OPERATING GUIDELINES AND REPORTING
REQUIREMENTS FOR CHAPTER 11 CASES
FILED IN THE MIDDLE DISTRICT OF TENNESSEE

INTRODUCTION

Section 586(a)(3) of Title 28 of the UNITED STATES CODE provides that the United States Trustee shall supervise the administration of Chapter 11 cases within the Region for which such United States Trustee is appointed. Pursuant to that section, the United States Trustee for Region 8, which is comprised of the judicial districts of the States of Kentucky and Tennessee, has promulgated the following requirements for debtors in possession and appointed trustees in Chapter 11 cases.

Rule 9034, Federal Rules of Bankruptcy Procedure ("FRBP"), requires that the U.S. Trustee be served with copies of all documents filed in the case. Copies of documents or pleadings shall be served electronically when filed with the court except for those documents specifically excluded from electronic service by the Local Rules of the Bankruptcy Court of the Middle District of Tennessee. Unless you are specifically directed otherwise, communications to or documents to be served upon the U.S. Trustee should be directed to the attention of Assistant US Trustee, Suite 318, 701 Broadway, Nashville, TN 37203-3946 (ustpregion8.na.ecf@usdoj.gov).

All certifications, reports, documents, and any other papers required by the Office of the United States Trustee which are to be signed by the debtor must be signed by the debtor or an authorized principal of the debtor. Failure of the debtor or an authorized principal to sign, or signing by any other party, including debtor's counsel or accountant, will render the document incomplete. Joint debtors may file one set of operating reports each month, but both debtors must sign every report.

TIMELY COMPLIANCE WITH EACH OF THE FOLLOWING REQUIREMENTS IS MANDATORY. FAILURE TO COMPLY WITH ANY REQUIREMENT MAY RESULT IN THE U.S. TRUSTEE OR OTHER PARTIES MOVING TO DISMISS OR CONVERT YOUR CASE, FOR THE APPOINTMENT OF A TRUSTEE OR EXAMINER, OR THE IMPOSITION OF SANCTIONS.

ANY REQUESTS FOR MODIFICATION OF ANY OF THESE REQUIREMENTS MUST BE MADE IN WRITING AND APPROVED IN WRITING BY THE OFFICE OF THE UNITED STATES TRUSTEE.

GUIDELINES AND REQUIREMENTS

1. GENERAL REQUIREMENTS

- A. Complete statements of financial affairs and complete schedules of liabilities and assets must be filed either with the petition commencing the case or within 14 days of the commencement of the case. A list of the 20 largest unsecured creditors (excluding insiders) must be filed with the petition upon commencement of the case. For Small Business Cases, as defined by 11 U.S.C. §101(51)(D), the most recent balance sheet, statement of operations, cash flow statement and federal income tax return must be filed with the petition as well.
- B. Debtors in Possession, through persons designated under Local Rule 4002-1 as senior management, and counsel, must attend meetings scheduled by the court or the U.S. Trustee, including initial debtor interviews, scheduling conferences, and meeting of creditors convened under 11 U.S.C. §341.
- C. The debtor may not pay debts owed before the commencement of the case (“pre-petition debts”) except as allowed by the Bankruptcy Court. This prohibition includes home mortgages, wages, vehicle loans, etc. Additionally, no assets may be sold or disposed of except as allowed by and upon compliance with §363 of the Code and the Bankruptcy Rules governing sales.

Requests for payment of pre-petition wages must be accompanied by a detailed list of persons and amounts to be paid. Agreed orders for adequate protection must include description of the collateral, the value of the collateral as of the petition date, the current value of the collateral, and the rate of depreciation of the collateral or other factors affecting the value of the collateral.

- D. The debtor may not pay any professionals, such as attorneys, accountants, or appraisers, without Court approval. Judicial approval of employment of such professionals must be obtained prior to the rendering of any services.
- E. Except for compensation to professionals, the debtor must pay in full when due all new obligations arising after the filing of the petition (“post-petition”).
- F. The debtor may not use cash collateral (as defined by §363) without the consent of the secured creditor or the approval of the Court. Requests for use of cash collateral shall be accompanied by a budget, a statement as to the notice provided to creditors, and a statement whether the secured creditor(s) consents to the use of cash collateral.
- G. The debtor may obtain credit or incur secured or unsecured debt only upon the

Court's approval unless the credit or debt is within the established pre-petition ordinary course of business.

- H. The debtor must obtain approval of the Court to use, sell, or lease property of the estate, unless the use, sale or lease of property is within the established pre-petition ordinary course of business of the debtor.

2. BANK ACCOUNTS

- A. Immediately upon the filing of the petition, unless the court orders otherwise, the debtor shall close any bank account over which the debtor has possession or control at the time of filing.
- B. Immediately upon the filing of the petition, the debtor shall open at least one debtor in possession account. If the debtor uses cash collateral, separate cash collateral accounts must be established and maintained pursuant to 11 U.S.C. §363(c)(4). Attached is a "Debtor-in-possession Statement for Depository" including a listing of depositories which have agreed to comply with the guidelines of the U.S. Trustee. The debtor must complete this statement and present it to the depository to open the debtor in possession accounts.
- C. The debtor must deposit all receipts and make all disbursements through the debtor in possession accounts. This includes post-petition personal services income (wages, etc.). Any funds in excess of those required for current operations should be maintained in an interest-bearing account.
- D. In the event the depository refuses to comply with the U.S. Trustee guidelines, the debtor must move the accounts to another depository within a reasonable time after notice from the U.S. Trustee; such reasonable time shall not exceed 30 days.
- E. When a trustee is appointed to succeed a debtor in possession, the trustee may continue previously opened and maintained debtor in possession accounts but must ensure that the accounts and checks reflect the trustee's name and title along with the name of the debtor and the case number.

3. INSURANCE

- A. A debtor must maintain appropriate insurance coverage, and documentation regarding the existence of the coverage must be provided to the United States Trustee as early in the case as possible.

- B. The dollar amount of the insurance coverage must be sufficient to cover the fair market value of the estate's property, as supported by sources such as the testimony of the debtor's principal, the schedules and statement of financial affairs, and appraisals prepared in connection with financing or valuation hearings. The extent of coverage must be adequate, given the circumstances of the case.
- C. The debtor is required to maintain all or a combination of fire and extended liability insurance, general liability insurance, worker's compensation and unemployment insurance, employee health insurance (especially if pursuant to a collective bargaining agreement or retirement plan; *see* 11 U.S.C. § 1113 and 1114), malpractice insurance, product liability insurance, and liquor or dram shop insurance. The debtor must instruct its insurance companies and agents to include the Office of the United States Trustee as a notice party on any insurance policies so that the United States Trustee receives prior notification regarding any change, cancellation, or expiration of a debtor's insurance policy. A debtor is also required to provide separate notice to the United States Trustee regarding any change in insurance coverage.

4. TAXES

- A. The debtor shall file returns for, but not pay, all the pre-petition taxes, including sales taxes, as soon as possible after the date of the filing of the petition. A copy of each return shall be served on the U.S. Trustee.
- B. The debtor shall pay any post-petition tax liability associated with the debtor's payroll, in accordance with the most recent edition of the Internal Revenue Service's Circular E Publication, and state and local taxing authority guidelines, unless a Court order or other order of the taxing authority requires otherwise.
- C. All tax returns and reports for post-petition obligations shall be timely filed and accompanied by payment in full of any tax liability. A copy of each return, and verification of payment of taxes due, shall be served on the U.S. Trustee.
- D. Chapter 11 debtors who are individuals should refer to the Internal Revenue Service's Notice 2006-83, which provides further guidance for individuals filing bankruptcy cases under Chapter 11. Pursuant to those guidelines, debtors who are individuals must obtain new taxpayer identification numbers for the bankruptcy estate created when the bankruptcy petition was filed. In addition, separate income tax returns may be required for the bankruptcy estate and debtors. Individual debtors should refer to the IRS publication (Internal Revenue Bulletin 2006-40) and consult with their accountant for specific guidance.

5. INITIAL DEBTOR INTERVIEW

Senior Management (refer to Local Rule 4002-1) along with debtor's counsel must attend an initial debtor interview. These meetings will be conducted by an attorney and analyst from the Office of the United States Trustee generally within eight business days after the filing of the petition. In addition to informing the debtor of its obligations in bankruptcy, the U.S. Trustee will begin to assess the viability of the debtor and inquire about the debtor's plan to reorganize.

The debtor is required to produce the following documents at the initial debtor interview, as detailed on the attached Initial Report Checklist:

- A. Completed "Initial Report Checklist". (Exhibit A)
- B. Completed "Information for Initial Debtor Interview". (Exhibit B)
- C. Completed "Certification of Receipt of Operating Guidelines and Designation of Specific Individuals". (Exhibit C)
- D. Completed "Bank Account Declaration of Debtor" (Exhibit D) under penalty of perjury verifying the closing of all pre-petition bank accounts and stating the date each account was closed and that all monies were transferred to the new debtor in possession bank accounts. Voided permanent checks from the new account(s) must be attached.
- E. Completed "Insurance Expiration Statement" (Exhibit E) and proof of the following insurance coverages:
 - (1) Casualty insurance must be maintained at an amount at least equal to the replacement value of tangible assets susceptible to casualty loss (fire, weather, theft, vandalism, etc.);
 - (2) Workers' compensation insurance and unemployment insurance must be maintained if the debtor has employees;
 - (3) General liability and, if appropriate, product liability insurance must be maintained if the debtor conducts business operations; and
 - (4) Life insurance on key personnel; and
 - (5) Any other insurance customary in the debtor's business.

The debtor shall, at the initial debtor interview, provide the U.S. Trustee with a copy of the insurance policy declarations pages and Certificates of Insurance evidencing that the U.S. Trustee will be notified in the event of change, cancellation, expiration or non-renewal.

- F. Three most recently filed Federal Income Tax Returns and most recent Personal Property Tax Return with all schedules and attachments.
- G. Most recently prepared financial statements, audited as well as unaudited, including but not limited to, balance sheets, income statements, inventory statements, accounts receivable and accounts payable statements, and tax reconciliations.
- H. Monthly cash receipts and disbursement projections for the next twelve months.

6. BOOKS AND RECORDS

The books and records of the debtor must be closed as of the date of the filing of the petition. The debtor must open a new set of books and records and must provide separate accounting with respect to pre-petition and post-petition accounts and transactions.

7. PHYSICAL INVENTORY

Within thirty (30) days of filing the petition, the debtor shall provide the U.S. Trustee with a physical inventory as of the date of the filing of the petition. The inventory shall indicate itemized values at cost and fair market value. This requirement may be satisfied by submission of Schedule B if sufficient detail is provided.

8. CREDITORS MEETINGS

Section 341 of the Bankruptcy Code requires a meeting of creditors in each case absent court order. This meeting is scheduled by the Office of the United States Trustee and notice of the meeting is sent to all creditors. Senior management and debtor's counsel are required to attend. Local Rule 4002-1 designates persons to act when the debtor is not an individual. Requests for waiver of or relief from local rules must be upon application to and approval by the court. The debtor's representative should have knowledge of and be familiar with the operation of the debtor's business and the bankruptcy proceeding. In addition, the debtor in possession's accountant/bookkeeper should be available for examination at the §341 meeting. The U.S. Trustee may also request, through debtor's counsel, that additional representatives of the debtor attend the §341 meeting and be available for examination. If debtor's first monthly operating report is due prior to the §341 meeting, the debtor must file the report with the court by the due date. It is recommended that the debtor prepare and file the first monthly operating report prior to the §341 meeting even though the first report may not be due until after the date of the meeting. After notice of the §341 meeting has been mailed, meetings cannot be cancelled or rescheduled to accommodate conflicts with the schedule of the debtor or the debtor's attorney, except in extraordinary circumstances. The debtor's counsel must contact the Office of the United States Trustee to request that the meeting be rescheduled. If the

request is approved, the debtor's counsel must certify to the Court that adequate notice of the rescheduled meeting has been sent to all parties in interest.

An attorney for the U.S. Trustee will preside at the §341 meeting, administer the oaths/affirmations, and examine the debtor and/or other appropriate person(s). No written minutes will be kept at the meeting. The meeting will be recorded. All recordings will be stored by the Office of the United States Trustee for a period of not less than five years from the conclusion of the meeting, at which time the recordings will be erased, absent any requests to the contrary. Requests for copies of the recorded meetings must be made in writing to the Office of the United States Trustee, 318 Customs House, 701 Broadway, Nashville, Tennessee 37203. The request must include: case name, case number, chapter, trustee name, date and time of §341 meeting.

The debtor, or the debtor's representative, must bring to the meeting of creditors two forms of identification: one proof of his/her social security number and one photo identification. Failure to provide the necessary proof of identity shall result in the United States Trustee moving for dismissal or conversion of the case.

9. SMALL BUSINESS CASES AND SUBCHAPTER V

Specific rules relate to cases filed by small businesses, as defined by the Bankruptcy Code. These provisions attempt to streamline and simplify several burdensome Chapter 11 requirements. Additional changes were made effective in February 2020 with the effective date of the Small Business Reorganization Act of 2019, resulting in a Subchapter V election that is available for small business debtors. Debtors should discuss this option thoroughly with counsel to gain understanding and determine whether election is desirable. Among other provisions, Subchapter V election mandates the appointment of an independent trustee whose main purpose is to assist in effecting a consensual plan of reorganization. This trustee will also review the debtor's operations, participate in the initial debtor interview and meeting of creditors, and be integrally involved in most aspects of the case. Subchapter V cases are also not subject to quarterly fee assessment.

10. QUARTERLY FEES (Not applicable to Subchapter V cases.)

Under 28 U.S.C. § 1930(a)(6), a quarterly fee shall be paid to the United States Trustee System Fund at Treasury in each case under chapter 11 (except small business cases under Subchapter V of chapter 11) for each calendar quarter, or portion thereof, between the date a bankruptcy petition is filed and the date the court enters a final decree closing the case, dismisses the case, or converts the case to another chapter in bankruptcy.

The quarterly fee is calculated by totaling the reported disbursements for the three-month calendar quarter, or portion thereof, according to the fee schedules shown below. The quarterly fee amount will be estimated if disbursements for all months of a calendar quarter

that the case is open have not been reported to the United States Trustee. The estimated fee is based on: a) the reported disbursement history, b) the debtor's initial financial data submitted when the case was filed, or c) the United States Trustee's estimate. If there is a disagreement with the estimated quarterly fee noted on the billing statement, then Monthly Operating Reports or actual disbursement reports supporting a different calculation must be filed with the bankruptcy court and served on the United States Trustee office. The applicable minimum fee is due even if there were no disbursements during a calendar quarter. The fee is not prorated.

The quarterly fee schedule for cases filed after April 1, 2021 is shown below. For fee calculations prior to the second quarter of 2021, please refer to <https://www.justice.gov/ust/chapter-11-quarterly-fees>.

FEE SCHEDULE FOR CALENDAR QUARTERS BEGINNING APRIL 1, 2021 THROUGH DECEMBER 31, 2025	
The Bankruptcy Administration Improvement Act of 2020, Pub. L. No. 116-325, enacted on January 12, 2021, temporarily amended the calculation of chapter 11 quarterly fees for calendar quarters beginning April 1, 2021 through December 31, 2025. Under this amendment, the quarterly fee payable for a calendar quarter shall be the greater of: (1) 0.4% of disbursements or \$250 for each quarter in which disbursements total less than \$1,000,000, and (2) 0.8% of disbursements but not more than \$250,000 for each quarter in which disbursements total at least \$1,000,000. The following table displays the disbursement ranges and quarterly fees under the amended quarterly fee schedule for calendar quarters beginning April 1, 2021 through December 31, 2025.	
TOTAL QUARTERLY DISBURSEMENTS	QUARTERLY FEE
\$0 to \$62,624	\$250
\$62,625 to \$999,999	0.4% of quarterly disbursements
\$1,000,000 to \$31,249,937	0.8% of quarterly disbursements
\$31,249,938 or more	\$250,000

Quarterly fees are due no later than one month following the end of each calendar quarter. Failure to pay quarterly fees may result in the conversion or dismissal of the case. Payment of that quarter's fees and any past due fees and interest, if applicable, must be made before the effective date of a confirmed plan of reorganization and quarterly fees will continue to accrue until entry of the final decree, or until the case is converted or dismissed. Failure to pay these fees may result in a motion by the United States Trustee to dismiss or convert the case to a chapter 7 case. A billing statement from the United States Trustee Program is mailed to the debtor or other designated party for each calendar quarter before the payment due date. Chapter 11 quarterly fees may be paid online at <https://www.pay.gov/public/form/start/672415208> or by mailing the tear off portion of the statement and a check, made payable to "United States Trustee".

The address to use to mail quarterly fee payments is:

United States Trustee Payment Center
P.O. Box 6200-19
Portland, OR 97228-6200

The address to use for overnight delivery is:

U.S. Bank
Attn Government Lockbox – U.S. Trustee Payment Center 6200-19

The addresses shown above are a lockbox at a bank. Do not use these addresses for service of process, correspondence, or any purpose other than paying quarterly fees. Any other correspondence or documents sent to the lockbox other than the payment form will be destroyed.

Each quarterly fee must be timely paid. Failure to receive a bill from the Executive Office for United States Trustees does not excuse timely payment. Failure to pay the quarterly fee is cause for conversion or dismissal of the chapter 11 case pursuant to 11 U.S.C. § 1112(b)(4)(K) (for cases filed on or after October 17, 2005) or 11 U.S.C. § 1112(b)(10) (for cases filed before October 17, 2005).

DISCLOSURE OF INTENT TO USE TAXPAYER IDENTIFYING NUMBER FOR THE PURPOSE OF COLLECTING AND REPORTING DELINQUENT QUARTERLY FEES OWED TO THE UNITED STATES TRUSTEE PURSUANT TO 28 U.S.C. §1930(A)(6)

Please be advised that, pursuant to the Debt Collection Improvements Act of 1996, Public Law 104-134, Title III, §31001(i)(3)(A), 110 Stat. 1321-365, codified at 31 U.S.C. §3701, the U.S. Trustee intends to use the debtor's Taxpayer Identifying Number ("TIN") as reported by the debtor or debtor's counsel in connection with the chapter 11 bankruptcy proceedings for the purpose of collecting and reporting on any delinquent debt, including chapter 11 quarterly fees, that are owed to the U.S. Trustee.

The U.S. Trustee will provide the debtor's TIN to the U.S. Department of Treasury for its use in attempting to collect overdue debts. Treasury may take the following steps: (1) submit the debt to the Internal Revenue Service Offset Program so that the amount owed may be deducted from any payment made by the federal government to the debtor, including but not limited to tax refunds, (2) report the delinquency to credit reporting agencies, (3) send collection notices to the debtor, (4) engage private collection agencies to collect the debt, and (5) engage the United States Attorney's office to sue for collection. Collection costs will be added to the total amount of the debt. If the United States is unable to collect the full amount of any debt owed on a debtor's quarterly fee obligation, an I.R.S. Form 1099-C (Cancellation of Debt) will be filed with the Internal Revenue Service as required by law.

11. PERIODIC REPORTING

The first form is due no later than seven days after the first date set for the meeting of creditors, and then periodically every six months thereafter until the effective date of your plan, or if your case is dismissed or converted to another chapter. See Fed. R. Bankr. P. 2015.3.

If you sell property not in the ordinary course of business (which needs court approval), you must file a Report of Sale after completion of the sale. See Fed. R. Bankr. P. 6004(f).
