIRUS SCAMS**

*Scammers are taking advantage of fears surrounding the Coronavirus disease 2019 (COVID-19) to steal money and personal information. Don't let them.*

### **Protect Yourself**

#### **Hang up on robocalls.**

Scammers are using illegal robocalls to pitch everything from scam Coronavirus treatments to work-at-home schemes.

#### **Verify information.**

Contact trusted sources to confirm information is correct. For the most up-to-date information about the Coronavirus, visit the Centers for Disease Control and Prevention (CDC) at [www.cdc.gov](http://www.cdc.gov).

#### **Know who you're buying from.**

Online sellers may claim to have in-demand products, like cleaning, household, and health and medical supplies when, in fact, they don't.

#### **Don't click on links from sources you don't know.**

They could download viruses onto your computer or device.

#### **Do your homework.**

Don't let anyone rush you into making a donation. If someone wants donations in cash, by gift card, or by wiring money, don't do it.
