INDICTMENT

FILED
DEC 02 2025
CLERK U.S. DISTRICT COURT
WEST DIST OF PENNSYLVANIA

The grand jury charges:

General Allegations as to All Counts

At all times relevant to the Indictment:

1. The defendant, BRETT MICHAEL DADIG ("DADIG"), was a lifelong resident of Pittsburgh, Pennsylvania.

2. DADIG recorded and posted podcasts online and considered himself a social media influencer, posting numerous times a day on Instagram and other platforms. Much of DADIG's online content related to his interactions with women.

3. DADIG repeatedly spoke on his podcast and social media about his anger towards women. DADIG said women were "all the same" and called them "bitches," "cunts," "trash," and other derogatory terms. DADIG posted about how he wanted to fall in love and start a family, but no woman wanted him.

4. DADIG stated in one of his podcasts, "It's the same from fucking 18 to fucking 40 to fucking 90. . . . Every bitch is the same. . . . You're all fucking cunts. Every last one of you, you're cunts. You have no self-respect. You don't value anyone's time. You don't do anything. . . . I'm fucking sick of these fucking sluts. I'm done."

5. In and around the summer of 2025, DADIG was banned from fitness establishments and other places of business in Pittsburgh, Pennsylvania, and elsewhere, for harassing women and other conduct.

6. On or about July 28, 2025, DADIG complained in one of his podcast episodes about women in Pittsburgh "run[ning] their fucking mouths" and stated that he would travel to other cities and countries to meet women instead. DADIG stated that women in other locations may "respect" him more than Pittsburgh women.

7. DADIG traveled from Pittsburgh and spent the next few months visiting several other states (including New York, Florida, Iowa, Ohio, and others), harassing and threatening women and employees of fitness establishments online and in person. DADIG periodically returned to Pittsburgh throughout his travels and continued his stalking behavior in the Pittsburgh area as well.

8. When DADIG was banned from gyms and businesses and was reported to the police in one location, he would move on to another location to continue his stalking course of conduct. DADIG began using an alias online and in person to frequent fitness centers. DADIG posted online that "Aliases stay rotating, moves stay evolving."

9. DADIG harassed, intimidated, and threatened his victims in posts on social media, on his podcast, and in phone calls. DADIG traveled to certain of his victims' places of employment to harass and intimidate them. DADIG also physically followed certain of his victims from their places of employment and subjected at least one victim to unwanted sexual touching. DADIG engaged in this course of conduct while under court-issued protection from abuse orders and after he was told by the police that he was banned from the victims' places of employment.

10. In addition to posting online about his anger towards women, DADIG referenced strangling people with his bare hands, called himself "God's assassin," warned he would be getting a firearm permit, asked "Y'all wanna see a dead body?" in response to a woman telling him she felt physically threatened by DADIG, and stated that women who "fuck" with him are "going to fucking hell."

11. DADIG also discussed on his podcast how he used Chat GPT on an ongoing basis and that it was his "therapist" and his "best friend." According to DADIG, Chat GPT encouraged him to continue his podcast because it was creating "haters," which meant monetization for DADIG. DADIG also claimed that Chat GPT told him that "people are literally organizing around your name, good or bad, which is the definition of relevance." Chat GPT told him that God's plan for him was to build a "platform" and to "stand out when most people water themselves down," and that the "haters" were sharpening him and "building a voice in you that can't be ignored."

12. DADIG asked Chat GPT questions about his future wife, including what she would be like and "where the hell is she at?" According to DADIG, Chat GPT responded, among other things, that his future wife would be fit and value health. Chat GPT told DADIG that he may meet his wife at a boutique gym or in an athletic community. Chat GPT advised DADIG that, "your job is to keep broadcasting every story, every post. Every moment you carry yourself like the husband you already are, you make it easier for her to recognize [you]." According to DADIG, Chat GPT told him to continue to message women and to go to places where the "wife type" congregates, like athletic communities.

13. DADIG viewed Chat GPT's responses as encouragement to continue his harassing behavior.

14. Also on his podcast, DADIG compared his "chaos on Instagram" to God's "wrath" when God "flooded the fucking Earth" and said, "I'm killing all of you." DADIG also claimed that, like DADIG, Jesus "call[ed] people out."

15. In addition, DADIG photographed women and posted their pictures online without their consent, sometimes including their names and locations.

16. DADIG also posted on social media that he had "manic" episodes and was diagnosed with antisocial personality disorder and "bipolar disorder, current episode manic severe with psychotic features."

17. In response to online criticism about his harassment of women, DADIG stated things like "Appreciate the free promo team, keep spreading the brand."

18. DADIG's victims, who monitored his online accounts to ascertain his location and state of mind (because of their fear of DADIG), saw and heard DADIG's posts and podcasts (including those described above), and they added to the victims' fear for their safety and caused substantial emotional distress.

19. Person 1 first met DADIG at an event in June 2025. At the event, DADIG told Person 1 that he had "met my future wife." DADIG took a photograph with Person 1. I promise you, you will regret it . . . see what fucking happens to you; it ain't going to be pretty for you." He called Person 1 a "cunt." DADIG also read aloud certain text messages that he had sent Person 1, which stated things such as, "you are truly garbage," "play stupid games, win stupid prizes," and "don't cry, I know how sensitive you are."

32. On or about August 20, 2025, DADIG recorded and posted another podcast on Spotify, titled "27 Hours in the ACJ," in which he referred to a "girl" who "filed a PFA" against DADIG. DADIG stated that he hoped the girl did not end up in jail herself but "play stupid games, win stupid prizes." DADIG stated that the people who say they want to kill you on Instagram are protected by "freedom of speech," so he should be able to state what he wants on his podcast.

33. On or about August 22, 2025, DADIG traveled to Business 1. Employees of the business locked him out of the building and called the police. DADIG was arrested for a second PFA violation.
