Civil Action No. 2:13 - 32564

REVISED CONSENT ORDER

This revised proposed Consent Order (“Consent Order” or “Order”) is submitted jointly by the parties for the approval of and entry by the Court, replacing the proposed Consent Order that was filed with the United States’ Complaint in this action on December 18, 2013. This Order resolves the claims of the United States that the Defendants have violated the Fair Housing Act (“FHA”), 42 U.S.C. §§ 3601 – 3619, and the Americans with Disabilities Act (“ADA”), 42 U.S.C. §§ 12181 – 12189, by engaging in a pattern or practice of discrimination against persons with disabilities and denying rights to a group of persons because of disability by failing to design and construct features of accessible and adaptive design and construction required by those acts.

There has been no factual finding or adjudication with respect to any matter alleged by the United States. The parties have entered into this Order to avoid the risks, expense, and burdens of litigation and to resolve voluntarily the claims in the United States’ Complaint.

I. INTRODUCTION

A. Background

In 2012, upon receipt of a notice of investigation, Douglas Pauley cooperated with the Department, providing architectural drawings and access to the Department to inspect all of the properties. Mr. Pauley then paid for a neutral inspector, subject to approval by the Department, to inspect the properties and provide a report of conditions, and agreed to remedy those conditions at the properties to bring them into compliance with all federal laws, including the FHA, ADA, and UFAS¹. Defendants deny all of the allegations and claims of a pattern or practice of discrimination in violation of the FHA and ADA as set forth in the United States’ Complaint.

1. Defendants Douglas Pauley, Tyler Heights Limited Partnership; Trace Ridge Limited Partnership; Dara Heights Limited Partnership; Barbara Heights Limited Partnership; Spruce Cove Limited Partnership; Quarry Glenn Limited Partnership; Pauli Heights Limited Partnership; Plateau Oaks Limited Partnership; Jenna Landing Limited Partnership; Dylan Heights Limited Partnership; Perkins Parke Limited Partnership; Vanmeter Heights Limited Partnership; Deer Forest Limited Partnership; Lynnelle Landing Limited Partnership; Cranberry Cove Limited Partnership; Mill Creek Landing Limited Partnership; Hope Landing Limited Partnership; Upper Falls Landing Limited Partnership; Fort Springs Limited Partnership; Pleasant Heights Limited Partnership; Union Place Limited Partnership; Brook Village Limited Partnership; Elle Bella Villa Limited Partnership; Garrett Mills Limited Partnership; Hudson Place Limited Partnership; Milton Place Limited Partnership; Virginia Way Limited Partnership; Wilshire Landing Limited Partnership; Sue Terrace II Limited Partnership; and Fayette Manor Limited Partnership (“Defendants”) agree to the terms of this Consent Order, resolving this action filed by Plaintiff United States.

¹ Uniform Federal Accessibility Standards, 24 CFR, Part 8, implementing Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794.

2. This action is brought by the United States to enforce provisions of the Fair Housing Act ("FHA"), 42 U.S.C. §§ 3601 - 3619, and the Americans with Disabilities Act ("ADA"), 42 U.S.C. §§ 12181 - 12189. Specifically, the United States' Complaint alleges that Defendants have engaged in a pattern or practice of discrimination against persons with disabilities and denied rights to a group of persons because of disability by failing to design and construct the following covered multifamily dwellings (the "Subject Properties") with the features of accessible and adaptive design and construction required by subsections 804(f)(1), 804(f)(2) and 804(f)(3)(C) of the FHA, 42 U.S.C. §§ 3604(f)(1), (f)(2), and (f)(3)(C), and, with the exception of Sue Terrace Apartments, in a manner required by the ADA, 42 U.S.C. § 12183(a)(1):

- a. Brook Village Apartments, Lewisburg, WV
- b. Milton Place Apartments, Point Pleasant, WV
- c. Virginia Way Apartments, Shinnston, WV
- d. Wilshire Landing Apartments, Lewisburg, WV
- e. Hudson Place Apartments, Ripley, WV
- f. Garrett Mills Apartments, Grafton, WV
- g. Elle Bella Villa Apartments, Dunbar, WV
- h. Dara Heights Apartments, Princeton, WV
- i. Tyler Heights Apartments, Cross Lanes, WV
- j. Trace Ridge Apartments, Charleston, WV
- k. Barbara Heights Apartments, Shinnston, WV
- l. Spruce Cove Apartment, Lewisburg, WV
- m. Quarry Glenn Apartments, Weston, WV
- n. Pauli Heights Apartments, Bluefield, WV
- o. Plateau Oaks Apartments, Oak Hill, WV
- p. Jenna Landing Apartments, Sissonville, WV
- q. Dylan Heights Apartments, Summerville, WV
- r. Perkins Parke Apartments, Cross Lanes, WV
- s. Van Meter Heights Apartments, Beckley, WV
- t. Deer Forest Apartments, Gassaway, WV
- u. Lynnelle Landing Apartments, Charleston, WV
- v. Cranberry Cove Apartments, Beckley, WV
- w. Mill Creek Landing Apartments, Charleston, WV
- x. Hope Landing Apartments, Mount Hope, WV

C. Relevant Requirements of the Fair Housing Act.

34. The FHA provides that, for residential buildings with an elevator consisting of four or more dwelling units, all units that are designed and constructed for first occupancy after March 13, 1991, are "covered multifamily dwellings" and must include certain basic features of accessible and adaptive design to make such units accessible to or adaptable for use by a person who has or develops a disability. 42 U.S.C. §§ 3604(f)(3)(C) and (f)(7)(A).

35. The FHA provides that, for non-elevator residential buildings with four or more dwelling units, all ground-floor units that are designed and constructed for first occupancy after March 13, 1991, are "covered multifamily dwellings" and must include certain basic features of accessible and adaptive design to make such units accessible to or adaptable for use by a person who has or develops a disability. 42 U.S.C. §§ 3604(f)(3)(C) and (f)(7)(B).

36. The accessible and adaptive design provisions of the FHA require that for covered multifamily dwellings: (i) the public use and common use portions of such dwellings are readily accessible to and usable by persons with a disability; (ii) all the doors designed to allow passage into and within all premises within such dwellings are sufficiently wide to allow passage by persons with a disability using wheelchairs; (iii) all premises within such dwellings contain the following features of adaptive design: (I) an accessible route into and through the dwelling; (II) light switches, electrical outlets, thermostats, and other environmental controls in accessible locations; (III) reinforcements in bathroom walls to allow later installation of grab bars; and (IV) usable kitchens and bathrooms such that an individual using a wheelchair can maneuver about the space. 42 U.S.C. § 3604(f)(3)(C). These features are referred to herein as the "Accessible Design Requirements."

37. For the purposes of this Consent Order, the parties agree that the Subject Properties were designed and constructed for first occupancy after March 13, 1991, and therefore all of the units in buildings with elevators and the ground-floor units in non-elevator buildings at the Subject Properties are "covered multifamily dwellings" within the meaning of the FHA, 42 U.S.C. § 3604(f)(7)(A) and (B). As such, those units and the public and common use areas including the accessible pedestrian routes at the Subject Properties must comply with the Accessible Design Requirements of 42 U.S.C. § 3604(f)(3)(C).

D. Relevant Requirements of the Americans with Disabilities Act.

38. The ADA, and the ADA Standards for Accessible Design, ADA Accessibility Guidelines for Buildings and Facilities, 28 C.F.R. pt. 36, app. A (“ADA Standards”), that have been issued by the U.S. Department of Justice to implement the design and construction requirements of Title III of the ADA, also require that all “public accommodations” designed and constructed for first occupancy after January 26, 1993, and the goods, services, facilities, privileges, advantages, or accommodations of those public accommodations, be readily accessible to and usable by persons with disabilities in accordance with certain accessibility standards promulgated under that Act. 42 U.S.C. §§ 12182(a) and 12183(a)(1). A rental or sales office for an apartment, condominium, or patio home complex is a “public accommodation” under the ADA. 42 U.S.C. § 12181(7)(E).

39. For the purposes of this Consent Order, the parties agree that the rental offices for the Subject Properties, with the exception of Sue Terrace Apartments, were designed and constructed for first occupancy after January 26, 1993, and therefore the rental offices and the facilities and privileges provided at those offices such as public parking are required to be designed and constructed in accordance with the standards promulgated under the ADA.

E. Relevant Requirements of the Rehabilitation Act of 1974 (UFAS)

40. The Rehabilitation Act of 1973, 29 U.S.C. § 792, as amended, requires that minimal guidelines for accessibility be met at federally owned and federally assisted properties. The Uniform Federal Accessibility Standards (UFAS) establish the technical requirements of the Rehabilitation Act. Under UFAS, five percent of the total number of units at federally assisted multifamily housing projects must be UFAS compliant. UFAS, Section 4.1.4(11).

F. Subject Properties

1. Brook Village Apartments

41. Brook Village Apartments (“BVA”) is located at 248 Northridge Drive, Lewisburg, WV. It is an apartment rental property with a single, three-level elevator building. It has 32 units. It has a leasing office and public bathroom. It was constructed for first occupancy in 2011. BVA was developed using Low-Income Housing Tax Credits awarded in 2009. This property was developed with loans from the United States Department of Agriculture under the Rural Housing Service Section 538 Guaranteed Housing Program (hereafter “the Section 538 Program”).

42. The United States has inspected BVA and has specifically identified alleged failures to meet the Accessible Design Requirements of the FHA, the ADA, and UFAS Standards at this property. The FHA inaccessible features at BVA include, but may not be limited to, inaccessible pedestrian routes from unit entrances to the public street, site arrival points, and to public and common use areas at the complex with, inter alia, abrupt level changes greater than 1/4", excessive slopes that include cross slopes exceeding 2%, running slopes on ramps exceeding 8.33%, and wall mounted sconces in hallways that reduce head height on routes to less than 80" above the finished floor. It also has locations where there are inaccessible parking spaces. BVA lacks some usable doors because some units have primary entry doors

with an abrupt level change greater than 1/4". In some units, thermostat controls and light switches are not mounted at an accessible height of 48" or less above the finished floor. The doors to the manager's office and to the residents' laundry room are not usable because they have abrupt level changes greater than 1/4". The door from the residents' kitchen to the exterior common area is not usable because it has an abrupt level change greater than 1/4". The designated emergency exit at the South end of the building is not usable because it has an abrupt level change greater than 1/4". Some residents' mailboxes are mounted above the accessible height of 54" from the finished floor for a side approach. The interior doors to the residents' community rooms and to the laundry room are not usable because the force to open the doors is greater than 5 lbs.

2. Milton Place Apartments

43. Milton Place Apartments ("MPA") is located at 831 Pocono Place, Pointe Pleasant, WV. It is an apartment rental property with eight one-level, four-unit garden-style buildings. It has 32 total units, all of which are ground-level units. It has a leasing office and public bathroom. The property was constructed for first occupancy in 2011. MPA was developed using Low-Income Housing Tax Credits.

44. The United States has inspected MPA and has specifically identified alleged failures to meet the Accessible Design Requirements of the FHA and the ADA at this property. The FHA inaccessible features at MPA include, but may not be limited to, inaccessible pedestrian routes from unit entrances to the public street, site arrival points, and to public and common use areas at the complex with, inter alia, excessive slopes that include cross slopes exceeding 2%, and running slopes on ramps exceeding 8.33%. It also has locations where there are inaccessible parking spaces. In some units, thermostat controls are not mounted at an accessible height of 48" or less above the finished floor. Entry doors to the units have knob hardware that requires pinching and twisting to operate, and the doors to some units are not usable because they have an abrupt level change greater than 1/4". In some units, the center of the stovetop is less than the required 24" from an adjacent cabinet eliminating the required 30" x 48" centered clear floor space. The doors to the manager's office and to the resident laundry room are not usable because they have an abrupt level change greater than 1/4". The doors to the residents' laundry room and community room are not usable because they lack the required 18" maneuvering space at the latch side for a pull-side approach. The rent drop box at the manager's office is mounted at an inaccessible height for a front approach of more than 48" above the finished floor, and some residents' mailboxes are mounted at an inaccessible height for a side approach of more than 54" above the ground. The door to the residents' laundry room is not usable because the force to open the doors is greater than 8.5 lbs for an exterior door.

3. Virginia Way Apartments

45. Virginia Way Apartments ("VWA") is located at 725 East Avenue, Shinnston, WV. It is an apartment rental property with a single, three-level elevator building. It has 32 units. It has a leasing office and public bathroom. It was constructed for first occupancy in 2010. VWA was developed using Low-Income Housing Tax Credits. VWA was developed with loans from the Section 538 Program.

46. The United States has inspected VWA and has specifically identified alleged failures to meet the Accessible Design Requirements of the FHA, the ADA, and UFAS Standards at this property. The FHA inaccessible features at VWA include, but may not be limited to, inaccessible pedestrian routes from unit entrances to the public street, site arrival points, and to public and common use areas at the complex with, inter alia, wall mounted sconces and display shelves in hallways that reduce head height on routes to less than 80" above the finished floor. Mailboxes are mounted in inaccessible locations for a side reach at a height of more than 54" above the finished floor. In some units, the center of the lavatory is mounted less than the required 24" from a sidewall eliminating the required 30" x 48" centered clear floor space. The door to the bathroom in the manager's office is not usable because it lacks the required 18" clear maneuvering space at the latch side for the pull-side approach. Some residents' mailboxes are mounted above the accessible height of 54" above the finished floor for a side approach. The doors to the residents' game room, chapel, laundry room, and community room are not usable because the force to open the doors is greater than 5 lbs.

4. Wilshire Landing Apartments

47. Wilshire Landing Apartments ("WLA") is located at 719 Northridge Drive, Lewisburg, WV. It is an apartment rental property with one three-story 24-unit non-elevator building with eight ground-level units, and one 16-unit building that is partially three-stories and partially two-stories, six of which are ground-level units. It has 40 total units, at least 14 of which are ground-level units. It has a leasing office and public bathroom. The property was constructed for first occupancy in 2009. WLA was developed using Low-Income Housing Tax Credits. This property was developed with loans from the Section 538 Program.

48. The United States has inspected WLA and has specifically identified alleged failures to meet the Accessible Design Requirements of the FHA, the ADA, and UFAS Standards at this property. The FHA inaccessible features at WLA include, but may not be limited to, inaccessible pedestrian routes from unit entrances to the public street, site arrival points, and to public and common use areas at the complex with, inter alia, abrupt level changes greater than 1/4", excessive slopes that include cross slopes exceeding 2%, running slopes exceeding 5% without ramp features, running slopes on ramps exceeding 8.33%, and unprotected undersides of stairs and wall-mounted porch lights that reduce the head height on routes to less than 80" above the finished floor. WLA lacks usable doors because some units have primary entry doors with an abrupt level change greater than 1/4". Primary entry doors have knob hardware that requires pinching and twisting to operate. Some units have thermostat controls and light switches not mounted at an accessible height of 48" or less above the finished floor. WLA lacks usable bathrooms in some units. In some units, the center of the lavatory is mounted less than the required 24" from a sidewall eliminating the required 30" x 48" centered clear floor space. The doors to the manager's office, the resident laundry rooms, and the resident community room are not usable because they have an abrupt level change greater than 1/4". The door to the residents' laundry room is not usable because it lacks the required 18" clear maneuvering space at the latch side for a pull-side approach.

5. Hudson Place Apartments

49. Hudson Place Apartments ("HPA") is located at 100 Hudson Place, Ripley, WV. It is an apartment rental property with one two-story non-elevator building with 12 units, six of which are ground-level units, and four two-story eight-unit non-elevator buildings with four ground-level units in each. It has 44 total units, 22 of which are ground-level units. It has a leasing office and public bathroom. The property was constructed for first occupancy in 2009. HPA was developed using Low-Income Housing Tax Credits. This property was developed with loans from the Section 538 Program.

50. The United States has inspected HPA and has specifically identified alleged failures to meet the Accessible Design Requirements of the FHA, the ADA, and UFAS Standards at this property. The FHA inaccessible features at HPA include, but may not be limited to, inaccessible pedestrian routes from unit entrances to the public street, site arrival points, and to public and common use areas at the complex with, inter alia, abrupt level changes greater than 1/4", excessive slopes that include cross slopes exceeding 2%, running slopes on ramps exceeding 8.33%, and unprotected undersides of stairs and wall mounted porch lights that reduce the head height on routes to less than 80" above the finished floor. HPA lacks usable bathrooms in some units. In some units, the center of the lavatory is mounted less than the required 24" from a sidewall eliminating the required 30" x 48" centered clear floor space, and there is insufficient 30" x 48" clear floor space provided at the bathtub. HPA lacks usable kitchens in some units. In some units, the required 30" x 48" clear floor space is not provided centered on the refrigerator for a forward or side approach. The door to the residents' laundry room is not usable because it lacks the required 18" clear maneuvering space at the latch side for the pull-side approach, and it requires more than 8.5 lbs. to open for an exterior door. The doors to the manager's office and the residents' community room are not usable because they have abrupt level changes greater than 1/4". Some residents' mailboxes are mounted above the accessible height of 54" above the ground for a side approach. 101. The leasing offices, public bathrooms, and other public spaces at the Subject Properties described in paragraphs 41-98 are places of public accommodation within the meaning of Section 301(7)(E) of the Americans with Disabilities Act, 42 U.S.C. § 12181(7)(E). Examples of failure to comply with the ADA at the Subject Properties described in paragraphs 41-98 include, but may not be limited to, the following: (a) leasing office and/or public bathroom not on an accessible pedestrian approach route due to, inter alia, lack of accessible parking spaces; excessive slopes and/or abrupt level changes; doors that lack the required 18" clear maneuvering space at the latch side for a pull-side approach; doors with abrupt level changes greater than 1/4"; doors with knob hardware that requires pinching and twisting of the wrist to operate; doors that require force of more than 5 lbs. to open for an interior door or 8.5 lbs. to open for an exterior door; and/or (b) public bathrooms with toilet paper dispensers mounted more than the accessible height of 19" above the finished floor; toilet paper dispensers mounted more than the accessible distance of 36" from the rear wall; toilets located less than or more than the accessible distance of 18" from the centerline of the toilet to the sidewall; sinks that lack required insulation on the piping; sinks that lack the required 27" of knee space above the finished floor; and/or have mirrors mounted above the accessible height of 40" above the finished floor.

102. The Subject Properties identified in paragraphs 41-42 and 45-100, above, were built with the assistance of the USDA's Section 538 Program or the USDA's FmHA (RHS) Section 515 Program. The Section 538 Program provides government guarantees of loans made by private sector lenders for the development of affordable rural rental housing with at least five units. Section 515 Program loans are direct, competitive mortgage loans made to provide affordable multifamily rental housing for very low and moderate-income families, elderly persons, and persons with disabilities. Section 515 projects, like Section 538 projects, must comply with the accessibility requirements in Section 504 of the Rehabilitation Act and must follow the UFAS.

103. The failure of designated UFAS units at the Subject Properties identified in paragraph 41-42 and 45-100 to comply with the accessibility requirements of UFAS include, but are not limited to, lack of required accessible signage at unit entries; entry doors with vertical level changes exceeding 1/4"; primary entry doors that lack required clear maneuvering space at the push- or pull-side approaches; lack of 30" x 48" clear floor space with required knee and toe space at lavatory bowls for a forward approach; bathroom sinks without required pipe insulation; medicine cabinets and mirrors mounted too high above the finished floor for use by a person in a wheelchair; bathtubs that lack the required clear floor space because the lavatory is not mounted on the control wall side of the bathtub; bathtubs that lack required permanent seat mounted at the head of the tub; grab bars at the bathtub mounted in inaccessible locations; kitchens that lack the required work surface with a 30" wide clear space for a forward approach; kitchen sinks that lack the minimum 30" wide space and required knee and toe space for a forward approach; kitchen sinks that lack required pipe insulation; and the lack of required emergency visual alarms in bedrooms.

G. Consent of the Parties to this Order

104. Defendants agree to bring the Subject Properties into compliance with the FHA and, where applicable, the ADA and UFAS, as set forth herein.

104. The parties agree that this Court has jurisdiction over the subject matter of this case pursuant to 28 U.S.C. §§ 1331 and 1345, and 42 U.S.C. §§ 3614(a) and 12188(b)(1)(B). The parties further agree that this controversy should be resolved without further proceedings and without an evidentiary hearing or a trial.

105. As indicated by the signatures appearing below, the parties agree to the entry of this Consent Order.

It is hereby ORDERED, ADJUDGED, and DECREED:

II. GENERAL INJUNCTION

106. The Defendants and each of their officers, employees, agents, successors and assigns, and all other persons in active concert or participation with them are enjoined from discriminating on the basis of disability as prohibited by the Fair Housing Act, 42 U.S.C. §§ 3604(f)(1) – (3), and the Americans with Disabilities Act, 42 U.S.C. §§ 12182(a) and 12183(a)(1).

107. The Defendants and each of their officers, employees, agents, successors and assigns, and all other persons in active concert or participation with them are enjoined from interfering with or preventing the retrofitting ordered herein or the implementation or completion of this Consent Order. The Defendants agree to allow access to the public and common use areas of the Subject Properties, and, to the extent possible, access to unit interiors at the Subject Properties, for the purpose of planning, evaluating, and performing any action required under this Order to bring the public and common use areas and the unit interiors into compliance with the FHA and the FHA Guidelines, and for the purpose of interviewing or meeting with residents or

tenants to aid in the implementation or completion of this Order. If the Defendants sell any of the Subject Properties, the Defendants will obtain in writing as a condition of the sale the buyer(s)' agreement to allow access to the purchased properties for the purposes provided in this paragraph. Defendants will provide the United States with a copy of the written agreement to this effect between the Defendants and the buyer within fifteen (15) days of the sale of any Subject Property.

III. RETROFITS AT SUBJECT PROPERTIES

108. The United States, as set forth herein and in its Complaint, alleges that the Subject Properties do not meet the accessibility requirements of the FHA, the Fair Housing Accessibility Guidelines ("FHA Guidelines") (56 Fed. Reg. 9472 et seq. (1991)), the ADA, and the ADA Standards. To address the United States' allegations, the Defendants, in accordance with the FHA, the FHA Guidelines, the ADA, and the ADA Standards, shall complete the actions and retrofits described in this section and in Appendices A.1 - DD.1, Appendices A.2 - DD.2, Appendices A.3 - DD.2, and in accordance with the Route Inspection Protocol agreed to by the United States and the Defendants and described in Section VI, infra. The Defendants further agree to complete actions and retrofits necessary to bring units into compliance with UFAS as set forth in this Order, its appendices, and its protocols.

A. Brook Village Apartments (BVA)

1. Retrofits to Accessible Pedestrian Routes

109. As soon as reasonably possible, but by no later than twelve (12) months from the entry of this order, Douglas Pauley and Brook Village Limited Partnership will complete the retrofits to make the Accessible Pedestrian Routes identified in Appendix A.1 compliant with the FHA and the FHA Guidelines in accordance with the Route Inspection Protocol.

2. Retrofits to Public and Common Use Areas

110. As soon as reasonably possible, but by no later than eighteen (18) months from the entry of this Order, Douglas Pauley and Brook Village Limited Partnership will complete retrofits to the public and common use areas at BVA listed in Appendix A.2 to bring the public and common use areas of BVA into compliance with the FHA, FHA Guidelines, ADA, and ADA standards.

3. Retrofits to Covered Multifamily Dwelling Unit Interiors

111. As soon as reasonably possible, but by no later than two (2) years from the entry of this Order, Douglas Pauley and Brook Village Limited Partnership will complete all retrofits as described in Appendix A.3 to the interiors of the covered multifamily dwellings at BVA to bring these unit interiors into compliance with the FHA and the FHA Guidelines, and where applicable, UFAS, in accordance with the Interior Retrofit Inspection Protocol ("Interior Inspection Protocol") agreed to by the United States and the Defendants and described in Section VI, infra. Douglas Pauley and Brook Village Limited Partnership will retrofit the interior of a

covered multifamily dwelling at BVA no later than the first time that unit becomes vacant following the entry of this Consent Order and before that unit is occupied by a new tenant or resident. Regardless of whether or not a vacancy arises for such retrofitting, however, Douglas Pauley and Brook Village Limited Partnership will complete retrofitting within two (2) years from entry of this Order.

112. Within forty-five (45) days from the date of the entry of this Order, Douglas Pauley and Brook Village Limited Partnership will provide a notice that is substantially equivalent to Appendix EE to BVA residents. The notice will inform BVA residents that (1) the United States alleges that the unit and public and common use areas do not meet the requirements of the FHA and FHA Guidelines, and in some instances, UFAS, and that to settle this lawsuit, Douglas Pauley and Brook Village Limited Partnership have agreed to perform certain retrofits to the dwelling units; (2) the unit must be retrofitted within two (2) years of the date of the entry of the Consent Order; (3) the resident can schedule the retrofits; (4) the retrofits will be performed at no cost to the resident; and (5) temporary relocation, or if temporary relocation is unavailable, a payment equivalent to the U.S. General Services Administration rate will be provided to the resident for temporary relocation expenses incurred by the tenant, as required by Section IV of this Order, infra.

113. BVA residents may request the retrofits in writing, and the requests will be granted by Douglas Pauley and Brook Village Limited Partnership on a first come, first served basis. Douglas Pauley and Brook Village Limited Partnership complete the retrofits as promptly as practical, but no later than forty-five (45) days from the date on which the retrofits were requested by a resident on a first come, first served basis, with such deadline being subject to paragraph 294 of this Consent Order.

B. Milton Place Apartments (MPA)

1. Retrofits to Accessible Pedestrian Routes

114. As soon as reasonably possible, but by no later than twelve (12) months from the entry of this order, Douglas Pauley and Milton Place Limited Partnership will complete the retrofits to make the Accessible Pedestrian Routes identified in Appendix B.1 compliant with the FHA and the FHA Guidelines in accordance with the Route Inspection Protocol.

2. Retrofits to Public and Common Use Areas

115. As soon as reasonably possible, but by no later than eighteen (18) months from the entry of this Order, Douglas Pauley and Milton Place Limited Partnership will complete retrofits to the public and common use areas at MPA listed in Appendix B.2 to bring the public and common use areas of MPA into compliance with the FHA, FHA Guidelines, ADA, and ADA standards.

3. Retrofits to Covered Multifamily Dwelling Unit Interiors

116. As soon as reasonably possible, but by no later than two (2) years from the entry of this Order, Douglas Pauley and Milton Place Limited Partnership will complete all retrofits as described in Appendix B.3 to the interiors of the covered multifamily dwellings at MPA to bring these unit interiors into compliance with the FHA and the FHA Guidelines in accordance with the Interior Retrofit Inspection Protocol. Douglas Pauley and Milton Place Limited Partnership will retrofit the interior of a covered multifamily dwelling at MPA no later than the first time that unit becomes vacant following the entry of this Consent Order and before that unit is occupied by a new tenant or resident. Regardless of whether or not a vacancy arises for such retrofitting, however, Douglas Pauley and Milton Place Limited Partnership will complete retrofitting within two (2) years from entry of this Order.

117. Within forty-five (45) days from the date of the entry of this Order, Douglas Pauley and Milton Place Limited Partnership will provide a notice that is substantially equivalent to Appendix EE to MPA residents. The notice will inform MPA residents that (1) the United States alleges that the unit and public and common use areas do not meet the requirements of the FHA and FHA Guidelines and that to settle this lawsuit, Douglas Pauley and Milton Place Limited Partnership have agreed to perform certain retrofits to the dwelling units; (2) the unit must be retrofitted within two (2) years of the date of the entry of the Consent Order; (3) the resident can schedule the retrofits; (4) the retrofits will be performed at no cost to the resident; and (5) temporary relocation, or if temporary relocation is unavailable, a payment equivalent to the U.S. General Services Administration rate will be provided to the resident for temporary relocation expenses incurred by the tenant, as required by Section IV of this Order, *infra*.

118. MPA residents may request the retrofits in writing, and the requests will be granted by Douglas Pauley and Milton Place Limited Partnership on a first come, first served basis. Douglas Pauley and Milton Place Limited Partnership will complete the retrofits as promptly as practical, but no later than forty-five (45) days from the date on which the retrofits were requested by a resident on a first come, first served basis, with such deadline being subject to paragraph 294 of this Consent Order.

C. Virginia Way Apartments (VWA)

1. Retrofits to Accessible Pedestrian Routes

119. As soon as reasonably possible, but by no later than twelve (12) months from the entry of this order, Douglas Pauley and Virginia Way Limited Partnership will complete the retrofits to make the Accessible Pedestrian Routes identified in Appendix C.1 compliant with the FHA and the FHA Guidelines in accordance with the Route Inspection Protocol.

2. Retrofits to Public and Common Use Areas

120. IV. INCONVENIENCE AND OVERNIGHT STAYS FOR RETROFITTING UNIT INTERIORS

259. Defendants will endeavor to minimize inconvenience to residents and homeowners in scheduling and performing retrofits required by this Order at the Subject Properties.

260. Defendants with an ownership or control interest in a specific Subject Property will offer any resident or homeowners of a unit scheduled to undergo a retrofit who will be dislocated from the unit for more than twenty-four (24) hours consecutively a similarly-sized furnished unit at one of the Subject Properties at no cost. In the event that a similarly-sized furnished unit at one of the Subject Properties is not available, Defendants will pay the resident the applicable government per diem rate for food and lodging for the local area (as available at www.gsa.gov— click on “per diem rates” under travel) for each day of undue inconvenience or hardship for the resident(s). Such payment will be made prior to the commencement of any retrofit work on the resident’s or homeowner’s unit, so that the resident or homeowner can use the money to obtain alternative living accommodations and food while dislocated.

V. NOTICE OF RETROFITS TO PUBLIC AND COMMON USE AREAS

261. Within sixty (60) days of the entry of this Order, Defendants will provide written notice to all residents and homeowners at the Subject Properties stating that the retrofits required by this Order will be performed to the public and common use areas of the Subject Properties, which include unit entrances and accessible routes. Such notice will conform to Appendix JJ.

Defendants will certify to the United States in writing that the notices have been distributed and the manner in which they were distributed within ten (10) days after such distribution.

VI. NEUTRAL INSPECTOR

262. Defendants will enter into a contract with a neutral inspector approved by the United States ("Inspector") to conduct on-site inspections of the retrofits that have been performed under this Order to determine whether the retrofits have been completed in accordance with the specifications in this Order's Appendices A.1 – DD.1, Appendices A.2 – DD.2, Appendices A.3 – DD.3, the Interior Retrofit Protocol and the Route Inspection Protocol that describe the retrofits for the properties. The Inspector will have expertise in the Accessible Design Requirements of the FHA, and the requirements of the FHA Guidelines, ADA, ADA Standards, and ANSI A117.1-1986.

263. An inspection of a Subject Property will take place within thirty (30) days of the completion of all of the retrofits to all of the Accessible Pedestrian Routes as set forth in the relevant Appendix, within thirty (30) days of the completion of all of the retrofits to the public and common use areas as set forth in the relevant Appendix, and within thirty (30) days of completion of all of the retrofits to the covered multifamily dwelling units as set forth in the relevant Appendix, or as soon thereafter as practicable for each. Defendants will give the United States at least three (3) weeks' notice of the inspection and will give the United States an opportunity to have its representative present for the inspection.

264. The inspections of Accessible Pedestrian Routes, Public and Common Use Areas and dwelling units will be conducted by the Inspector in accordance with this Order and the relevant Appendices. The inspections of the Accessible Pedestrian Routes will also be conducted by the Inspector in accordance with the written Route Inspection Protocol which will be provided to the Inspector. The inspections of the dwelling units will also be conducted by the Inspector in accordance with the written Interior Inspection Protocol which will be provided to the Inspector.

265. The Inspector will set out the results of each inspection of the Subject Property, including deficits if any, in writing and will send that report to counsel for Defendants and for the United States. The Inspector will take digital photographs of any deficiencies identified at each Subject Property. If the inspection indicates that not all of the required retrofits have been made as specified in the Appendices, Interior Inspection Protocol or the Route Inspection Protocol that apply to the Subject Property, the Defendants involved in that specific Subject Property as set forth above, will correct any deficiencies within a reasonable period of time and will pay for another inspection by the same Inspector to certify the deficiencies have been corrected. This process will continue until the Inspector certifies that all of the necessary retrofits have been made. The Defendants involved in that specific property will pay all of the Inspector's reasonable costs associated with these inspections of the Subject Property, and such payments will be made without regard to the Inspector's findings. Upon reasonable notice to Defendants, representatives of the United States will be permitted to inspect the retrofits made by the Defendants in accordance with this Consent Order or the third-party inspection reports

provided for in this Order, to ensure compliance; provided, however, that the United States will endeavor to minimize any inconvenience caused by such inspections.

VII. TRANSFER OF INTEREST IN PROPERTIES

266. The sale, foreclosure, or any other transfer of ownership, in whole or in part, whether voluntary or involuntary, of any of the Subject Properties shall not affect Defendants' continuing obligation to retrofit any Subject Property as specified in this Order. Should a Defendant sell or transfer ownership of any Subject Property, in whole or in part, or any portion thereof, prior to the completion of the retrofits specified in this Order, its appendices, or its protocols, the Defendant will at least thirty (30) days prior to completion of the sale or transfer or as soon as practicable: (a) provide to each prospective buyer written notice that the Subject Property is subject to this Order, including specifically the Defendant's obligations to complete required retrofit work and to allow inspections, along with a copy of this Order; and (b) provide to the United States, by facsimile and first-class mail, written notice of the intent to sell or transfer ownership, along with a copy of the notice sent to each buyer or transferee, and each buyer's or transferee's name, address and telephone number.

VIII. NO RAISING RENTS PRICES

267. Defendants with an ownership or management interest in a Subject Property, their agents and affiliated companies, may not raise the rent price of any dwelling unit, or demand any deposit or other fee for a dwelling unit at any Subject Property solely because of contemplated or completed retrofits in a dwelling unit.

IX. NON-DISCRIMINATION IN FUTURE DESIGN AND CONSTRUCTION

268. For the duration of this Order, Defendant Douglas Pauley will maintain, and provide to the United States, the following information and statements regarding Lina Landing Apartments and Zachary Gardens Apartments,² and any other covered multifamily dwellings intended to be, or which actually are, purchased, developed, built, designed, constructed, or engineered in whole or in part, by any of them or by any entities in which they have a position of

- b. a description of the property and the individual units;
- c. the name, address, and telephone number of the civil engineer(s) involved with the project;
- d. a statement from the civil engineer(s) involved with the property acknowledging and describing his/her knowledge of and training in the requirements of the Fair Housing Act and the ADA and in the field of accessible site design and certifying that he/she has reviewed the engineering documents for the project and that the design specifications therein fully comply with the requirements of the Fair Housing Act, the FHA Guidelines, the ADA, and the ADA Standards;
- e. The name, address and telephone number of the architect(s) involved with the property;
- f. a statement from all architect(s) involved with the property, acknowledging and describing his/her knowledge of and training in the Accessible Design Requirements of the FHA, 42 U.S.C. § 3406(f)(1), (f)(2), and (f)(3)(C), the requirements of the FHA Guidelines, the ADA, 42 U.S.C. § 12183(a)(1), the ADA Standards, and in the field of accessible site design and certifying that he/she has reviewed the architectural plans for the property and that the design specifications therein fully comply with the requirements of the Act, the FHA Guidelines, the ADA, and the ADA Standards.
- g. If the engineering documents or architectural plans are revised, and the revisions could have any impact on the accessibility of the dwellings or property, each of the Defendants will obtain, maintain, and provide to the United States upon request, a statement from the civil engineer(s) or architect(s) involved with the property that all specifications in the revised engineering documents or architectural plans, as pertinent, comply with the Accessible Design Requirements of the Fair Housing Act and the FHA Guidelines, and the Americans with Disabilities Act, and the ADA Standards, where applicable.

269. Defendants will take all actions to make the construction of Lina Landing Apartments, Zachary Gardens Apartments, as well as new construction at any existing Subject Property, or any future construction within the meaning of paragraph 268, above, fully compliant with the Accessible Design Requirements of the Fair Housing Act, the FHA Guidelines, the Americans with Disabilities Act, and the Americans with Disabilities Act Accessibility Standards. During the term of this Order, upon reasonable notice, the United States will be permitted full access to such properties to inspect for compliance with the FHA, FHA Guidelines, ADA, and ADA Standards.

X. SETTLEMENT FUND AND PAYMENTS TO AGGRIEVED PERSONS

270. 167. Within ninety (90) days after the date of this Consent Order, the Defendants shall deposit in an interest-bearing account the total sum of ONE HUNDRED THOUSAND DOLLARS (\$100,000) for the purpose of compensating any aggrieved persons who may have suffered as a result of the alleged discriminatory housing practices by the Defendants. This money shall be referred to as the "Settlement Fund," and shall be for the purpose of compensating any aggrieved persons who may have suffered as a result of the alleged discriminatory housing practices by the Defendants.

271. Within ninety (90) days of the entry of this Order, the Defendants shall publish the Notice to Potential Victims of Alleged Housing Discrimination ("Notice") at Appendix FF informing readers of the availability of compensatory funds. 273. Within six (6) months of the entry of this Order, the Defendants shall send, by first-class mail, postage pre-paid, a copy of the Notice to each past or present tenant at the Subject Properties for whom they have records. For past tenants, the Defendants will have complied with the requirements of this paragraph by mailing such notice to the forwarding address provided to the owners or managers of the Subject Properties or their agents by the former tenant at the time the former tenant moved out. Within seven (7) months of entry of this Order, the Defendants shall provide to counsel for the United States proof that the Notices have been sent.

274. Allegedly aggrieved persons shall have twelve (12) months from the date of the entry of this Order to contact the United States. The United States shall investigate the claims of allegedly aggrieved persons and, within eighteen (18) months from the entry of this Order, shall make a preliminary determination of which persons are aggrieved and whether any amount of damages should be paid to each such person. The preliminary determinations of the appropriate amount of damages shall total no more than ONE HUNDRED THOUSAND DOLLARS (\$100,000.00), and shall not include any interest that has accrued in the account. The United States will inform the Defendants, in writing, of its preliminary determinations, together with a copy of a sworn declaration from each allegedly aggrieved person setting forth the factual basis of the claim. The Defendants shall have ninety (90) days to review the declarations and provide to the United States any comments, documents or information that they believe may refute the claim.

275. Not later than ninety (90) days after receiving the comments, documents and information from the Defendants, the United States shall submit its final recommendations to the Court for approval, together with a copy of the declarations and any additional information submitted by Defendants. The final recommendations by the United States shall not total more than ONE HUNDRED THOUSAND DOLLARS (\$100,000), and shall not include any interest that has accrued in the account. When the Court issues an order approving or changing the United States' proposed distribution of funds for allegedly aggrieved persons, the Defendants, within ten (10) days of the Court's order, shall deliver to the United States checks payable to the allegedly aggrieved persons in the amounts approved by the Court, plus a proportionate share of the interest that has accrued in the Settlement Fund as of the day before the checks are sent to the United States. In no event shall the aggregate of all such checks exceed the sum of the Settlement Fund, including accrued interest. No allegedly aggrieved person shall be paid until he/she has executed and delivered to counsel for the United States the release at Appendix GG.

276. The Defendants shall permit the United States, upon reasonable notice, to review any records that may reasonably facilitate its determinations regarding the claims of alleged aggrieved persons.

277. Nothing in this Consent Order shall preclude the United States from making its own efforts to locate and provide notice to potential aggrieved persons.

278. After the satisfaction of paragraphs 271 -276, above, and the expiration of the corresponding time periods, any money remaining in the Settlement Fund, including interest, shall be distributed to a qualified organization(s) for the purpose of conducting enforcement or educational activities related to the Fair Housing Act in West Virginia, with an emphasis on the protection of the rights of persons of with disabilities. Before selecting the qualified organization(s), the Defendants will obtain a proposal from the organization(s) on how the funds will be used consistent with the above-stated purpose, submit such proposal to the United States, and consult with and obtain the non-objection of the United States. The United States and the Corporate Defendants may request modification of the proposal before approving the organization(s). The parties shall thereafter seek approval from the Court to distribute the remaining funds to the qualified organization(s).

279. The Defendants shall also require that the qualified organization(s) receiving funds submit to the Defendants and the United States a detailed report on how the funds are utilized within one year of receipt of funds, and every year thereafter until the funds are exhausted.

XI. CIVIL PENALTY

280. Within fifteen (15) days of the date of this order, Defendants will pay a civil penalty of TEN THOUSAND DOLLARS (\$10,000) pursuant to 42 U.S.C. § 3614(d)(1)(C) and 42 U.S.C. § 12188(b)(2)(C)(I) to vindicate the public interest by submitting a check made payable to the "United States of America" to counsel for the United States.

XII. EDUCATIONAL PROGRAM

281. Within thirty (30) days of the entry of this Order, Defendants will provide a copy of this Order to all their agents and employees involved in the design or construction of the Subject Properties and secure the signed statement from each agent or employee acknowledging that he or she has received and read the Order, and has had an opportunity to have questions about the Order answered. This statement will be substantially similar to the form of Appendix HH.

282. During the term of this Order, within thirty (30) days after the date he or she commences an agency or employment relationship with a Defendant, each new agent or employee involved in the design and construction of any Subject Property or other covered multifamily dwelling property will be given a copy of this Order and be required to sign the statement acknowledging that he or she has received and read the Order, and has had an opportunity to have questions about the Order answered. This statement will be substantially similar to the form of Appendix HH.

283. Defendants will also ensure that they and their employees and agents who have primary management authority over the design and/or construction of covered multifamily dwellings have a copy of, are familiar with, and personally review, the Fair Housing Accessibility Guidelines, 56 Fed. Reg. 9472 (1991) and the United States Department of Housing and Urban Development, Fair Housing Act Design Manual, A Manual to Assist

Builders in Meeting the Accessibility Requirements of the Fair Housing Act, (August 1996, Rev. April 1998). Defendants and all employees and agents whose duties, in whole or in part, involve the management, sale and/or rental of multifamily dwellings at issue in this case will be informed of those portions of the Fair Housing Act that relate to accessibility requirements, reasonable accommodations and reasonable modifications.

284. Within ninety (90) days of the date of entry of this Consent Order, Defendants and all their employees and agents whose duties, in whole or in part, involve or will involve primary management authority over the development, design and/or construction of multifamily dwellings will undergo training on the design and construction requirements of the Fair Housing Act and the ADA, unless they have already had similar training within the last four years. The training will be conducted by a qualified individual who has been previously approved by the Department of Justice, and any expenses associated with this training will be borne by Defendants. Defendants will provide to the United States, within thirty (30) days after the training, the name(s), address(es) and telephone number(s) of the trainer(s); copies of the training outlines and any materials distributed by the trainers; and certifications executed by all Defendants and covered employees and agents confirming their attendance, in a form substantially equivalent to Appendix II.

XIII. NOTICE OF DEFENDANTS' NON-DISCRIMINATION POLICY

285. Within ten (10) days of the date of entry of this Consent Order, Defendants with an ownership or management interest in a covered multifamily dwelling property will post and prominently display in the sales or rental offices of all covered multifamily dwellings owned or operated by them a sign no smaller than 10 by 14 inches indicating that all dwellings are available for rental on a nondiscriminatory basis. A poster that comports with 24 C.F.R. Part 110 will satisfy this requirement.

286. For the duration of this Consent Order, in all future advertising in newspapers, electronic media, pamphlets, brochures and other promotional literature regarding the Subject Properties or any new covered multifamily dwelling properties that any Defendant may develop or construct, such Defendant will place, in a conspicuous location, a statement that the dwelling units include features for persons with disabilities required by the federal Fair Housing Act.

XIV. NOTIFICATION AND DOCUMENT RETENTION REQUIREMENTS

287. In addition to all other reporting required herein, within one hundred eighty (180) days after the date of entry of this Consent Order, Defendants will submit to the United States an initial report containing the reporting required by paragraphs 268, 281 – 286, and containing the signed statements of the Defendants and their employees and agents who have completed the training program specified in paragraph 284 of this Consent Order. Thereafter during the term of this Order, Defendants will, on the anniversary of the entry of this Order, submit to the United States a compliance report detailing their compliance with this Order, including details on the retrofitting and inspections of the retrofits at the Subject Properties, the reporting required by paragraphs 268-269 on the current and future design and construction, and containing the signed statements of new employees and agents that, in accordance with paragraph 282 of this Consent

Order, they have received and read the Order, and had an opportunity to have questions about the Order answered, except that the last compliance report will be due sixty (60) days prior to the anniversary.

288. For the duration of this Consent Order, Defendants will advise the United States in writing within fifteen (15) days of receipt of any written administrative or legal fair housing complaint against any property owned or managed by them, or against any employees or agents of the Defendants working at or for any such property, regarding discrimination on the basis of disability in housing. Upon reasonable notice, Defendants will also provide the United States all information it may request concerning any such complaint. Defendants will also advise counsel for the United States, in writing, within fifteen (15) days of the resolution of any complaint.

289. For the term of this Consent Order, Defendants are required to preserve all records related to this Consent Order, related to the Subject Properties and related to any other covered multifamily dwellings designed, constructed, owned, operated, or acquired by them during the duration of this Consent Order. Upon reasonable notice to Defendants, representatives of the United States will be permitted to inspect and copy any records of Defendants or inspect any properties or dwelling units under the control of Defendants bearing on compliance with this Consent Order at any and all reasonable times, provided, however, that the United States will endeavor to minimize any inconvenience to Defendants and residents from such inspections.

XV. LOW-INCOME HOUSING TAX CREDIT PROGRAM COMPLIANCE

290. Defendants are hereby notified that, in the event that the Defendants fail to comply with any of the terms of this Consent Order and the United States obtains an order establishing such noncompliance, the United States may take any appropriate action, including but not limited to notifying the appropriate state housing finance agency of the violation. See 26 U.S.C. § 42(m)(1)(B)(iii).

XVI. DURATION OF CONSENT ORDER AND TERMINATION OF LEGAL ACTION

291. This Consent Order will remain in effect for five (5) years after the date of its entry. By consenting to entry of this Order, the parties agree that in the event that a Design and Construct Defendant engages in any future conduct occurring after entry of this Order that leads to a determination of a violation of the Fair Housing Act, such conduct will constitute a "subsequent violation" pursuant to 42 U.S.C. § 3614(d)(1)(C)(ii). By consenting to entry of this Consent Order, the United States and parties agree that in the event that a Design and Construct Defendant engages in any future violation(s) of the ADA, such violation(s) will constitute a "subsequent violation" pursuant to 42 U.S.C. § 12188(b)(2)(C)(ii).

292. The Court will retain jurisdiction for the duration of this Order to enforce the terms of the Order, at which time the case will be dismissed with prejudice. The United States may move the Court to extend the duration of the Order in the interests of justice.

293. All parties will endeavor, in good faith, to resolve informally any differences regarding interpretation of and compliance with this Order prior to bringing such matters to the Court for resolution. However, in the event of a failure by a Defendant to perform, in a timely manner, any act required by this Order or otherwise for their failure to act in conformance with any provision thereof, the United States may move this Court to impose any remedy authorized by law or equity, including, but not limited to, an order requiring performance of such act or deeming such act to have been performed, and an award of any damages, costs, and reasonable attorney's fees which may have been occasioned by the violation or failure to perform.

XVII. TIME FOR PERFORMANCE

294. Time limits for performance imposed by this Consent Order may be extended by leave of the Court.
