The United States Trustee Program adjusted its statistical measurement of marijuana enforcement actions in Fiscal Year (FY) 2020, which began on October 1, 2019. The reporting periods within this report were measured by calendar quarters. For example, the Third Quarter of 2019 reflects the time period July 1, 2019 through September 30, 2019. Under the adjusted fiscal year reporting, the next reported quarter will cover the First Quarter of FY 2020, which ran from October 1, 2019 through December 31, 2019.
