Dear :

11 U.S.C. §109(h) requires a debtor to receive, within 180 days preceding the date of filing the petition, credit counseling from an approved non profit budget and credit counseling agency outlining the opportunities for available credit counseling and assisting the debtor in performing a related budget analysis. 11 U.S.C. § 521(h) requires the debtor to file with the court a credit counseling certificate. Interim Rule 1007(c) requires the filing of the credit counseling certificate within fifteen (15) days after filing the petition, unless the court orders otherwise. A review of the above-referenced case indicates that you have not filed the required credit counseling certificate.

YOUR FAILURE TO COMPLY WITH THIS REQUEST MAY RESULT IN THE UNITED STATES TRUSTEE FILING A MOTION FOR DISMISSAL PURSUANT TO 11 U.S.C. §§707(a).

Thank you in advance for your prompt attention to this matter.

Very truly yours,

/s/
