- Each call will have multiple cases; after connecting to the call please place your phone on mute and wait until your case is called before speaking.
- When your case is called, please speak clearly and loudly as the meeting is being recorded.
- Debtors should be prepared and have copies of documents on which they can reasonably expect to be examined (petition, schedules, statement of financial affairs, tax returns, etc.) or any documents the trustee has indicated in advance that debtors should have available for questioning.
